

Houston Independent School District

TESTING INFORMATION

The students will be testing during the months of February, March, and April. Please make sure to review the important information listed below. Included are the specific dates you need to be aware of.

We want our students to do their absolute best on these tests. All of these tests are very important and will help us in determining the children's promotion to the next grade level. We ask that you make every effort to make sure the student gets to school on time, is not absent, goes to bed early, and eats breakfast every day. Students will be dismissed at the regular time each day; however, if a child needs to remain longer to work on their TAKS test, please make transportation arrangements if necessary.

Your help and cooperation is appreciated. Please contact the school if you have any questions.
