

Student Disciplinary Action Summary

Academic Year 2004-05

Department of Research and Accountability

Houston Independent School District

Introduction

The purpose of this report is to provide the number and rate of student disciplinary incidents that occurred in HISD during the 2004–05 school year. The report was created to comply with Senate Bill 1724, as described in Section 39.053 of the Texas Education Code. Specifically, it states that the annual report must include a statement of the number, rate, and type of violent or criminal incidents that occurred on each district campus, information concerning school violence prevention and violence intervention policies and procedures that the district is using to protect students, and the findings that result from evaluations conducted under the Safe and Drug-Free Schools and Communities Act of 1994 (20 U.S.C. Section 7101 et seq.) and its subsequent amendments.

The disciplinary reason codes listed in the report are presented below along with their definitions. The data were obtained from summer 2004–05 PEIMS file and the 2004–05 PEIMS Fall resubmission file submitted to the Texas Education Agency. The rate was calculated by dividing the number of incidents that occurred by the fall enrollment during 2004–05 school year. Fall administrative district and districtwide enrollment includes all schools.
