Looking for ROE HEROES!

ROE has been partnering with the Leukemia & Lymphoma Society for close to 20 years and this year is no different. Our campaign will kick off right after spring break and we have set a lofty goal of \$15,000! One of the ways we would like to make this project relevant to our students is by putting a face to those impacted by blood cancers. If you have a family member or close family friend that has been touched by leukemia or lymphoma - we would love to add them to our hero board. This will help students see how families at ROE are being impacted, and will hopefully help students understand the importance of supporting such a worthwhile organization.

If you have a HERO for our board, please email a picture and their name to Liz Goodman (agoodman@houstonisd.org). Please tell us how this person is connected to ROE as well!

We are looking forward to a great campaign, and hope this will be another way of getting students actively involved in the project!

On February 29, 2016 River Oaks Elementary 3rd-5th grade Name That Book Team competed in the preliminary competition at M.C. Williams Middle School. Students had to read 30 books and at the competition the team was given quotes that they had to know what book it came from. We came ready to compete and definitely brought our "A" game! By the end we were tied for 1st place and had to go into a tie breaker with Lovett Elementary. Sadly, we came in 2nd place but we were very proud of the hard work throughout the competition. We would love to congratulate the 3-5 NTB team: Katie Randall, Emily Huang, Jenna Seely, Adriana Torres Li Ning, Josie Law, Eileen Jiang. We are very proud of you ladies!

Love your coaches,

Ms. Argue, Mrs. Clark, Mr. Johnson, and Ms. Rensberger
