**The PTO (Parent Teacher Organization)** is a group of parents and teachers from our school. We work together to support our school and create a strong sense of community. We coordinate volunteer opportunities for school events and fundraisers and provide funds to the school that contribute to every child at the School at St. George Place.

All parents are encouraged to become members – there are many flexible ways to get involved. Although we have no membership dues, we do rely on donations and support through fundraisers all year long. Thank you for all you do for this fabulous school!
