SPRING TAILGATE

Event Overview.....

The inaugural Westside Football Spring Tailgate will be held on May 21st from 10:00am to 6:00pm on the campus of Westside High School. This event is designed to bring out the school spirit in the student body, local area middle/elementary schools, and the community. The event will consist a performance from the dance teams, cheer squads, and students who are also up & coming recording artist. We'll also have a featured performance from L.O.U.D. Muzik recording artist T!M NED.

The Tailgate....

Student organizations will be allowed to reserve their tailgate spot for \$20.00 a spot. Students will also be able to reserve spots and tailgate during the Spring Game as well.

Local Businesses will be able to come out & reserve tailgate spots for a fee of \$50 a spot.

The surrounding area middle schools, & elementary schools will all be encouraged to join in the tailgate or come out & support the spring game.

Performances....

There's a lot of talent roaming the halls of Westside High School. We'll allow 4 students the opportunity to do a concert (Clean, radio friendly music only) during the tailgate. A headlining performance will be from T!M NED who has been featured on AllHipHop.com, microsoft.com, BET and a brand ambassador to Fresh Empire.

We'll also feature drill team, step teams, and school dance teams during the tailgate.

*Any school organization that would like to perform is welcomed.

Game Time....

At kickoff all of the tailgating activities will stop, so everybody can support our Westside Wolves football team!! Four local area middle schools can each cheer a quarter.

The participating middle schools will be able to introduce their football players to "Wolves Football". We'll encourage the offensive players to wear white shirts, and defensive players to wear blue shirts.

Halftime....

The Westside wolves Band, Cheer & Dance team can showcase their amazing talents for the community to see!

Post Game....

Westside High School head football coach will address the football team, & all the fans/supporters that came out for the game. The band will close out with the school song.

Although wins and losses are the markers that normally categorize success, they should never be the cornerstones of the program. The vision of our athletic program is about the benefits which are; the experience, involvement, community service, educational process, and establishing character that can be shaped and molded by the team.
