## Car Rider Dismissal Map

**Arrival:** Students can not be dropped-off prior to 7:00 am. At 7:00 am staff will begin opening car doors and assisting students out of cars.

**Dismissal:** Please ensure you have your Car Rider Tag displayed in your window so that we can call for your student. You must park and come inside if you do not have a tag. The tag allows for not only smooth dismissal of students but also ensures the safety of all students.

Parents are not allowed to park and get their students. All parents must go through the car rider line to pick up students.
