Thank You to Ann Cochran!!! The Gator Crawl was a huge success. Mrs. Cochran and all the volunteers did an amazing job at showcasing our students. Thank you to Mr. Gardner, Mr. Gribbins, Mr. Hall and Mr. Zepeda for their leadership of our students and their art.

Shout Out to Mr. Hall & the Concert Band!! They performed FOUR times on Friday, 4/28. They performed for School at St. George, Briargrove, Hattie Mae White Admin Building, and at the Gator Crawl. Safety Reminders!!

- Students are not allowed to be at Randall's unless they are with a parent. We continue to receive complaints about student behavior in and around the store. I hate this but we have to do better at representing our school.
- Students are not allowed to leave campus and then return before or after school. Disciplinary action will be taken.
- Students must be picked up by 3:45pm. We do not have supervision after that time. If you cannot pick up your child, then you must make arrangements. We do have the After 3 program! Please contact Gabrielle Alvarado at after3asp@gmail.com

I truly appreciate our Tanglewood community of parents, students and teachers working together to follow guidelines and honor one another!!!
