

SUMMER READING PROGRAM

Hey Cougars!

Summer is here, and it's time to get excited about the summer reading program! Keep reading all summer long, come back to school and get great prizes and rewards!

All students who participate in the summer reading program will get a free dress day, a Rice football ticket and be included in a Summer Reading Popsicle Party at the beginning of the year. The more you read, the more rewards you will receive!

Students entering Pre-K, K and 1

Level 1 – Students at this level must read at least **5 books** and complete an information form for each book. Information forms should include title, author, number of pages, and a sentence or two about the story or a picture illustrating the story. There is an information form at the end of this document.

Level 2 – Students at this level must read at least **10 books** and complete an information form for each book.

Level 3 – Students at this level must read at least **15 books**, complete an information form for each book and complete at least **1 larger project** for one of the books. The larger project can be anything you imagine. You can create a poster, a painting, a diorama, a sculpture, a mobile, a collage or a movie. Be creative! If you prefer not to make a craft, you can write a short report with more information about the book.
