HISD Bond to Host Wilson Montessori Community Meeting

You are invited to attend a bond community meeting to inform stakeholders of Wilson Montessori of plans to renovate the campus. Please come and hear from the architect and project manager about the initial design concepts for this building project and share your input.

This is an open meeting, so please invite your friends, family and colleagues to join us for this important presentation and discussion. The meeting will be held at Wilson Montessori, located at 2100 Yupon, on Monday, September 21, at 6:30 p.m.

Early Dismissal September 22nd

We will dismiss all students at 12:45 pm on Tuesday, September 22nd. Teachers will be in training from 1:00—3:30 pm. Please make sure to make arrangements to pick up your child on time.

Attendance before and after a Holiday

As we all know, attendance counts! Did you know that Wilson Montessori lost more than \$54,000 last year due to absences?? We need your students at school in order for them to learn!

In order to acknowledge those students who attend school before a holiday, we will be distributing Free Dress Bracelets to all students in attendance the day before a holiday. The bracelet can ONLY BE USED on the DAY AFTER the holiday. For example, we will be handing out bracelets on Tuesday, September 22, the day before a holiday (September 23rd). This bracelet can be worn ONLY on THURSDAY, SEPTEMBER 24th. If you are not at school on September 24th, you may not redeem your bracelet.

Wilson Montessori Mission Statement

The Woodrow Wilson community is a diverse, student-centered environment dedicated to the promotion of safety, high achievement, creativity and teamwork in learning. We encourage all children to become responsible citizens and develop their individual strengths.

Virtue of the Week

Our virtue of the week for this week is peacefulness. Peacefulness is an inner sense of calm. It comes especially in quiet moments of reflection or gratitude. It is getting very quiet and looking at things so you can understand them. Peacefulness is also a way of approaching conflict with others so that no one is made wrong. It is being fair to others and yourself.

Our virtue of the week for next week is integrity. Integrity is standing up for what you believe is right, living by your highest values. It is being honest and sincere with others and yourself. You show integrity when your words and actions match and you fill your life and your mind with things that help you to live a good, healthy life.

Tip of the Week

The Paw Print comes out each and every Thursday. If we do not have school on Thursday, we try to send it out on the last day of the week. Please take the time to look at the upcoming events listed on the right side of the front page. We work very hard to give you advance notice of important activities or due dates.

Mr. Awesome's Science Corner!

Attracted to Science

This week in science we will be exploring magnetism. Students will perform experiments to figure out what materials are magnetic and how different magnets interact with each other. Be sure to ask your children about magnetic canons and feeling things you can't see! :) Words to watch for: Attraction, Compass, Electromagnet, Field, Iron, Magnetism, Nickel, Repulsion
