**Proceeds to benefit the
Clifton Spark Park
&
Friends of Clifton**

In May of this year the CLIFTON COMMUNITY was awarded a Spark Park by the City of Houston. Friends of Clifton have been the driving force behind this project. This CLIFTON COMMUNITY garage sale is the first of several fundraisers. FOC is currently working on a three phase plan to renovate the tennis and basketball courts behind the school. The second phase will include renovations of the baseball and football fields. The final stage will be to add track around the football field as well as a cross country track around the park. We can only accomplish this goal with your help!

If you own or work for a company that would like to get involved please contact: FOChouston@gmail.com
