Part 1: HSPVA Laptop Acceptable Use (including Non-Negotiable Student Laptop Policies & Expectations)

Part 2: Major & Minor Offenses

Part 3: Student Laptop Loan Agreement

An HP Elite Book laptop will be loaned to all HSPVA students. To receive a laptop, students must return a signed Student Laptop Loan Agreement (with a parent/guardian signature) along with a \$25 non-refundable security deposit. **HSPVA is committed to HISD's PowerUp initiative, and, therefore, expects all students to receive a laptop.** HSPVA students cannot opt out of the PowerUp initiative.

Students must comply with the Student Laptop Loan Agreement and the HSPVA Acceptable Use Policy at all times.

1. HSPVA Laptop Acceptable Use

HSPVA recognizes how valuable the appropriate use of technology is to improving teaching and learning. Accordingly, HSPVA has made a significant commitment to integrating technological advances into the school program to enhance students' learning experiences. HSPVA provides access to the school's cloud drive (OneDrive) and internet services from every computer connected to the HISD network. Understanding and following HSPVA's Acceptable Use Policy allows us to maintain a respectful, effective, and safe learning environment.

HSPVA's network resources are considered the property of HISD. Laptop access to HSPVA's network services will be provided throughout the school via a wireless network. HISD blocks websites and web-based services that the administration deem to pose a threat to the safety, security, academics and well-being of its community members, facilities, network, and resources. Categories that are blocked include: pornography and sexually explicit material, criminal and illegal activities, weapons and extreme violence, computer hacking, spyware and malicious software, certain video streaming sites, and certain social media sites. HSPVA will continue to take precautions for this type of material on all equipment that is part of the school's network.

Any actions performed or initiated through the network must reflect the integrity and honesty expected of a HSPVA student, as described in the HISD Code of Conduct and the HSPVA Way. Students will be held responsible for actions initiated on their laptops, regardless of whether they were using their computer at the time of the infraction. Therefore, students may only use the laptop they have been issued.

Non-Negotiable Student Laptop Policies and Expectations:

Be Ready

Bring your fully charged laptop every day.

Be Responsible

Keep your laptop in its case at all times.

Report lost, stolen or damaged laptops immediately.

Be Respectful

Use your laptop during class only as instructed.

Remember your "netiquette."

A student must have his/her laptop to enter class.

If a student misses class because he/she/they do not have a charged laptop, the student is still responsible for the classwork and assignments missed. It is the student's responsibility to work with the teacher to ensure all work is completed on time.

A student must have his/her laptop in the case 100% of the time.

The school-issued case is required as part of the computer warranty. Teachers must take up a student's laptop if it is not in the school-issued case and the case is not with the student. Laptops without cases will be sent to the Tech Room (201) until the student brings in the case.

A student must come to school with his/her laptop fully charged.

Students should charge their laptop every night and should bring it to class fully charged. Students can also use supervised common areas (such as the library or hallways) before school, during lunch, or after school for charging on campus. After lunch, students can charge laptops in a classroom if they have expressed teacher permission. Phone/device charging of any kind is not allowed during class time.

Printing at HSPVA is limited to designated areas.

- Students may print at home; or
- Students may print up to five pages from a USB drive, email attachment or Cloud drive on a designated computer in the Library. Additional pages may be printed for \$.10 per page.

A student must prevent laptop damage.

Students will face consequences for a broken laptop that requires replacement. If a student's laptop breaks:

- The student will bring the broken laptop to the Tech Room (201) for evaluation.
- If the laptop must be exchanged for a new one, the tech will issue the student a "Computer Damage/Negligence Form."
- The student will pay \$25 fee for damage to the laptop (broken screen, broken case, missing/broken keys.)
- Students will pay the full replacement cost of the third broken screen in the same school year.

A student must prevent laptop loss/theft.

Students should keep their laptops in their hallway locker or on their person.

- There will be a \$10 charge for the return of laptops found unattended anywhere in the building.

Students should make arrangements to ensure laptops can be monitored by an adult if at an off-campus event.

Students must complete a **lost or stolen report immediately** after the device goes missing.

If a student loses his/her laptop:

- He/she must report the loss to the CIT (201) and the CIT will provide the student with a police report form.
- The student brings the form to the Campus Police Office. (The police report will not be considered filed until it is officially submitted to the campus police office. It is the student's responsibility to ensure the police report is filed.)

A student will not be penalized for laptops that are stolen due to no wrong doing.

At the end of the year, a student must return his/her laptop, laptop case, shoulder strap, and power charger. If a student does not turn in one of these items, then he/she/they will be responsible for part of the cost. This fee is due by the last day of school. If missing items are not paid for, then a financial hold will be put on the student's account. 12th graders will not be able to clear senior checkout and all other students will not be granted privileges like student parking, etc.

Lost/Stolen Fees:

- Power cord - **\$40** - Strap - **\$10**
- Case - **\$38** - Computer - **\$1231***

**Students who file a police report for a stolen computer will not be required to pay the lost fee.*
