Commemorating AFRICAN AMERICANS IN TIMES OF WAR

HISD JROTC SENIOR LEADERSHIP

The United States Junior Reserve Officers' Training Corps (JROTC) came into being with the passage of the National Defense Act of 1916. JROTC was established in the Houston Independent School District in 1926. Once looked upon primarily as a source of enlisted recruits and officer candidates, the JROTC program evolved into its current form as a citizenship program devoted to the moral, physical and educational uplift of American youth.

Houston ISD has 20 Army, 4 Navy JROTC, and 1 Air Force JROTC programs for school year 2017-2018. Statistics for students completing four years in the program are as follows: over 90% attend college; 5% enter the workforce; and approximately 5% joined the Armed Forces.
