#### PRE-CONFERENCE, SPEAKER

Thursday, November 30, 2017 - 8:30 a.m. - 11:30 a.m.

Dr. Cynthia "Mama J" **Johnson** 

#### Taking It to the Neighborhoods: Partnering with Families and **Communities to Improve Student Learning Experiences**

Cynthia Johnson is an educator, speaker, and author, and is living proof that nothing is impossible if you believe. Her humble and impoverished beginnings could have been enough to diminish any hopes of a successful future. Nevertheless, she has overcome her struggles and has developed new strengths that present a vision of what is possible when a person perseveres.

Mama J (a name given to her by students) speaks from the heart and "tells it like it is." Family and community engagement are two critical pieces of the puzzle in helping students become and remain successful. Although student learning experiences have changed, going into the community and meeting families where they are is still necessary today. Cynthia will describe a variety of strategies to connect, communicate, and include families and community groups to increase student achievement.

#### **Featured Session**

Thursday, November 30, 2017 - 4:00 p.m. - 5:15 p.m.

AJ Crabill is a man of perseverance, purpose, and faith. His mission is to remind educators and parents of how important we all are in the lives of children. AJ will provide an update on the Texas Education Agency's vision for parent and family engagement as well as an overview of the Lone Star Governance framework. The Lone Star Governance workshop is a conversation about school board behaviors that improve student outcomes with the underlying beliefs that leadership matters and that leaders' choices have the power to be transformative in the lives of students.

Audiences find themselves stirred by AJ's sincerity and passion. Guided by the idea that student outcomes don't change until adult behaviors change and drawing on his intimate familiarity with the triumphs and terrors of America's safety nets for children, AJ has devoted much of his adult life to advocating for the well-being of our nation's most vulnerable youth.

AJ Crabill, Deputy **Commissioner of** Governance. **Texas Education** Agency

Thursday, November 30, 2017 - 1:30 p.m. - 3:30 p.m.

#### **Transforming Schools into Villages of Hope**

Dr. Cynthia "Mama J" Johnson

Cynthia Johnson is an educator, speaker, and author who is living proof that nothing is impossible if you try. Years ago, her future appeared bleak but she kept the faith and turned what seemed to be insurmountable odds into unbelievable possibilities. She has turned her story of struggle into her strength and is letting her light shine by spreading a "Message of Hope" to empower students, families, and educators achieve their highest potential.

Johnson asks, is your school a "village of hope" or a "village of despair?" Mama J (a name given by her students) offers a fresh perspective on how to "reconstruct your village" to meet student success. She will provide proven strategies to effectively reach today's youth. Mama J will affirm what is possible in the midst of seeming impossibilities.

#### LUNCHEON GENERAL SESSION

Friday, December 1, 2017 - 11:45 a.m. - 2:30 p.m. Know the Story Behind the Eyes

Elizabeth "Liz" Huntley is an accomplished litigation attorney, and dedicated child advocate, author, and lecturer. She is regularly appointed by judges to represent the legal interests of children in civil cases. Liz frequently speaks to groups throughout the country, often referencing her own journey as described in her published memoir, *More Than a Bird*.

Ms. Huntley believes every student has a personal story about their life outside the classroom. Their story can have a direct effect on their ability to learn and function in school. When we know the story behind the eyes of a child, we can more effectively help them to thrive in the classroom and in life.

Elizabeth Huntley

#### CLOSING GENERAL SESSION

Saturday, December 2, 2017 - 10:00 a.m. - 12:00 Noon Compete for Minds

Aaron Alejandro

Aaron Alejandro is the Executive Director of the Texas FFA Foundation. In his non-professional hours, Aaron consults with businesses, organizations, education, and youth clubs about ways to improve organizational and individual performance. His life is a reflection of his philosophy – positive attitudes create positive results. As an inspirational speaker, he offers a clear message of personal dynamics for success.

Mr. Alejandro reminds us it is a noisy world out there; students can easily get caught up in the distractions that take away from personal success. Competing for the minds of students and empowering them with a competitive edge can make a positive difference. Aaron will share best practices which will help individuals improve their personal "brand," empower others, and share in new victories.

#### TITLE I STATEWIDE SCHOOL SUPPORT AND FAMILY & COMMUNITY ENGAGEMENT INITIATIVE

Dear Colleagues and Friends,

You are invited to participate in the 2017 Statewide Parental Involvement Conference, November 30 - December 2, 2017, at the Crowne Plaza Houston Near Reliant, Houston, Texas. The conference will provide opportunities for educators, parents, and community leaders to learn strategies for empowering all stakeholders to increase student achievement and to meet the required mandates of the new Every Student Succeeds Act (ESSA). The conference, **Don't Stop Believin'**, intends to build the capacity of all the participants in the parent arena. It is paramount that we all work together to "believe in the potential of" all our students and family engagement.

The major goal of this conference is to provide a forum for dialogue on ESSA issues in parent and family engagement among administrators, parents, teachers, federal program directors, ESC personnel, and community leaders with interest in improving teaching and learning.

Presentations and workshops will probe the issues inherent in the ESSA legislation, particularly as they relate to parent and family engagement. The relationship between ESSA and student achievement will be the common thread among the conference's diverse general and concurrent sessions.

TEA staff will offer multiple concurrent sessions that will give the latest ESSA requirements and legislative updates in parent and family engagement. The top parent and family engagement practitioners from around the state will offer presentations demonstrating evidence-based research strategies and best practices that will result in increased parental and family engagement, as well as higher achievement for all students. There will also be a series of workshops provided in Spanish and translators will be provided at all of the general sessions.

Come and join your friends and colleagues in Houston on November 30 - December 2, 2017. Mail or fax the enclosed registration form today, or use our online registration at <a href="https://www.esc16.net">www.esc16.net</a>. We look forward to seeing you at the 2017 Statewide Parental Involvement Conference!

In addition, this conference will feature sessions by TEA staff on topics ranging from ESSA guidelines to how parents can become more involved in the education of their child.

We appreciate the support and leadership the Title I Statewide School Support and Family & Community Engagement Initiative at Region 16 Education Service Center has provided in the area of parent and family engagement. Under the leadership of ESC Executive Director, Ray Cogburn, and Initiative Coordinator, Terri Stafford, the Initiative continues to partner with the Agency and educators throughout the state, spreading the word about the legal requirements for parent and family engagement, as well as the importance of involving families in our schools.
