Your login and username should be the same login and user name that you used last year or use to login to Gradespeed.

If you can't remember your login or password, contact Mr. Hamilton at ahamilt6@houstonisd.org so that he can reset it.

Reminders

- The first time you log in, you need to be on the HISD network meaning that you need to be on the Jack Yates Campus, or another HISD campus to log in.
- If you get a message that says, "There are currently no logon servers available..." you need to contact Mr. Hamilton so that you can be hard wired onto the HISD network for your first login.
- If you have recently registered, it may take 24 – 48 hours for your ID to be processed into the student information system. You won't be able to logon to your computer if your Student ID is not in the system.

If you have any questions or laptop issues, please e-mail Mr. Hamilton at ahamilt6@houstonisd.org.
