Yates High School Parents & Students:

I have important news to share with you. I will not be returning to Jack Yates High School this fall, as I have decided to pursue other career opportunities, a move I feel is in the best interest of our school community.

As you can imagine, this is a bittersweet time for me. I have devoted the last two years to Jack Yates, and I have truly loved my time here. While I am excited about the challenges and opportunities ahead, I know I will miss our school community tremendously.

My last day on campus will be Tuesday, June 2. The district is working diligently to find a replacement. **A community meeting has been scheduled for 6 p.m. Tuesday, May 12 at Yates High School, 3703 Sampson.** I encourage you to attend and participate in this process. I know the district will welcome your input.

In the meantime, I need you to stay active and involved at Jack Yates and to continue to **“Do What’s Right!”** We have a fantastic school community that has really come together and worked hard to make great strides over the last two years. I feel confident that our momentum will continue under your new leadership with your continued involvement.

Please know I’m sad to leave Jack Yates, but I feel confident I’m leaving you — and our school community — in a good place and in good hands. Should you have any questions, please don’t hesitate to contact our school office at 713-748-5400.

Sincerely,

Donetrus Hill, Principal
Jack Yates High School
