HISD Roadmap to Success for Every Student Strategic Priorities for 2019-2020 and Beyond

Expanding Educational Opportunities

Providing students with quality education requires offering innovative curriculum that challenges students' knowledge and cultivates their creativity. The commitment to administering dynamic learning opportunities is paramount to HISD.

Ensuring Student Health, Safety and Well-being

While academics are at the heart and soul of our district, the importance of a student's health, safety and well-being cannot be understated. Ensuring students have access to safe spaces, transportation, mental health support and nutritious food must continue to be a priority of our district.

Transforming Academic Outreach

As we transform the academic performance of our students, it is critical to do what is necessary to support their academic efforts. From special education to literacy, we must provide the essential support needed for success.

Increasing Organizational Efficiency

The departments that support HISD play an integral part in ensuring we serve every student. Creating an efficient structure, streamlining efforts and operating in a transparent manner will be a key to overall success.

Cultivating Team HISD Talent

Human capital is one of our district's greatest assets. As we move toward increased academic achievement, we must attract dynamic teachers and cultivate the leaders among us.

Houston Independent School District Goals and Constraints

Current as of August 8, 2019 with New Goal 4

Goal 1: The percentage of students reading and writing at or above grade level as measured by the percent of students at the Meets Grade Level standard on STAAR for grade 3 through English II shall increase by three percentage points annually from 37% to 46% between spring 2017 and spring 2020.

Goal Progress Measure 1.1

End of year reading data collected on the District-wide screener shall annually show a three-percentage point improvement in the percentage of students reading on grade level from 38% to 44% between spring 2018 and spring 2020. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

Goal Progress Measure 1.2

Grades 4 and 7 students shall be assessed in writing in the Fall and Spring; percent of students meeting the grade level standard shall increase at least three percentage points annually from 22% in spring 2018 to 28% in spring 2020. Results will be presented to the board after the fall and spring testing windows.

Goal 2: The percentage of graduates meeting the Global Graduate standards as measured by the College, and Career, Readiness component of the Texas accountability system shall increase three percentage points annually per year from the 2017 graduates baseline of 52 percent up to 67 percent by 2022.

Goal Progress Measure 2.1

The percentage of students completing (earning a 70 or better) a career and technical education (CTE) course shall be reported for each semester and shall show improvement of 2 percentage points annually from 63.0 percent in Spring 2017 to 69.0 percent in Spring 2020.

Goal Progress Measure 2.2

The percentage of students completing (earning a 70 or better) an Advanced Placement (AP) or International Baccalaureate (IB) course shall be reported for each semester and shall show improvement of 1 percentage point annually from 39.1 percent in Spring 2017 to 42.1 percent in Spring 2020.

Goal Progress Measure 2.3

The percentage of students completing (earning a 70 or better) a dual credit or dual enrollment course shall be reported for each semester and shall show improvement of 1 percentage point annually from 10 percent in spring 2017 to 13 percent in spring 2020.

Goal 3: Among students who exhibit below satisfactory performance on state assessments, the percentage who demonstrate at least one year of academic growth, as measured by the STAAR Progress Measure, shall increase three percentage points annually in reading and in math from 57 percent in spring 2017 to 66 percent in spring 2020.

Goal Progress Measure 3.1

The percentage of students identified as needing intervention in reading on the district's screener who demonstrate growth from the beginning to end of year benchmarks shall increase three percentage points annually from 48% in spring 2018 to 57% in spring 2021. Results will be reported after each testing window.

Goal Progress Measure 3.2

The percentage of students identified as needing intervention in math on the district's screener who demonstrate growth from the beginning to end of year benchmarks shall increase three percentage points annually from 58% in spring 2018 to 67% in spring 2021. Results will be reported after each testing window.

Goal 4: The reading and math performance gap between historically underserved and non-historically underserved student groups, as measured by the average of the percentage-point gaps between economically and non-economically disadvantaged student groups at the Meets Grade Level Standard on STAAR between 1) economically and non-economically disadvantaged student groups, 2) African-American and White student groups, 3) Hispanic and White student groups, 4) English Learners (ELs) and non-English Learners (non-Els), and 5) students receiving special education services and students not receiving special education services, shall annually show a one-percentage point decrease from an average of 30.3 percentage points in spring 2018 to an average of 27.3 percentage points in spring 2021. Monitoring of student performance for all groups listed above along with the specified gaps will be provided to the board. All student groups should make progress; therefore, if this average gap decreases but the percentage of students at the Meets Grade Level Standard on STAAR for any of the student groups listed in this goal declines, then this goal shall be considered not met.

Goal Progress Measure 4.1

End of year data collected on the District-wide screener shall annually show a one-percentage point decrease in the gap between economically and non-economically disadvantaged students performing at or above benchmark (40th percentile) from 24% to 21% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

Goal Progress Measure 4.2

End of year data collected on the District-wide screener shall annually show a one-percentage point decrease in the gap between English Learners (ELs) and Non-English Learners (Non-ELs) performing at or above benchmark (40th percentile) from 11% to 8% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

Goal Progress Measure 4.3

End of year data collected on the District-wide screener shall annually show a one-percentage point decrease in the gap between students receiving special education services and students not receiving special education services performing at or above benchmark (40th percentile) from 37% to 34% between spring 2018 and spring 2021. Results on the District-wide screener will be presented to the board after the beginning of the year, middle of the year, and end of the year testing windows.

Constraint 1: The Superintendent shall not permit the District to operate without a community school and feeder pattern framework, including a definition, processes, and goals.

Constraint Progress Measure 1.1

The District shall launch cohort one of Every Community, Every School with a minimum of 15 schools (5 percent) by the end of the 2017–18 school year and shall increase annually until all schools (100 percent) are served in 2022.

• Constraint Progress Measure 1.2

The District shall develop tools for campuses to conduct a needs assessment, to access to a provider database, a data tracker, and professional development in 2017–18 and shall increase usage annually from 0 percent in Fall 2017 to 100 percent of campuses access the tools and training by 2022.

Constraint 2: The Superintendent shall not require teachers to administer more than two District-created assessments per semester.

Constraint Progress Measure 2.1

The number of District-required, District-created assessments shall not increase from one per semester in fall 2017 to more than two per semester in spring 2020.

Constraint 3: The Superintendent shall not allow struggling schools to operate without highly qualified leaders and teachers in core subjects. *

*Struggling schools include Improvement Required (IR) schools, formerly IR schools, and schools receiving an overall accountability scale score of 65 or less. Teacher qualification should consider certification and experience.

Constraint Progress Measure 3.1

The percentage of campus administrators at struggling schools rated as effective or above shall increase by two percentage points annually from 65 percent in 2017 to 73 percent by 2020.

Constraint Progress Measure 3.2

The percentage of first-year teachers at struggling schools shall decrease by two percentage points annually from 10 percent in 2017 to four percent by 2020.

Constraint Progress Measure 3.3

The percentage of teaching positions at struggling schools held by teachers certified in their assigned subject areas and grade levels shall increase each semester from 99 percent in 2017 until 100 percent is reached.

District Overview

The Houston Independent School District, with more than 209,000 students and encompassing 333 square miles within greater Houston, is the seventh-largest public-school system in the nation and the largest in Texas. There are 280 campuses in the district. Six area superintendents oversee HISD elementary, middle, high and alternative/charter schools (respectively). Approximately 41 school-support officers and lead principals report to the six area superintendents. These individuals provide leadership to principals, align resources and support for teachers, and ensure that the district is providing equitable and quality educational opportunities to students. Parent liaisons are available to answer questions and address matters regarding district schools. HISD's organization is designed to emphasize teaching and learning, align school goals and programs for sustained improvement, eliminate duplicated services, and provide greater oversight of data and compliance with state laws and regulations.

State Accountability Data Needs Assessment

Texas Education Agency Preliminary Accountability Ratings Report 2019

The 2019 accountability system uses a performance framework that consists of three domains.

Domain 1 – Student Achievement

Evaluates performance across all subjects for all students, on both general and alternate assessments, College, Career, and Military Readiness (CCMR) indicators, and graduation rates.

Domain 2 – School Progress

Measures district and campus outcomes in two areas: the number of students that grew at least one year academically (or are on track) as measured by STAAR results and the achievement of all students relative to districts or campuses with similar economically disadvantaged percentages.

Domain 3 - Closing the Gaps

Uses disaggregated data to demonstrate differentials among racial/ethnic groups, socioeconomic backgrounds and other factors. The indicators included in this domain, as well as the domain's construction, align the state accountability system with the federal Every Student Succeeds Act (ESSA).

Raw scores in each domain are converted to a consistent scale and weighted to give campuses and districts an overall rating. To receive a rating at or above a *D*, districts and campuses must have an overall rating calculation of at least 60 with 70% of the overall calculation coming from the better outcome of the Student Achievement and School Progress domains and 30% of the calculation coming from the Closing the Gaps domain. In addition, if a campus or district receives less than a scaled score of 60 in three of the four areas (Domain 1, 2A, 2B, or 3), then the highest overall scaled score possible is 59. The domain and overall 2018–2019 ratings are based on the scaled score targets presented below.

2019 Scaled Score Targets	
Overall Score	Overall Rating
90 – 100	Α
80 – 89	В
70 – 79	С
60 – 69	D
0 – 59	F

Campuses received an A–F letter grade for the first time in the 2018–2019 school year. In prior school years, campuses were either labeled *Met* Standard or *Improvement Required*.

Houston ISD received a grade of B based on an overall score of 88 for the 2018–2019 school year. The district received the scaled scores and corresponding letter grade for the three domains as follows:

Domain 1 Score: 79
 Domain 2 Score: 89
 Domain 3 Score: 84
 Overall Score: 88
 Rating: B
 Rating: B

Key findings include:

- Houston ISD received a grade of B based on an overall score of 88 for 2018–2019.
- 250 out of the 271 campuses that were rated (92%) were assigned a grade of D or higher, while 21 campuses (8%) received an F.
- 3 out of the 6 campuses (50%) rated Improvement Required last year were assigned a grade of D or higher. Two campuses rated Improvement Required last year were closed, and one received a grade of F.
- 6 out of the 10 campuses (60%) labeled Not Rated: Harvey Provision last year and were rated Met Standard for the 2016–2017 school year were assigned a grade of D or higher.
- 6 out of the 7 campuses (86%) that received a Not Rated: Harvey Provision label last year and were rated Improvement Required for the 2016–2017 school year were assigned a grade of D or higher.
- 6 campuses had a calculated scale score at or above 60 but received an overall rating of F due to receiving an F in three out of the four areas (Student Achievement, School Progress: Academic Growth, School Progress: Relative Performance, or Closing the Gaps) measured.
- 235 campuses were eligible for Distinction Designations. 142 (60% of those eligible) received at least one, while 24 (10% of those eligible) received all eligible Distinctions.

HISD Four-Year Longitudinal Graduation Rates by Group: Grades 9-12 with Exclusions: 2011-2018

- From 2011 to 2018, the longitudinal four-year graduation rates with exclusions increased for the African American, Asian, Hispanic, students who were ever coded as English learners in high school (Ever EL in HS), and Students with Disabilities (SWD) student groups and decreased for the All, White, and Economically Disadvantaged student groups.
- From 2017 to 2018, longitudinal four-year graduation rates with exclusions increased for the Asian, Hispanic, Ever EL in HS, and All student groups and decreased for the African American and SWD. The White and Economically Disadvantaged student groups remained the same.

HISD Four-Year Longitudinal Dropout Rates by Group: Grades 9-12 with Exclusions: 2011-2018

- From 2011 to 2018, the longitudinal four-year dropout rates with exclusions increased for All students and each of the groups presented.
- From 2017 to 2018, the longitudinal four-year dropout rates with exclusions decreased for the Asian and Economically Disadvantaged student groups and increased for the All, African American, Hispanic, White, Ever EL in HS, and SWD student groups.

HISD Annual Dropout Rates by Group: Grades 7–8 with Exclusions: 2011–2018

- From 2011 to 2018, the annual dropout rates with exclusions increased for all student groups.
- From 2017 to 2018, the annual dropout rates with exclusions increased for all student groups.

Reasons for Excluded Records as Defined by the Texas Education Agency

According to TEA, starting 2010-2011, a student who meets one or more of the following criteria is **excluded from** campus and district completion rate calculations used for accountability purposes:

- A student who is ordered by court to attend a high school equivalency certificate program but has not earned a high school equivalency certificate;
- A student previously reported to the state as a dropout;
- A student in attendance but who is not in member ship for purposes of average daily attendance (i.e., students for whom districts are not receiving state Foundation School Program (FSP) funds);
- A student whose initial enrollment in a school in the United States in Grades 7-12 was as an unschooled or asylee as defined by TEC §39.054(f) and TEC §39.055); and,
- A student who is incarcerated in a state jail or federal penitentiary as an adult or as a person certified to stand trial as an adult.

According to TEA, starting in 2010-2011, a student reported to have left school for any of the following reasons is **NOT** considered a dropout for accountability reasons:

- A student who graduated;
- A student who **died** while enrolled in school or during the summer break after completing the prior school year;
- A student who withdrew form/left school to return to family's home country;
- A student who withdrew for/left school to enter college and is working towards an Associate's or Bachelor's degree;
- A student who withdrew from/left school for home schooling;
- A student who was removed by Child Protective Services (CPS) and the district has not been informed of the student's current status or enrollment;
- A student was expelled under the provisions of TEC §37.007 and cannot return to school;
- A student who withdrew from/left school to enroll in a private school in Texas;
- A student who withdrew from/left school to enroll in a public or private school outside of Texas;
- A student was withdrawn from school by the district when the district discovered that the student was not a resident at the time of enrollment or had falsified enrollment information, proof of identification was not provided, or immunization records were not provided;
- A student who graduated outside of Texas, returned to school, and left again; or
- A student who received a **GED outside Texas**, returned to school to work toward the completion of a high school diploma, and then left; or student earned GED outside Texas after leaving Texas public schools.

Safety and Environment

The Houston Independent School District (HISD) has established as one of its primary goals the provision of a high-quality educational program for each student in a safe school environment free of disruptions that interfere with the educational process. HISD does not discriminate on the basis of age, race, color, ancestry, national origin, sex, handicap or disability, marital status, religion, veteran status, political affiliation, sexual orientation, gender identity and/or gender expression, or physical/personal appearance. This policy includes a prohibition on racial harassment and a hostile environment, as this type of harassment denies students the right to an education free of discrimination. HISD's expectation is that all campuses develop with all members of the school community an effective School-Based Discipline Management System that promotes and maintains the support of good student behavior, is conducive to the academic and social/emotional growth of all students and supports a safe and respectful teaching and learning environment.

Goal: The District, through districtwide and campus specific training will build the capacity of all campuses to develop effective campus specific discipline management systems that will promote the social and emotional development of all students and that will include methodologies to address safety concerns, bullying and harassment violations, and any other violations that may jeopardize the health and safety of the campus community.

Improvement Strategies:

- Mandatory safety and bullying awareness training for all employees through OneSource that addresses the types of bullying, preemptive strategies to
 curtail bullying incidents, and response techniques that expediently addresses any bullying violation including communication procedures that
 addresses the needs of all stakeholders;
- Districtwide face to face training for all campus administrators on the Texas Educational Code Chapter 37, HISD Code of Student Conduct, and other student discipline related District policies and procedures;
- Classroom management and classroom culture (development items I–9 and I–10) video exemplars and effective practices designed to provide teachers with an opportunity to watch highly effective teachers in action, paired with guidance on how to implement these practices;
- Ongoing job-embedded support provided by Teacher Development Specialists at the campus level;
- New Teacher Academy (new teachers);
- New Leadership Academy
- The Department of Social and Emotional Learning supports campuses in HISD by providing trainings which focus on creating environments that are safe and effective for all students. Trainings provide skills and framework needed for staff to create environments conducive to student growth and safety, supporting I-9 and I-10 (Classroom Management and Classroom Climate)
 - Crisis Prevention Institute
 - De-Escalation
 - Restorative Practices
 - Culturally Responsive Classrooms
 - Coaching
 - Mindfulness
 - Sanford Harmony
 - Positive and Proactive Classroom Management (CHAMPS and STOIC)
 - The Tough Kid training
 - Sandy Hook Promise

State Compensatory Education (SCE)

The goal of the SCE program is to provide additional resources to reduce any disparity in performance on assessment instruments or disparity in the rate of high school completion between educationally disadvantaged students, at-risk students, and all other students.

The purpose of the SCE program is to increase academic achievement and reduce the dropout rate for these students by providing supplemental programs and services. The legislature passed Senate Bill 1746 which added a 14th state criterion to the original 13 state criteria. The additional criterion includes a student who has been incarcerated or has a parent or guardian who has been incarcerated, within the lifetime of the student, in a penal institution as defined by Section 1.07, Penal Code.

Demographic Characteristics: At-Risk Students

- Of the 214,175 students enrolled in HISD at the fall snapshot for the 2017–2018 school year, 153,403 students (71.6 percent) were identified as being at-risk according to SCE criteria.
- In 2017–2018, a larger proportion of males than females enrolled in HISD (73.2 and 70.0 percent, respectively) were identified as at-risk.
- Hispanic students accounted for the largest total number of at-risk students (104,264) and constituted 68.0 percent of all at-risk students. African Americans made up the next largest group of at-risk students at 34,445, or 22.5 percent of all at-risk students.
- While only a little less than three-fifths of those who were categorized as not-economically disadvantaged were identified as at-risk (56.1 percent), greater than three-quarters of those categorized as economically disadvantaged were identified as at-risk.

Key Findings:

- Of the 214,175 students who attended HISD during the 2017–2018 academic year, 153,403 students (71.6 percent) were identified as being at-risk according to SCE criteria. More males than females were identified as at-risk (73.2 percent of males in the district were identified as at-risk and 70.0 percent of females were).
- Relative to students in other grades, a higher proportion of first graders (91.8 percent) were identified as at-risk
- The ethnic composition of at-risk students was 68.0 percent Hispanic, followed by 22.5 percent African American, 5.6 percent white, 3.0 percent Asian/Pacific Islander, and one percent American Indian or two or more races. Exactly 76.8 percent of at-risk students were economically disadvantaged. Majorities of African American, Hispanic, Asian/Pacific Islander, American Indian, and mixed-race students, as well as those who were economically disadvantaged, were deemed at-risk.
- Districtwide, on the 2018 English language STAAR, the gaps in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk and at-risk students were 26 percentage points in reading, 20 percentage points in mathematics, 36 percentage points in writing, 32 percentage points in science, and 36 percentage points in social studies. The gaps decreased in reading, math, and science, but increased in writing and social studies, from 2017 to 2018.
- Districtwide, on the 2018 Spanish language STAAR, the gaps in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk and at-risk students were 23 percentage points in reading, 15 percentage points in mathematics, 25

percentage points in writing, and 32 percentage points in science. The gaps decreased in all subjects except science from 2017 to 2018.

- Districtwide, on the 2018 STAAR EOC, the gaps in the percent of not-at-risk and at-risk students who achieved the Approaches Grade Level
 Performance Standard ranged from 13 percentage points in U.S. History to 37 percentage points in English II. The gaps in performance between
 not-at-risk and at-risk high school students decreased slightly from 2017 to 2018 in all subjects except English II, for which the gap remained
 unchanged.
- Districtwide, on the 2018 English language STAAR, the gaps in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk and at-risk students were 26 percentage points in reading, 20 percentage points in mathematics, 36 percentage points in writing, 32 percentage points in science, and 36 percentage points in social studies. The gaps decreased in reading, math, and science, but increased in writing and social studies, from 2017 to 2018.
- Districtwide, on the 2018 Spanish language STAAR, the gaps in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk and at-risk students were 23 percentage points in reading, 15 percentage points in mathematics, 25 percentage points in writing, and 32 percentage points in science. The gaps decreased in all subjects except science from 2017 to 2018.
- Districtwide, on the 2018 STAAR EOC, the gaps in the percent of not-at-risk and at-risk students who achieved the Approaches Grade Level Performance Standard ranged from 13 percentage points in U.S. History to 37 percentage points in English II. The gaps in performance between not-at-risk and at-risk high school students decreased slightly from 2017 to 2018 in all subjects except English II, for which the gap remained unchanged.
- For the class of 2017, 83.4 percent of not-at-risk students and 79.3 percent of at-risk students graduated from HISD. The completion rate (which includes graduates, continuers, and GED recipients) for not-at-risk students was 86.5 percent and for at-risk students was 88.0 percent.

STAAR Performance Grades 3-8

- Overall, on the 2018 English language STAAR, the gap in the percentage of students who achieved the Approaches Grade Level Performance Standard between not-at-risk students and at-risk students was 5 points at the low end and no more than 37 points at the high end on all tests and at all grade levels. The range for the previous year was 11 to 39.
- Taking all grades combined, not-at-risk students outperformed at-risk students on each subtest of the English language STAAR: the gap was 26 percentage points for reading, 20 percentage points for mathematics, 36 percentage points for writing, 32 percentage points for science, and 36 percentage points for social studies.
- From the 2016–2017 to the 2017–2018 academic years, gaps (1) decreased on the English- language STAAR reading, math, and science tests, (2) stayed the same on the English-language STAAR writing, and (3) increased on the English-language STAAR social studies test.
- On the 2018 Spanish language STAAR, not-at-risk students performed better than at-risk students on all subtests at all grade levels. The gap was 23 percentage points for reading, 15 percentage points for mathematics, 25 percentage points for writing, and 32 percentage points for.
- From 2016–2017 to 2017–2018, gaps decreased on the Spanish-language STAAR reading, mathematics, and writing tests, but increased on the Spanish-language STAAR science test.

STAAR End-of-Course Performance

- In 2018, the districtwide difference between at-risk and not-at-risk students who achieved the Approaches Grade Level Performance Standard was 36 percentage points on the English I test, 37 percentage points on the English II test, 13 percentage points on the Algebra I test, 18 percentage points on the Biology test, and 13 percentage points on the U.S. History test.
- The gap in performance between not-at-risk and at-risk students decreased by one percentage point on the STAAR EOC English I and Algebra I tests, and three percentage points on the STAAR EOC Biology and US History tests from the 2016–2017 to the 2017–2018 academic years. The gap in performance between not-at-risk and at-risk students on the STAAR EOC English II test remained the same over the same period. The three-year trend, however, shows a closing gap on all STAAR EOC tests.

Goal: Provide program support districtwide and for campuses to reduce the disparity between educationally disadvantaged students, at-risk students, and all other students in order to increase academic achievement and reduce the dropout rate for these students by providing supplemental services.

Improvement Strategies:

- SCE direct costs will be spent on direct services for educationally disadvantaged and students who meet one of the 14 state criteria.
- Campuses will support their at-risk students by providing supplemental programs and services with their at-risk funds in their campus budgets.
- Disciplinary Alternative Education Program (DAEP) funds will provide services to students who are referred to those programs.
- Provide Pregnancy Related services to students who are pregnant or parenting.
- Support the Pre-kindergarten program with ½ day teachers to complete the full-day program.
- Provide supplemental support with Wraparound Services, Family and Community Engagement, and the Achieve 180 program.

Budget Information:

Total Full-Time Equivalents (FTES) - \$1,032.49

Campus - Total Dollar Amount - \$84,696,047 District - Total Dollar Amount- \$58,737,659 Grand Total - \$143,433,706

Responsible Staff: District Employees and Campus Principals are responsible for ensuring funds are being spent on supplemental programs and services according to the law.

Houston Independent School District – District Improvement Plan 2019-2020

Department Name: Elementary Curriculum and Development

Data/ Needs Assessment (include your problem statement and root cause based on your data): Elementary Curriculum and Development recognizes gains in grades 3-5 mathematics, grades 3-5 reading, and grade 5 science student achievement; however, much more work needs to be done around early literacy, grades 3–5 reading and writing to increase student achievement and to close the achievement gap.

Department Goal 1: Percent of students reading and writing at or above grade level as measured by the percent of students at the Meets Grade Level standard on STAAR for grades three through English II will increase by three percentage points annually from 37% to 46% between spring 2017 and Spring 2020.

Strategic Priority: 1. Expanding Educational Opportunities 2. Ensuring Student Health, Safety and Well-Being 3. Transforming Academic Outcomes 4. Increasing Organizational Efficiency 5. Houston Independent School District – District Improvement Plan 2019-2020

Department Name: Secondary Curriculum and Development

Data/ Needs Assessment (include your problem statement and root cause based on your data): The Secondary Curriculum and Development department celebrates STAAR gains in the 2018-2019 school year, including gains in student writing scores and gains by all student groups. To ensure that progress is sustained, and all achievement gaps continue to narrow, the department proposes a plan that focuses on the needs of all student groups and continues the prioritization of literacy efforts across all secondary content areas, with a special emphasis for writing across the curriculum.

Problem Statement 1: HISD scores, while improved, still are below the state's in many areas and student groups.

Root Cause 1: Further development and expansion of literacy practices in tier one instruction, across all content areas, are needed to ensure sustainability of a district literacy culture that advances student proficiency.

Department Goal 1: Percent of students reading and writing at or above grade level as measured by the percent of students at the Meets Grade Level standard on STAAR for grades three through English II will increase by three percentage points annually from 37% to 46% between spring 2017 and spring 2020.

Strategic Priority:

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

List the Strategic Priority(ies) this Goal Addresses:

3. Transforming Academic Outcomes

Houston Independent School District – District Improvement Plan 2019-2020

Department Name: Coordinated School Health/ Secondary Curriculum and Development

Data/ Needs Assessment (include your problem statement and root cause based on your data):

Problem Statement:

The coordinated school health initiative has emerged in response to the state of children's health and education. It is an organized set of policies, procedures, and activities designed to protect and promote the health and wellbeing of students and school staff. CSH consists of eight health-related areas covering all aspects of the school health education and services for the benefit and well-being of students in establishing healthy behaviors designed to last their lifetime. HISD will utilize the ASCD Model of Whole School, Whole Community Whole Child, Model a collaborative approach to learning and health. All Texas schools are required by law to implement a coordinated school health program in grades K-8. HISD School Health Advisory Council (SHAC) is requesting for all campuses to have a health and wellness teams.

Root Cause: School and district leadership are not fully aware of the Whole School, Whole Community Whole Child Model in order to implement a Coordinated School Health Program that will focus on the whole child.

- Youth Risk Behavior Survey (YRBS)
- FitnessGram Data
- School Health Profiles (SHP)
- School Health Policies and Programs Study (SHPPS)
- School Health Index (SHI)

Department Goal 1: PK- 12 campuses will implement a Coordinated School Health Program (CSHP) and Wellness Team as mandated by state law.

Strategic Priority: 1. Expanding Educational Opportunities 2. Ensuring Student Health, Safety and Well-Being 3. Transforming Academic Outcomes 4. Increasing Organizational Efficiency 5. Cultivating Team HISD Talent List the Strategic Priority(ies) this Goal Addresses: • Ensuring Student Health, Safety and Well-Being 5. Cultivating Team HISD Talent

Department Name: Interventions Department

Data/ Needs Assessment (include your problem statement and root cause based on your data): The Interventions Office (IO), reporting to the Officer of Special Populations, oversees academic interventions. The IO directly impacts improving student performance through building effective Intervention Assistance Teams (IATs) on campuses that create systems for foundational literacy, math, and behavioral interventions, addressing the needs of dyslexic students, and intervention through summer school programs. Rtl/IAT: Intervention Assistance Teams (IAT) on each campus need access to enhanced training, resources, support, and accountability to build more effective problem-solving teams to oversee academic and behavioral interventions. DYSLEXIA: In order to support the district goal of having HISD children read on grade level, the specific needs of the approximately 3,400 students identified with dyslexia must be properly and legally addressed on 100% of HISD campuses. The IO oversees services to these students once identified. On each campus at least one dyslexia interventionist must be properly trained, provided materials, held accountable for logging service and progress, and given on-going support to ensure their students make progress. Administrators also need training and support in understanding the state Dyslexia Handbook, specific needs of dyslexic students, and creative solutions to serving students within shrinking budgets. With regards to identification of dyslexic students, the IO collaborates with our Special Education team to increase identification of students with dyslexia, currently 1.5% of the HISD school population.

Department Goal 1: Students in grades K-12 performing two or more years below grade level will increase their reading and writing scores by no less than three percentage points by Spring 2020.

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:				
Expanding Educational Opportunities	 Expanding Educational Opportunities

Department Name: Gifted and Talented

Data/ Needs Assessment (include your problem statement and root cause based on your data):

The Gifted and Talented Department will continue to support campuses who have less than 10% of identified Gifted and Talented. In addition, the district will increase Mastery Performance on STAAR of GT Students by 20%.

Department Goal 1:

Increase the number of minority students identified as gifted and talented in grades K-12.

Strategic Priority:

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

List the Strategic Priority(ies) this Goal Addresses:

- 1. Expanding Educational Opportunities
- 2. Transforming Academic Outcomes
- 3. Increasing Organizational Efficiency
- 4. Cultivating Team HISD Talent

Summative Evaluation (Year-End):

Compare the number of minority students identified as G/T in grades K-12 from 2018-19 to 2019-20.

processed.						

Department Goal 2: Support the development of parent advocacy and decision-making skills through parent groups

Strategic Priority:

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

List the Strategic Priority(ies) this Goal Addresses:

- 1. Support the set-up of parent groups in schools
- 2. Host two parent group trainings during the 2019-2020 school year
- 3. Recognized parent groups that become structured to fundraise as a 501(c)3 non-profit organization.

Summative Evaluation (Year-End): Tracking of school campuses with specific parent group(s) – PTA/O, PAC, SDMC, Other

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
By June 26, 2020 FACE will have supported at least 70 campuses on establishing a parent group focused on developing advocacy and decision- making skills.	Develop electronic tools to track the number of school campuses having an established parent group.	9/9/19 – 6/26/20	Title I, Part A Funding for: Salaries, Materials, PTO/PTA kits, Supplies, Flyers.	FACE Specialists. FACE Sr. Manager. Designated Campus Staff.	By Dec. 2019 have a first report on number of campuses with a parent group.			

Department Goal 3: Increase public support and confidence in schools by increasing the number of learning opportunities for HISD families by 5 percent by June 26, 2020. Host 6 community events to connect HISD families with community organizations and corporate partners supporting the district's academic and non-academic needs.

Strategic Priority:

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

List the Strategic Priority(ies) this Goal Addresses:

- 1. Offer a variety of learning opportunities for parents across the district
- 2. Recruit first-time Family Friendly School Campuses
- 3. Host family events offering informational sessions and community resources.

Summative Evaluation (Year-End): Number of Family Friendly School Activities completed across the district.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Increase the number of campuses offering Family Friendly School Activities by 5 percent.	Enroll 5 first-time campuses participatin g in the Family Friendly School Program.	9/9/19 – 6/26/20.	Title I, Part A Funding for: Salaries, Materials, Awards, Supplies, Flyers.	FACE Specialists. FACE Sr. Manager Designated Campus Staff.	By Dec. 2019 have a first report on number of campuses enrolled in the program.			
Offer at least 8 Parent University Sessions across the district.	Provide a variety of information al sessions for parents to learn how to better support	9/9/19 – 6/26/20. non-academic needs							

Department Name: Student Assistance

Data/ Needs Assessment (include your problem statement and root cause based on your data): Many students require programs to address non - academic barriers to attendance and achievement.

Department Goal 1: Improve academic success by providing comprehensive services and/or referrals to 100% of identified homeless, unaccompanied, foster care, residential treatment, students with chronic absenteeism and future graduates by the end of the 2019-2020 school year.

Strategic Priority:

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

List the Strategic Priority(ies) this Goal Addresses:

- Expanding Educational Opportunities
- Transforming Academic Outcomes

Summative Evaluation (Year-End): Academic outcomes will improve for targeted students.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps

DEPARTMENT NAME: Multilingual Programs
Migrant Education Program
Title I, Part C

DESCRIPTION OF PROGRAM

The Title I, Part C—Migrant Education Program (MEP) is a federal-funded program authorized under Sections 1115(b) and (c)(2), and 1309 of the Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) of 2015. The intent and purpose of the Title I, Part C—MEP is to do the following:

- 1. Support high-quality and comprehensive educational programs and services during the school year and, as applicable, during the summer or intersession periods, that address the unique educational needs of migratory children.
- 2. Ensure that migratory children who move among the states are not penalized in any manner by disparities among the states in curriculum, graduation requirements, and challenging state academic standards.
- 3. Ensure that migratory children receive full and appropriate opportunities to meet the same challenging state academic standards that all children are expected to meet.
- 4. Design programs to help migratory children overcome educational disruption, cultural and language barriers, social isolation, various health-related problems, and other factors that inhibit the ability of such children to succeed in school.
- 5. Ensure that migratory children benefit from state and local systemic reforms (ESSA Title I, Part C).

INTENDED PROGRAM BENEFICIARIES

Intended program beneficiaries are migratory children, ages 0 through 21, and their families.

General Program Requirements

- 1. All Migrant Education Program grant recipients must operate and implement the program in accordance with all the Provisions and Assurances of Title I, Part C.
- 2. For each required activity, the LEA is responsible for maintaining written documentation on file at the district level to support the implementation of each activity.
- 3. The LEA is responsible for incorporating all MEP activities, services, plans, and guidelines into a migrant-specific section of the District Improvement Plan (DIP) and updating it on a yearly basis.
- 4. MEP activities shall be used to do the following:
 - To meet the identified and unique educational needs of migratory children that result from their migratory lifestyle, and to permit these children to participate effectively in school; and
 - To address the unique educational needs of migratory children that are not addressed by services available from other federal or nonfederal programs, except that migratory children who are eligible to receive services under Title I, Part A, may receive those services through funds provided under that part.
- 5. In providing services with Title I, Part C, funds, LEAs shall give priority to serving Priority for Service (PFS) migratory children with MEP funds before using migrant funds to address the needs of other migratory children. PFS students are defined as migratory children who have made

a qualifying move within the previous 1-year period and (1) who are failing or most at risk of failing to meet the state's academic standards; or (2) have dropped out of school. [Section 1304(d)]. The Title I, Part C Migrant Coordinator will include a Priority for Service Action Plan as a separate section labeled or identified (e.g., "Migrant PFS Action Plan").

- 6. Migrant student data collection and data entry in the New Generation System (NGS) must be conducted on a year-round basis as outlined in the Texas Manual for New Generation System (NGS) Data Management Requirements.
- 7. Utilize Migrant Student Information Exchange (MSIX) to promote interstate coordination and timely records exchange. Coordinate with the Texas Migrant Interstate (TMIP) Program during the summer months in order to serve students from Texas who may attend out-of-state migrant summer programs.
- 8. Designate and enter into NGS a district summer contact person who will be available throughout the summer months and will have access to migrant student records.
- 9. The identification and recruitment of all eligible migratory children and youth residing in the district must be conducted on a year-round basis and done in accordance with the Texas Manual for the Identification and Recruitment of Migrant Children and must be documented in each district's Identification and Recruitment (ID&R) Plan. Annual residency verification of eligible migrant students must be completed in accordance with the procedures outlined in the aforementioned manual.
- 10. In planning, implementing, and evaluating its MEP activities, the LEA assures that the unique educational needs of migratory children will be identified and addressed. A local migrant-specific needs assessment that meets the requirements of Section 1306 and a plan for delivering all services checked off on the ESSA Consolidated Application must be incorporated into the DIP.
- 11. In planning, implementing, and evaluating its MEP activities, the LEA assures that local and regional data has been used to determine and provide services to migrant children in coordination with other stakeholders.
- 12. The district's MEP will provide for advocacy and outreach activities for migratory children and their families, including coordination to inform such children and their families of other education, health, nutrition, and social services (Migrant Services Coordination). [Section 1304(c)(6)]
- 13. To ensure parental participation in the MEP, the migrant-funded LEA will establish an LEA-wide migrant parent advisory council (PAC) which will be elected by the parents of eligible migrant students, nominated, by volunteering, and which will be composed of a majority of such parents. PAC meetings must be conducted in a format and language that is understandable to migrant parents. To ensure full parent participation, PAC meetings should be held at times convenient for the migrant parents and transportation and childcare should be offered. [Section 1304(c)(3)]
- 14. In planning, implementing, and evaluating the MEP, there has been and will be adequate provision for addressing the unmet needs of preschool migratory children and migratory children who have dropped out of school, as well as the identification and recruitment of such children. [Section 1304(c)(4)]
- 15. Coordinate with available program offering options for credit accrual and recovery to ensure that migrant secondary students are accessing opportunities available to earn needed credits and make up courses lacking due to late entry or early withdrawal.
- 16. Develop and implement a set of procedures that (1) outline a variety of strategies for partial and full credit accrual for migrant students with late entry and early withdrawal; and (2) saved course slots in elective and core subject areas based on district's history of student migration.

- 17. Coordinate and collaborate with sending and receiving districts to ensure continuity of services for migratory children as they move from district to district.
- 18. The district's MEP will provide information regarding family literacy programs.
- 19. The LEA must conduct an evaluation of their Migrant Education Program by June 30th. [Section 1306(A)(1)]

SEVEN AREAS OF CONCERN

- 1. Educational Continuity: Due to the mobility of many migrant students, they often face differences in curriculum, academic standards, homework policies and classroom routines, as well as inconsistent course placement.
- 2. Instructional Time: Family mobility and delays in enrollment procedures may impact attendance patterns and the amount of time migrant students spend engaged in learning.
- 3. School Engagement: Migrant students often face difficulties associated with adjusting to new school settings, making new friends and gaining social acceptance, issues which can be grouped according to (a) behavioral engagement, which relates to opportunities for participation in academic, social or extracurricular activities; (b) emotional engagement, which relates to positive and negative reactions to teachers, classmates, academic materials and school, in general; and (c) cognitive engagement, which relates to investment in learning and may be a response to expectations, relevance and cultural connections.
- 4. English Language Development: Many migrant students have a home language other than English and may face language barriers which impact content area learning. However, in this particular area, it is important to note that providing MEP-funded services to meet needs related to a student's limited English proficiency is rarely appropriate, due to the high risk of supplanting activities more appropriately funded through State Bilingual/ESL, or when appropriate, Title III or other Federal programs.
- 5. Educational Support in the Home: While many migrant parents value education very highly for their children, they may not have the educational resources or knowledge to provide the support expected by school staff.
- 6. Health: Migrant children face higher proportions of dental, nutritional, acute and chronic health problems than non-migrant children and are more likely to be uninsured and have difficulty accessing health care to address health problems which are interfering with a student's ability to succeed in school.
- 7. Access to Services: As a result of language barriers or the mobile family's newcomer status, migrant children and families often face difficulties accessing educational and educationally-related services to which they are entitled.

MIGRANT EDUCATION PROGRAM Activities/Services/Guidelines

- 1. Identify and recruit migrant students and coordinate academic support services with parents, schools and external stakeholders. Supports include:
 - In-school and out-of-school tutoring
 - Identification/coordination of in-district resources and services
 - Migrant data input and monitoring on Chancery, New Generation System (NGS) and Migrant Student Information Exchange (MSIX)
 - Priority for Service (PFS) students receive access to instructional services
 - A Bright Beginning program for ages 3-4 not enrolled in an early childhood program
 - Parent meetings which includes information about promotion/retention standards, credit accrual, college readiness, reading/math strategies, etc.
 - Coordinate efforts with community partners
- 2. Coordinate opportunities for migrant students to accrue or recover course credits through activities that include:
 - Houston Community College (HCC) Adult High School Program (tuition vouchers)
 - Periodic reviews of report cards
 - Dual Credit
 - Assign tutor for instructional support when needed
 - Study Island
- 3. Provide support to schools with middle school and high school migrant students through actions which include:
 - Monitor late entries, withdrawals and leaver codes
 - Phone calls and home visits to inform parents of academic progress and opportunities for grade recovery
- 4. Monitor the academic progress of migrant students and provide and/or coordinate academic support through activities that include:
 - A Bright Beginning program for ages 3-4 not enrolled in an early childhood program
 - In-school and out-of-school tutoring
 - Review report card grades at the end of each grading cycle
 - Identify at risk high school students
 - Meetings with parents and/or teachers to discuss needed interventions
- 5. Determine individual educational needs of early childhood migrant students and coordinate with or provide services to meet the identified needs.
 - A Bright Beginning program for ages 3-4 not enrolled in an early childhood program
 - In-school and out-of-school tutoring

- 6. Provide assistance to middle school migrant students which include:
 - Training of middle school staff to increase their awareness of migrant middle school needs for timely attention and appropriate interventions for academic and non-academic problems or concerns
 - Provide supplemental information to migrant middle school parents
 - Provide migrant students with necessary homework tools, such as, SOAR Study Skills Program to promote effective learning and study skills
- 7. Reduce the number of migrant students retained in first grade by:
 - Provide tutors
 - Web-based tutorial program, Study Island
 - Monitoring of grades
 - Provide at home supplemental instruction when available
- 8. Coordinate out of state summer STAAR testing for migrant students when possible.
 - Coordination with Texas Migrant Interstate Program (TMIP)
- 9. Facilitate use of a variety of strategies for credit accrual for migrant students with late entry and early withdrawal characteristics.
 - Houston Community College (HCC) Adult High School Program (tuition vouchers)
 - Dual Credit
- 10. Provide support to twelfth grade migrant students:
 - Dialogue about progress toward graduation and needs
 - Explain and assist students/parents with TASFA/FAFSA
 - Explain college application process
 - Provide college workshop for parents and students
- 11. Identify migrant students most in need of intervention services and coordinate with Title I and Title III.
- 12. Identify migrant special education students most in need of intervention services and coordinate services based upon needs identified in student's Individual Education Plan (IEP).
- 13. Address the dropout rate and graduation rate for migrant students.
 - Identify at-risk migrant students
 - Utilize qualified, specialized staff to identify, target, and monitor potential dropouts
 - Identify at-risk middle school students and monitor their progress as they move through middle and high school
 - Identify dropout migrant students and provide alternative school settings

- 14. Address the STAAR performance of migrant students
 - Monitor implementation of a web-based tutorial program, Study Island, to address low performance by migrant students in grades 3-8
 - Monitor SOAR Study Skills Program to promote effective learning and study skills

Priority for Service (PFS) Action Plan for Migrant Students

As part of the Every Student Succeeds Act (ESSA), the Priority for Service (PFS) Action Plan is a required program activity for the Migrant Education Program. In providing services with funds received under this part, each recipient of such funds shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or have dropped out of school. [§1304 [20 U.S.C. 6394](d)].

The Priority for Service Report on NGS must be used to determine who to serve first and foremost with MEP funds. Students are identified as PFS if they meet the following criteria:

	Priority for Service Criteria						
Grades 3-12, Ungraded (UG) or Out of School (OS)	 Who have made a qualifying move within the previous 1-year period; <u>AND</u> Have failed one or more of the state assessments (TAKS/STAAR), or were granted a TAKS LEP Postponement, were Absent, Not Tested or were not enrolled in a Texas school during the state assessment testing period for their grade level. 						
Grades K-3	 Who have made a qualifying move within the previous 1-year period; <u>AND</u> Have been designated LEP in the Student Designation section of the New Generation System (NGS) Supplemental Program Component; <u>or</u> For students in grades K-2, who have been retained, or are overage for their current grade level. 						

Priority for Service (PFS) Action Plan School Year: 2019-2020

Goal(s) : To identify and ensure that Priority for Service migrant students				
have the same opportunity to meet the state content and student				
performance standards by providing instructional and support services				
that will ensure student success.				

Objective(s):

100% of PFS students will have access to instructional opportunities and services.

80% of PFS students in grades 3-12 will meet the state academic achievement standard (STAAR).

80% of PFS students in grades K-2 will be promoted to the next grade level. 90% of PFS students will graduate with a high school diploma.

Required Strategies	Timeline	Person(s) Responsible	Documentation
Monitor the progress of MEP students who are on PFS.		·	
 Monthly, run NGS Priority for Service (PFS) reports to identify migrant children and youth who require priority access to MEP services. 	09/2019-08/2020	Irasema Gonzalez, NGS	PFS Monthly Report
Before the first day of school, develop a PFS Action Plan for serving PFS students. The plan must clearly articulate criteria for defining student success, including timelines for achieving stated goals and objectives. Additional Activities.	08/01/2019	Magda Galindo, Manager	Priority for Service Action Plan Document
Additional Activities		h	<u></u>
 At the end of each grading cycle, MEP staff reviews PFS students' report cards and contact parents to inform them of the students' academic progress. 	Each grading cycle	Irasema Gonzalez, NGS Isela Anaya, Recruiter Elizabeth Rodriguez, Recruiter Magda Galindo, Manager	Report cards and phone logs
Communicate the progress and determine needs of PFS migrant	students.		
 During the academic calendar, the Title I, Part C Migrant Manager or MEP staff will provide campus principals and appropriate campus staff information on the Priority for Service criteria and updated NGS Priority for Service 	Ongoing-throughout the school year	Magda Galindo, Manager	Emails, Google form entries/log

•	During the academic calendar, the Title I, Part C Migrant Manager or MEP staff will provide parents of PFS information on the Priority for Service criteria.	Ongoing-throughout the school year	Magda Galindo, Manager Irasema Gonzalez, NGS Isela Anaya, Recruiter Elizabeth Rodriguez, Recruiter	Phone logs
•	During the academic calendar, the district's Title I, Part C Migrant Manager or MEP staff will make individualized home and /or community visits to update parents on the academic progress of their children.	Ongoing-throughout the school year	Magda Galindo, Manager Irasema Gonzalez, NGS Isela Anaya, Recruiter Elizabeth Rodriguez, Recruiter Hourly Lecturers	Documentation Log, Mileage Log, Report Cards, Student Case Files, Parent Notification Letters for PFS Tutoring Services, School- tutor Contracts.
Pro	vide Services to PFS Migrant Students			
•	The district's Title I, Part C Migrant Manager or MEP staff will use the PFS reports to give priority placement to these students in migrant education program activities.	Ongoing-throughout the school year	Magda Galindo, Manager	Phone logs, Robocalls, Flyers, Parent Letters, Emails, Newsletters
•	The district's Title I, Part C Migrant Manager or MEP staff will ensure that PFS students receive priority access to instructional services as well as social workers and community social services/agencies.	Ongoing-throughout the school year	Magda Galindo, Manager Irasema Gonzalez, NGS Isela Anaya, Recruiter Elizabeth Rodriguez, Recruiter Hourly Lecturers	Emails, Phone logs, Flyers, Parent Letters
•	The district's Title I, Part C Migrant Manager or MEP staff will determine what federal, state, or local programs serve PFS students.	Ongoing-throughout the school year	Magda Galindo, Manager	NGS Reports, Student Transcripts, Emails; Phone logs.

Department Name: External Funding - Title I

Data/ Needs Assessment (include your problem statement and root cause based on your data): In 2018-2019, 40 percent of HISD students in grades 3-8 that were first time testers who took the Reading STAAR exam spring administration scored at the Meets Grade Level standard or higher. Although the district showed a one percentage-point improvement, the district did not meet its one-year performance goal of a three percentage-point increase from 2017-2018 to 2018-2019.

Department Goal 1: To provide low-performing students an opportunity to obtain a high-quality education, increase academic achievement and perform proficiently on state academic assessments.

Strate	gic Priority:	List the Strategic Priority(ies) this Goal Addresses:

Department Name: Title II - Leadership Development Department

Data/ Needs Assessment (include your problem statement and root cause based on your data): Based on quantitative and qualitative data, aspiring and current school leaders lack the training and experience to lead historically unserved schools, specifically to lead school improvement efforts aimed at closing the achievement gap. There is a need to increase a number of internal eligible candidates who have the knowledge, skills, and disposition to become school leaders in the District as well as expand ongoing training opportunities and targeted support for Tier II leaders in their current roles. Growing these leaders' instructional leadership capacity in the areas of instructional planning, data-driven decisions, and observation and feedback will improve student outcomes.

Department Goal 1: Increase rigorous learning opportunities for campus leaders aimed at increasing their instructional leadership capacity by 50%.

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:
Expanding Educational Opportunities	Cultivating Team HISD Talent
2. Ensuring Student Health, Safety and Well-Being	Transforming Academic Outcomes
3. Transforming Academic Outcomes	
4. Increasing Organizational Efficiency	
5. Cultivating Team HISD Talent	

Summative Evaluation (Year-End): Customer feedback surveys and evidence of impact.

Department Name: Title IV - Transportation Services

Data/ Needs Assessment (include your problem statement and root cause based on your data): Bus Tracking System/Bus and Terminal Cameras/Professional Development

Department Goal 1: Transportation Services would like a bus tracking system for all students. The tracking system will be able to promote safety and track daily ridership.

Strategic Priority: 1. Expanding Educational Opportunities 2. Ensuring Student Health, Safety and Well-Being 3. Transforming Academic Outcomes 4. Increasing Organizational Efficiency 5. Cultivating Team HISD Talent List the Strategic Priority(ies) this Goal Addresses: #2 Ensuring Student Health, Safety and Well-Being #2 Ensuring Student Health, Safety and Well-Being #3 Ensuring Student Health, Safety and Well-Being #4 Ensuring Student Health, Safety and Well-Being #5 Ensuring Student Health, Safety and Well-Being #6 Ensuring Student Healt

Summative Evaluation (Year-End): By the end of 2019-2020 School Year the Transportation Department should be able to see true numbers and a decline in lost students.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Track Ridership	Give all students a RFID tracking badge card	2019- 2020 School Year	\$50,000.00	John Wilcots	Run monthly reports by route checking ridership and badge swipes			

Department Goal 2: Bus Video Cameras/Terminal Center Cameras

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:
 Expanding Educational Opportunities 	#2 Ensuring Student Health, Safety and Well-Being
2. Ensuring Student Health, Safety and Well-Being	
3. Transforming Academic Outcomes	
4. Increasing Organizational Efficiency	
5. Cultivating Team HISD Talent	

Summative Evaluation (Year-End): By school year end video cameras would be installed. Terminal Operation Centers will have updated camera systems to promote safety and track violators on properties.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Ensure safety of students and be able to have driver retraining with video footage	To install and updated current video systems with fleet and terminal facilities	2019-2020 School Year	\$200,000.00	John Wilcots	Every 60 days we will audit of video footage on facilities and buses			

Department Goal 3: Professional Development

Strategic Priori	ty:	List the Strategic Priority(ies) this Goal Addresses:
1.	Expanding Educational Opportunities	#5 Cultivating Team HISD Talent
2.	Ensuring Student Health, Safety and Well-Being	
3.	Transforming Academic Outcomes	
4.	Increasing Organizational Efficiency	
5.	Cultivating Team HISD Talent	
Summative Eva	lluation (Year-End): Going to send transportation personnel to the	following courses: CPR Training/CPI Training/TAPT Certification/First
Responder Trai	ning/Accident Investigation Training	

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
Personnel will be certified in areas that promote student and bus driver safety	Systematic approach to certifying transportation personnel within the school year	2019-2020 School Year	\$100,00.00	John Wilcots	Create database to track personnel certifications and trainings			

Department Name: Office of Special Education Services (OSES)

Data/ Needs Assessment (include your problem statement and root cause based on your data):

The OSES celebrates STAAR gains in the 2018-2019 school year with slight increases in student achievement. However, increases in the achievement gap between general education students and students with disabilities necessitate a focused plan that addresses the needs of all student groups and continues the prioritization of literacy efforts for all teachers, both Special Education and General Education.

Problem Statement: STAAR EOC passing rate for students with disabilities in English I is 6% "Approaches, 8% "Meets," and 0% "Masters". STAAR 3-8 passing rate for Reading (English and Spanish) is 36% "Meets," and Writing 31% "Meets".

Root Cause: Failure to implement specially designed instruction for students with disabilities.

Department Goal 1: Ensure that students with disabilities receive high-quality core instruction, specially designed instruction, and intervention, in accordance with state and federal laws.

Strategic Priority:

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

List the Strategic Priority(ies) this Goal Addresses:

- 1. Expanding Educational Opportunities
- 3. Transforming Academic Outcomes

Summative Evaluation (Year-End): STAAR, STAAR Alt. 2, IEP Goal Progress Monitoring, PBMAS/Results Driven Accountability Outcomes

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps

Department Name: Innovation & Postsecondary Programming

Data/ Needs Assessment (include your problem statement and root cause based on your data):

The district provides direct support to campuses to offer postsecondary programs, which include: Advanced Placement, International Baccalaureate, Dual Enrollment, and Dual Credit. The district centrally supports campuses by providing professional/teacher development, Advanced Placement exams, IB exams, TSIA exams, and Dual Credit textbooks at no cost to campuses, students, and families. There are opportunities for students to leverage these postsecondary programming options to earn college credit while in high school. To increase student success, there is a need to provide more direct teacher training and support, vertical alignment between middle school and high school postsecondary opportunities, family and stakeholder awareness of postsecondary programming opportunities, and to strategically use data to inform personalized graduation plans and postsecondary program offerings across the district.

Department Goal 1: Improve student success in postsecondary programs across Houston Independent School District.

Strategic Priority: 1. Expanding Educational Opportunities 2. Ensuring Student Health, Safety and Well-Being 3. Transforming Academic Outcomes 4. Increasing Organizational Efficiency 5. Cultivating Team HISD Talent List the Strategic Priority(ies) this Goal Addresses: 1. Expanding Educational Opportunities 2. Transforming Academic Outcomes 3. Transforming Academic Outcomes 4. Department Name: College Readiness

Data/ Needs Assessment (include your problem statement and root cause based on your data):

The College Readiness Department relies on a variety of external systems for its data analysis needs. The below data supports the strategies we have included in our plan to increase student achievement, specifically in the number of students demonstrating college readiness, enrolling in postsecondary education, and receiving financial aid and scholarship offers.

College Applications, Submissions and College Enrollment

- The persistence rate (i.e., the percentage of students who enroll in college and return for a second year) for HISD graduates in the Class of 2016 was 83 percent—a higher rate than other low-income, high minority, urban schools across the nation.
- Fifty-five percent of seniors who graduated in 2018 enrolled in college during the next school year (33% to 4-year and 22% to 2-year institutions).
- For the Class of 2019, 81% of seniors applied to college (54% to a 4 year-program and 49% to 2 year-program).
- College and Career Readiness Advisors advised 56% of 2018 seniors. Of these, 89% applied to a college (63% to a 4-year program and 59% to a 2-year program). This year there was a further increased focus on advising students who are less likely to enroll in college.
- More HISD graduates enrolled in postsecondary institutions in the year after high school in the Class of 2018 (6,076) than the Class of 2017 (5.930). However, the rate of enrollment has dropped slightly. HISD graduates enrolled in postsecondary institutions at 55% in 2018 and 56% in 2017. The drop in enrollment percentage correlates to an increase in the graduating class from 10,561 in 2017 to 11,025 in 2018.
- Compared to the Class of 2015 (before the district advising initiative), 17 HISD high schools had increases in college enrollment and 20 high schools improved the enrollment rate to four-year colleges and universities.
- 462 SPED seniors were advised by a College Success Advisor. Of those, 304 applied to college and 251 submitted a FAFSA.

Scholarship and Financial Aid Offers and FAFSA/TASFA Completion

- Total increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$191,901,269. A 72% increase.
- African Americans increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$34,970,164. A 41% increase.
- Hispanic increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$113,433,661. A 108% increase.
- Asian increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$16,206,616. A 61% increase.
- White increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$25,725,803. A 63% increase.
- Other increase from 2015 to 2019 for number of recorded scholarship and financial aid dollars was \$1,565,025. A 22% increase.

FAFSA/TASFA completion increased from 50% in 2016 to 63% for 2019.

Students who were advised by the College Readiness team completed their FAFSA/TASFA at a 77% rate (63% for all seniors in the district).

Department Goal 1: Leverage technology and summer bridge programs to increase the number of HISD graduate who enroll in and persist once in college.

Strategic Priority:

- 1. Expanding Educational Opportunities
- 2. Ensuring Student Health, Safety and Well-Being
- 3. Transforming Academic Outcomes
- 4. Increasing Organizational Efficiency
- 5. Cultivating Team HISD Talent

List the Strategic Priority(ies) this Goal Addresses:

- Increasing Organizational Efficiency
- Expanding Educational Opportunities

Summative Evaluation (Year-End): Run weekly, monthly, and semester reports on usage; sign in sheets for trainings; monitor attendance in summer bridge program and track enrollment in fall.

			,				raised FAFSA rates

			TASFA/FAFSA				from around 54% in 2014 to 62% for 2018. These represent significant gains, equating to hundreds of more students completing their FAFSA each year. From 2017 to 2018, over 400 more students submitted a FAFSA.
were advised by a college and career readiness advisor will increase their completed FAFSA/TASFA rate by 3 percentage point increase, from 77% to 80%	Weekly FAFSA/TASFA completion reports will be reviewed by the department and shared with campus and district leadership. Action plans will be developed for struggling campuses and sub- populations.	HISD will host the DREAM summit for HISD internationa I students in December.	CoPilot is a tracking platform used by campus staff campus to track FAFSA completion at the student level. Counselors can filter to specific student groups and send out targeted communicati ons via a texting	Director, Senior Manager, Managers, and Advisors.	Weekly reports run from the CoPilot Platform will be used to measure efficacy of improvement strategies.		

Department Name: Career and Technical Education

Data/ Needs Assessment (include your problem statement and root cause based on your data): The Career and Technical Education department primarily works with educators who have come directly from industry and thus need pedogeological supports to effectively deliver instruction in the classroom.

Department Goal 1: The CTE department will provide individualized instruction for new and experienced teachers on pedagogy and best instructional practices based on class room observations and campus requests by May 2020 to address academic and workforce skill development instudents in at least 5 high need campuses.

Strategic Priority:	List the Strategic Priority(ies) this Goal Addresses:				
Expanding Educational Opportunities	 Expanding Educational Opportunities 				
2. Ensuring Student Health, Safety and Well-Being	2. Transforming Academic Outcomes				
3. Transforming Academic Outcomes	Cultivating Team HISD Talent				
4. Increasing Organizational Efficiency					
5. Cultivating Team HISD Talent					

Summative Evaluation (Year-End): The Career and Technical Education department will collect data via survey from instructors and administrators regarding services received and its impact on instruction.

Measurable Performance Objectives	Strategy	Timeline	Resources Including Funding Sources and Dollar Amounts	Title of Person(s) Responsible	Formative Evaluation	Check Point: Results (Outcomes/ Data)	Progress: 1. No Progress 2. Some Progress 3. Significant Progress 4. On Track to Meet Goal	Next Steps
