

## BD: WAGE RATE SCHEDULE

Pursuant to Paragraph 13.10 of the AIA Document A201™ - 2007 General Conditions of the Contract, as modified by Owner, the building construction wage rates listed in this section have been ascertained and determined by the Owner as the general prevailing wage rates in the locality of the Project for the classifications listed, and as such, represent **minimum** rates for each craft or type of worker or mechanic needed to execute the Contract.

***"This determination of prevailing wages shall not be construed to prohibit the payment of more than the rates named."***
