

## REQUEST FOR PROPOSALS

### RFP # 13-03-05 RFP / Food Services – Snack Vending Machines & Service

The Houston Independent School District (“HISD” and/or the “District”) is soliciting proposals from qualified suppliers to provide a consistent level of vending services for snacks at reasonable prices to HISD students, staff, and faculty or other vending services that may be determined at a future date. The purpose of this RFP is to select one or more suppliers to furnish vending machine services for snack products to District schools, offices, and departments. The selected supplier(s) will furnish full service vending by providing the equipment, product, and services required for a complete vending machine operation. In consideration of allowing the awarded supplier(s) access to HISD's schools, offices and department's, the awarded supplier(s) agree to pay a commission percentage of the gross sales to HISD's schools and departments. The awarded supplier will provide snack-type food products of high quality, leading brands that meet the HealthierUS School Challenge (HUSC) and those offering the highest gross commissions or other vending services that may be determined at a later date. All packaged items must meet HUSC Gold Award of Distinction Standards when located in schools. The HUSC guidelines can be found at: [http://teamnutrition.usda.gov/HealthierUS/2012criteria\\_chart.html](http://teamnutrition.usda.gov/HealthierUS/2012criteria_chart.html) HISD will provide school, office, or departmental representatives for scheduling and communication interface, but will not be involved in the operation, restocking, collection, or servicing of the vending equipment.

All awarded supplier(s) shall comply with all city, country, state, or federal regulations and laws pertaining to the vending service operation. Included also is the Texas Public School Nutrition Policy, the federally funded including, but not limited to the District Wellness Policy. National School Lunch/Breakfast/After School Snack Program and HISD's local policy.

On August 1, 2004, the Texas Department of Agriculture (TDA) issued the Texas Public School Nutrition Policy (TPSNP) to promote a healthier environment in schools. It mandated that all Texas public schools participating in the federal child nutrition programs (National School Lunch Program, School Breakfast Program and the After School Snack Program) much comply with the policy. All awarded suppliers will comply with whatever current policy is required, and any changes implemented in the future.

Any questions or concerns regarding the Texas Public School Nutrition Policy may be directed to:

# RFP #13-03-05 RFP / Food Services – Snack Vending Machines & Services

## I. INSTRUCTIONS, SUBMISSION REQUIREMENTS AND PROCEDURES

**1.1 GENERAL INFORMATION:** The following instructions by the District are intended to afford Proposer(s) an equal opportunity to participate in the proposal process and provide a predetermined set of criteria representing the District's business and service requirements. This proposal is governed by Texas Education Code (TEC), other applicable Texas state statutes, and all local Board of Education (Board) policies.

**1.1.1 CODE OF SILENCE AND CONFLICTS OF INTEREST:** The Board of Education (Board) has adopted a "Code of Silence" policy (ref. [Board Policy CAA \(Local\)](#)) and a "Conflict of Interest Disclosures" policy (ref. [Board Policy BBFA \(Local\)](#)) to enforce its commitment to ethical contracting standards and improve accountability and public confidence. It is important to avoid both the appearance of conflicts and actual conflicts of interest.

1.1.2 The Code of Silence" shall mean a prohibition on any communication regarding any RFP, bid, or other competitive solicitation between:

1. Any person who seeks an award from the District or its affiliated entities (including, but not limited to, the HISD Foundation and the HISD Public Facility Corporation), including a potential vendor or vendor's representative, and
2. Board members, the Superintendent of Schools, senior staff members, principals, department heads, directors, managers, or other District representatives who have influence in the evaluation or selection process.

The "Code of Silence" time period shall begin when the Request for Proposal (RFP) is issued and ends upon the execution of the contract. During the "Code of Silence", campaign contributions, gifts, donations, loans, and any other items of value are prohibited between these parties, including candidates who have filed for election to the Board.

The "Conflicts of Interest Disclosures" requires a Board member to disclose and recuse himself or herself from voting on any contract, agreement, or any other District transaction involving an entity or related officer and/or key employee who has provided campaign contributions during the preceding 12 month period in excess of \$500.

Board Policy CCA (Local) pertaining to the "Code of Silence" and Board Policy BBFA (Local) pertaining to "Conflicts of Interest Disclosures" are attached by URL link above and incorporated by reference. Please review the policies carefully and ensure that the policies are followed in all respects. Proposer(s) agree and understand that non-compliance with the "Code of Silence" policy may result in disqualification. Furthermore, the failure of a Board member to disclose a conflict of interest may result in the debarment of a vendor for 24 months.

1.1.3 By submitting a proposal, the Proposer agrees to provide the goods/services in full accordance with the specifications and other contract documents notwithstanding existing material and labor markets conditions.

1.1.4 The designated project manager during the proposal process shall be **Beth Rutherford** ("Project Manager"), Procurement Services, 4400 West 18<sup>th</sup> Street, Houston, Texas 77092, phone **713-556-6544** or, [brutherf@houstonisd.org](mailto:brutherf@houstonisd.org).

1.1.5 Questions concerning the RFP will be answered only if sent to the Procurement Services Department, in writing via email Project Manager's e-mail address [brutherf@houstonisd.org](mailto:brutherf@houstonisd.org), on or before 3:00 P.M. Central Time April 24, 2013. Responses to written questions submitted prior to the pre-proposal conference will be read at the pre-proposal conference and included in the first addendum along with additional information including questions from the pre-proposal conference. Additional questions submitted in writing to the Project Manager that

## **RFP #13-03-05 RFP / Food Services – Snack Vending Machines & Services**

come after the pre-proposal conference, up to and prior to the deadline, will be in another addendum with other written questions that are submitted to the Project Manager. All addenda will be posted on the HISD procurement website. The District reserves the right to respond to any question as determined by the District.

The Board of Education has approved a resolution establishing policy requiring Supplier(s) to have paid all assessed taxes and be free of any indebtedness to the District before a project is awarded.

Proposer(s) shall provide the District with a statement concerning any indebtedness, including personal and real property taxes, when submitting responses.

1.1.6 In an effort to encourage minority and women owned businesses to participate in HISD business and submit proposals based upon their capacity to perform and be successful, this project may be awarded to more than one Proposer if it is in the best interest of the District to do so. Interested Proposer(s) should obtain additional information concerning the District's location of schools and offices and consider submitting their proposal for any one or more schools and/or departments, or the entire District.

1.1.7 All costs related to the preparation and submission of this proposal shall be paid by the Proposer. Issuance of this RFP does not commit HISD, in any way, to pay any costs in the preparation and submission of the proposal. Nor does the issuance of the RFP obligate HISD to award, enter into an agreement, or purchase any goods and services stated in the RFP.

### **1.2 DEFINITIONS AND TERMS:** In this RFP, terms are used as follows:

1.5.1 All prices shall be typewritten. All required signatures shall be original and in ink.

1.5.2 Proposed prices should be firm (fixed). If the Proposer(s), however, believes it necessary to include in his/her price an economic price adjustment, such a proposal may be considered, but only as an alternate proposal and should be noted in the Exception Form (FORM E). The economic price adjustment should give the maximum price increase or decrease (either % or \$) and the date and/or event at which the increase would be effective. Additionally, if a Proposer has reason to believe a better (more cost effective) method is practical, then the Proposer may offer that better pricing option as an alternative.

1.5.3 All costs associated with the project must be enumerated in the proposal. Any costs associated with the project not explicitly enumerated and discussed in the proposal will not be honored. Proposer(s) shall provide information on their standard fee arrangement for any goods and/or services proposed, and any discounts offered. No C.O.D. shipments will be accepted. If the goods are not shipped in accordance with HISD’s directions and the instructions set out in the Agreement, the Supplier shall pay to HISD any excess cost incurred by District.

1.5.5 Proposer(s) are required to provide HISD with a menu of any optional services offered. Each service must be priced separately and independent of any other services offered or rendered.

1.5.6 HISD is exempt from and will not be responsible for payment of any taxes.

1.5.7 Failure to manually sign the required forms of this proposal may result in rejection of the proposal.

1.5.8 A signed submitted proposal constitutes an offer to perform the work and/or deliver the product(s) specified in this RFP.

**1.6 FINANCIAL INFORMATION:** Proposer(s) may be required to submit a current audited financial statement. The Project Manager will determine the necessity of financial information. In the event the Proposer(s) does not have an audited statement, other information such as an unaudited statement or copies of the Proposer(s)’ federal income tax returns, with all amendments, may be required.

**1.7 DISCUSSIONS / NEGOTIATIONS:** Discussions/negotiations may be conducted with Proposer(s) who are deemed to be within the final competitive range; however, HISD reserves the right to award a contract without

## RFP #13-03-05 RFP / Food Services – Snack Vending Machines & Services

discussions/negotiations. The competitive range will be determined by HISD and will include only those initial proposals that HISD determines have a reasonable chance of being awarded a contract. If discussions/negotiations are conducted, Proposer(s) may be required to submit a best and final offer. The best and final offer may be required as early as 24 hours after completion of negotiations/discussions.

**1.8 BEST AND FINAL OFFERS:** Best and final offers must be received by the date/time provided during discussions/negotiations, or the originally submitted proposal will be used for further evaluation and award recommendation.

**1.9 MODIFICATION OR WITHDRAWAL OF PROPOSALS:** Proposals may be modified or withdrawn by written or electronic notice received by the Project Manager prior to the exact hour and date specified for receipt of proposals. A proposal may also be withdrawn in person by a Proposer's authorized representative prior to the Proposal Due Date and time, provided the Proposer's identity is confirmed and Proposer's representative signs a receipt for the proposal.

**1.10 OPENING PROPOSALS:** All proposals may be opened as soon as received. A formal public "opening" will not be held. Trade secrets and confidential information contained in proposals shall not generally be open for public inspection, but HISD's records are subject to the State of Texas Public Information Act requirements.

## **II. GENERAL TERMS AND CONDITIONS**

The following terms and conditions are incorporated into this RFP and incorporated into any letter agreement or formal written agreement between HISD and the successful Proposer(s).

### **2.1 AGREEMENT, INTEGRATION, TERM & TRANSITION, PURCHASE ORDER REQUIREMENTS:**

2.1.1 The terms, conditions, specifications, stipulations and requirements stated in this RFP, and any and all Addenda issued by HISD shall become part of the Agreement entered into between the District and the Supplier, unless otherwise determined by the District per the Agreement provisions. The Supplier, as determined by the District, may be required to execute a written contract to furnish all goods and/or services and other deliverables required for successful completion of the proposed project. **No Supplier shall obtain any interest or rights in any award until the District has executed the Agreement.** The District reserves the right to require any modification, or modifications to the Agreement terms if the modifications are deemed to be in the best interest of the District and do not substantially change the scope of the Board award.

2.1.2 The District does not sign Supplier contract forms. Supplier(s) should be familiar with the District's Agreement form, Agreement letter and/or purchase order and indicate in its proposal that this type of project documentation is acceptable. This information should be included in the transmittal letter. In the event that a project is awarded to a Supplier and the Supplier requests changes to the District standard Agreement form, the District reserves the right to cancel the award and re-award the project to an alternate Supplier(s).

## **RFP #13-03-05 RFP / Food Services – Snack Vending Machines & Services**

2.1.3 In the event of a license agreement or other contract document requested by the Supplier for execution, the District reserves the right to review and amend such document at the District's discretion.

2.1.4 The Request for Proposals, with all Addenda, those provisions in the proposal that are satisfactory to the District, and the District's Agreement form(s), which may include, but are not limited to a written contract, agreement letter or purchase order constitute the Agreement between the Supplier and the District (collectively, the, "Agreement"). NOTWITHSTANDING ANYTHING TO THE CONTRARY IN ANY SUPPLIER FORM, PROPOSAL OR DOCUMENTATION, THE TERMS AND CONDITIONS OF THE AGREEMENT AS INTEGRATED ABOVE SHALL BE CONTROLLING IN ALL INSTANCES. To the extent there is any conflict between or among the documents composing the Agreement, the following hierarchy (from most to least authoritative) shall prevail: (i) District's Agreement forms (written contract, agreement letter or purchase order as applicable), and (ii) RFP as provided by the District all Addenda, and (iii) any Proposal provisions agreed to by the District.

2.1.5 Unless otherwise provided or required by the District, a standard agreement which results from this RFP shall be for a period of one year from the effective date of the Agreement with an exclusive option by the District to renew on an annual basis thereafter for two additional one-year terms, or as otherwise stated in the Agreement. Alternately, the District may approve longer or shorter terms of agreement upon the mutual consent of the parties. At the District's option, there may be an additional 90-day transitional period added to the end of the initial term or any renewal term. The Agreement prices, terms and conditions are to remain in force during the transitional period. Should the Agreement with the Supplier terminate during the initial or any renewal term for any reason, the District reserves the right to have the same transitional period, prices, terms and conditions as if the Agreement terminated at the expiration of that term.

2.1.6 At the discretion of the District, purchases may require the issuance of an official HISD purchase order from the District's Procurement Services Department. If so required, then all goods provided without a purchase order will be returned at Supplier's expense. All services provided without a purchase order may be considered a contribution to the District.

### IV. PRICING SHEETS INCLUDING ELECTRONIC SUBMITTAL REQUIREMENTS.

#### **4.1 PRICING SUBMITTAL TECHNICAL REQUIREMENTS:**

The District uses SAP Supplier Relationship management (SRM) for schools and departments to procure goods. If applicable, attached to this section is an Excel spreadsheet (Price Schedule), also referred to as the "electronic catalog," that is required for SAP and this project. The following items should be observed:

- 4.1.1 A printed hard copy of the electronic catalog should be included with each proposal (see Form F):
  - a. If your proposal is based on line-item pricing, you are required to submit three printed copies of the electronic catalog, unless specified differently in the proposal.
  - b. If your proposal is based on catalog discount, you are required to submit one printed copy of the electronic catalog, unless specified differently in the proposal. **N/A**
- 4.1.2 Proposer(s) must submit information for Form F (price schedule) in both printed and electronic form; handwritten proposals will not be accepted. Proposers must include a USB flash drive, CD or DVD, properly labeled with company's name and project number, that contains the requested electronic catalog in item 4.1.1 (electronic media supplied will not be returned and becomes property of the District).
- 4.1.3 The electronic catalog submitted on USB flash drive, CD or DVD must be in Microsoft Excel (.xls or .xlsx) format.
- 4.1.4 The Excel spreadsheet shall contain a "List Price" column which must be completed. **N/A**
- 4.1.5 Proposers are to prepare their offering with the most cost effective pack size in addition to the required unit of measure. This is to be included in the "Unit of Measure" column in the electronic catalog. **N/A**
- 4.1.6 If Proposer is offering multiple options, please insert a separate line directly under the first one and add the same line item number.
- 4.1.7 The District's preference is to have the top number of items that are currently being utilized within the scope of the proposal. However, the electronic catalog should not exceed 2,000 rows. The spirit of this requirement is to have a manageable number of items that the District currently uses in the SAP system, yet makes up the majority of the District purchases.

**2. Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)** - In the event that the fees payable to Vendor under the Agreement exceed \$100,000, vendor shall file the certification required under 31 U.S.C. § 1352. Each tier shall certify to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures shall be forwarded from tier to tier up to the vendor.

**5. Debarment and Suspension (E.O.s 12549 and 12689)** – Vendor certifies that it and its principal employees are not listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension."
