I. INSTRUCTIONS, SUBMISSION REQUIREMENTS AND PROCEDURES

1.1 GENERAL INFORMATION: The following instructions by the District are intended to afford Proposer(s) an equal opportunity to participate in the proposal process and provide a predetermined set of criteria representing the District's business and service requirements. This proposal is governed by Texas Education Code (TEC), other applicable Texas state statutes, and all local Board of Education (Board) policies.

1.1.1 CODE OF SILENCE AND CONFLICTS OF INTEREST: The Board of Education (Board) has adopted a "Code of Silence" policy (ref. [Board Policy CAA \(Local\)](#)) and a "Conflict of Interest Disclosures" policy (ref. [Board Policy BBFA \(Local\)](#)) to enforce its commitment to ethical contracting standards and improve accountability and public confidence. It is important to avoid both the appearance of conflicts and actual conflicts of interest.

1.1.2 The "Code of Silence" shall mean a prohibition on any communication regarding any RFP, bid, or other competitive solicitation between:

1. Any person who seeks an award from the District or its affiliated entities (including, but not limited to, the HISD Foundation and the HISD Public Facility Corporation), including a potential vendor or vendor's representative, and
2. Board members, the Superintendent of Schools, senior staff members, principals, department heads, directors, managers, or other District representatives who have influence in the evaluation or selection process.

The "Code of Silence" time period shall begin when the Request for Proposal (RFP) is issued and ends upon the execution of the contract. During the "Code of Silence", campaign contributions, gifts, donations, loans, and any other items of value are prohibited between these parties, including candidates who have filed for election to the Board.

The "Conflicts of Interest Disclosures" requires a Board member to disclose and recuse himself or herself from voting on any contract, agreement, or any other District transaction involving an entity or related officer and/or key employee who has provided campaign contributions during the preceding 12 month period in excess of \$500.

Board Policy CAA (Local) pertaining to the "Code of Silence" and Board Policy BBFA (Local) pertaining to "Conflicts of Interest Disclosures" are attached by URL link above and incorporated by reference. Please review the policies carefully and ensure that the policies are followed in all respects. Proposer(s) agree and understand that non-compliance with the "Code of Silence" policy may result in disqualification. Furthermore, the failure of a Board member to disclose a conflict of interest may result in the debarment of a vendor for 24 months.

1.1.3 By submitting a proposal, the Proposer agrees to provide the goods/services in full accordance with the specifications and other contract documents notwithstanding existing material and labor markets conditions.

1.1.4 The designated project manager during the proposal process shall be **Demetria Thomas**, Procurement Services, 4400 West 18th Street, Houston, Texas 77092, phone 713-556-6533, or dthoma30@houstonisd.org. All communications pertaining to the RFP shall be addressed in writing to the Project Manager, as indicated in the next paragraph.

1.1.5 Questions concerning the RFP will be answered only if sent to the Procurement Services Department, in writing via email to dthoma30@houstonisd.org, on or before 10:00 AM Central Time January 5, 2015. Responses to written questions submitted prior to the pre-proposal conference will be read at the pre-proposal conference and included in the first addendum along with additional information including questions and responses

RFP # 14-11-10

NAME: Plumbing Supplies & Materials; Drinking Fountains - Parts & Repair Services

from the pre-proposal conference. All questions submitted in writing to the Project Manager prior to the deadline will be answered in the form of addenda. All addenda will be posted on the HISD Procurement website.

The Board of Education has approved a resolution establishing policy requiring Supplier(s) to have paid all assessed taxes and be free of any indebtedness to the District before a project is awarded.

Proposer(s) shall provide the District with a statement concerning any indebtedness, including personal and real property taxes, when submitting responses.

1.1.6 In an effort to encourage minority and women owned businesses to participate in HISD business and submit proposals based upon their capacity to perform and be successful, this project may be awarded to more than one Proposer if it is in the best interest of the District to do so. Interested Proposer(s) should obtain additional information concerning the District's location of schools and offices and consider submitting their proposal for any one or more schools and/or departments, or the entire District.

1.1.7 All costs related to the preparation and submission of this proposal shall be paid by the Proposer. Issuance of this RFP does not commit HISD, in any way, to pay any costs in the preparation and submission of the proposal. Nor does the issuance of the RFP obligate HISD to award, enter into an agreement, or purchase any goods and services stated in the RFP.

1.2 DEFINITIONS AND TERMS: In this RFP, terms are used as follows:

1.5 SUBMISSION OF PROPOSALS: The Proposer(s) should propose his/her lowest and best price, (as applicable), on each good/service which is the subject of this RFP. Proposals shall be submitted in strict compliance with the instructions set out in this RFP.

1.5.1 All prices shall be entered on the proposal in ink or typewritten. All required signatures shall be original and in ink.

1.5.2 Proposed prices should be firm (fixed). If the Proposer(s), however, believes it necessary to include in his/her price an economic price adjustment, such a proposal may be considered, but only as an alternate proposal and should be noted in the Exception Form (FORM E). The economic price adjustment should give the maximum price increase or decrease (either % or \$) and the date and/or event at which the increase would be effective. Additionally, if a Proposer has reason to believe a better (more cost effective) method is practical, then the Proposer may offer that better pricing option as an alternative.

1.5.3 All costs associated with the project must be enumerated in the proposal. Any costs associated with the project not explicitly enumerated and discussed in the proposal will not be honored. Proposer(s) shall provide information on their standard fee arrangement for any goods and/or services proposed, and any discounts offered. Proposer(s) must include in the cost proposal all travel and accommodation expenses associated with travel to perform this project. Travel expenses associated with the project must conform to a "reasonableness" test for travel expenditures associated with governmental travel and must be pre-approved by the District before being incurred.

1.5.4 The District's standard freight terms are F.O.B., destination, prepaid and allowed. HISD may specify various and different locations within the District for "destination" during the term of the Agreement, or extension of the term, and prices should include allowances for such freight contingencies. No C.O.D. shipments will be accepted. If the goods are not shipped in accordance with HISD's directions and the instructions set out in the Agreement, the Supplier shall pay to HISD any excess cost incurred by District.

1.5.5 Proposer(s) are required to provide HISD with a menu of any optional services offered. Each service must be priced separately and independent of any other services offered or rendered.

1.5.6 HISD is exempt from and will not be responsible for payment of any taxes.

1.5.7 Failure to manually sign the required forms of this proposal may result in rejection of the proposal.

1.5.8 A signed submitted proposal constitutes an offer to perform the work and/or deliver the product(s) specified in this RFP.

1.6 FINANCIAL INFORMATION: Proposer(s) may be required to submit a current audited financial statement. The Project Manager will determine the necessity of financial information. In the event the Proposer(s) does not have an audited statement, other information such as an unaudited statement or copies of the Proposer(s)' federal income tax returns, with all amendments, may be required.

1.7 DISCUSSIONS / NEGOTIATIONS: Discussions/negotiations may be conducted with Proposer(s) who are deemed to be within the final competitive range; however, HISD reserves the right to award a contract without

RFP # 14-11-10

NAME: Plumbing Supplies & Materials; Drinking Fountains - Parts & Repair Services

discussions/negotiations. The competitive range will be determined by HISD and will include only those initial proposals that HISD determines have a reasonable chance of being awarded a contract. If discussions/negotiations are conducted, Proposer(s) may be required to submit a best and final offer. The best and final offer may be required as early as 24 hours after completion of negotiations/discussions.

1.8 BEST AND FINAL OFFERS: Best and final offers must be received by the date/time provided during discussions/negotiations, or the originally submitted proposal will be used for further evaluation and award recommendation.

1.9 MODIFICATION OR WITHDRAWAL OF PROPOSALS: Proposals may be modified or withdrawn by written or electronic notice received by the Project Manager prior to the exact hour and date specified for receipt of proposals. A proposal may also be withdrawn in person by a Proposer's authorized representative prior to the Proposal Due Date and time, provided the Proposer's identity is confirmed and Proposer's representative signs a receipt for the proposal.

1.10 OPENING PROPOSALS: All proposals may be opened as soon as received. A formal public "opening" will not be held. Trade secrets and confidential information contained in proposals shall not generally be open for public inspection, but HISD's records are subject to the State of Texas Public Information Act requirements.

1.11 SCHEDULE: The following schedule and timelines apply to this RFP.

Additionally, the District reserves the right to waive any requirements of the RFP. The District further reserves the right to reject all proposals and seek new proposals when such action would be deemed in the best interests of the District.

1.14 APPEAL PROCESS: Any Proposer(s) that submitted a proposal may appeal the District's award, if the appeal is based on deviations from laws, rules, regulations, or Board of Education policies. Board of Education GF Local applies to Proposer(s) wishing to appeal a proposal and/or award of a contract: Proposer(s) shall submit appeals via U.S. mail or electronic-mail (e-mail), utilizing the District Dispute Resolution Form, to the General Manager – Procurement Services, and appeals must be received no later than 4:00 P.M. on or before the fifteenth (15th) business day after Board Award. II. GENERAL TERMS AND CONDITIONS

The following terms and conditions are incorporated into this RFP and incorporated into any letter agreement or formal written agreement between HISD and the successful Proposer(s).

2.1 AGREEMENT, INTEGRATION, TERM & TRANSITION, PURCHASE ORDER REQUIREMENTS:

2.1.1 The terms, conditions, specifications, stipulations and requirements stated in this RFP, and any and all Addenda issued by HISD shall become part of the Agreement entered into between the District and the Supplier, unless otherwise determined by the District per the Agreement provisions. The Supplier, as determined by the District, may be required to execute a written contract to furnish all goods and/or services and other deliverables required for successful completion of the proposed project. **No Supplier shall obtain any interest or rights in any award until the District has executed the Agreement.** The District reserves the right to require any modification, or modifications to the Agreement terms if the modifications are deemed to be in the best interest of the District and do not substantially change the scope of the Board award.

2.1.2 The District does not sign Supplier contract forms. Supplier(s) should be familiar with the District's Agreement form, Agreement letter and/or purchase order and indicate in its proposal that this type of project documentation is acceptable. This information should be included in the transmittal letter. In the event that a project is awarded to a Supplier and the Supplier requests changes to the District standard Agreement form, the District reserves the right to cancel the award and re-award the project to an alternate Supplier(s).

2.1.3 In the event of a license agreement or other contract document requested by the Supplier for execution, the District reserves the right to review and amend such document at the District's discretion.

2.1.4 The Request for Proposals, with all Addenda, those provisions in the proposal that are satisfactory to the District, and the District's Agreement form(s), which may include, but are not limited to a written contract, agreement letter or purchase order constitute the Agreement between the Supplier and the District (collectively, the, "Agreement"). NOTWITHSTANDING ANYTHING TO THE CONTRARY IN ANY SUPPLIER FORM, PROPOSAL OR DOCUMENTATION, THE TERMS AND CONDITIONS OF THE AGREEMENT AS INTEGRATED ABOVE SHALL BE CONTROLLING IN ALL INSTANCES. To the extent there is any conflict between or among the documents composing the Agreement, the following hierarchy (from most to least authoritative) shall prevail: (i) District's Agreement forms (written contract, agreement letter or purchase order as applicable), and (ii) RFP as provided by the District all Addenda, and (iii) any Proposal provisions agreed to by the District.

2.1.5 Unless otherwise provided or required by the District, a standard agreement which results from this RFP shall be for a period of one year from the effective date of the Agreement with an exclusive option by the District to renew on an annual basis thereafter for two additional one-year terms, or as otherwise stated in the Agreement. Alternately, the District may approve longer or shorter terms of agreement upon the mutual consent of the parties. At the District's option, there may be an additional 90-day transitional period added to the end of the initial term or any renewal term. The Agreement prices, terms and conditions are to remain in force during the transitional period. Should the Agreement with the Supplier terminate during the initial or any renewal term for any reason, the District reserves the right to have the same transitional period, prices, terms and conditions as if the Agreement terminated at the expiration of that term.

2.1.6 At the discretion of the District, purchases may require the issuance of an official HISD purchase order from the District's Procurement Services Department. If so required, then all goods provided without a purchase order will be returned at Supplier's expense. All services provided without a purchase order may be considered a contribution to the District.

RFP # 14-11-10

NAME: Plumbing Supplies & Materials; Drinking Fountains - Parts & Repair Services

2.1.6.1 HISD reserves the right to make changes to a purchase order (e.g., increase/decrease quantities, change delivery date, delivery address). Any changes to a purchase order shall be communicated to the awarded supplier by the issuance of a formal change purchase order. Only an HISD procurement staff member may make a change to the purchase order by issuing and sending a formal change purchase order to the awarded supplier.

2.1.7 Once the performance of the Agreement has begun, any change orders or requests will be made in accordance with Texas Education Code Section 44.0411 and applicable HISD procedures and policies. If Supplier acts on the direction of a District employee that is not authorized to make changes, Supplier does so at his or her own risk or peril and risks termination of the Agreement for cause. Also, if a Supplier attempts, or receives, a modification/amendment from a District employee that is not authorized to make changes, the Supplier does this at his or her own risk or peril and risks termination of the Agreement for cause.

2.2 NON-ASSIGNMENT: The Supplier may not assign, sell, or otherwise transfer its interest in the Agreement award or any part thereof, without prior written consent from the District. The Supplier shall have full responsibility for the completion and performance of all services and the delivery of all goods awarded to Supplier pursuant to this RFP.

2.3 USE OF DISTRICT NAME OR LOGO(S): Supplier may not use the District's official name or logo, or any phrase associated with the District, without the written permission from the Board of Education, the Superintendent of Schools, or their designee.

3.5 EVALUATION FACTORS: The evaluations committee will conduct a comprehensive, fair and impartial evaluation of all proposals received in response to this RFP. Each proposal received will be analyzed to determine overall responsiveness and completeness as defined in the scope section and in the instructions on submitting a proposal. Failure to comply with the instructions or to submit a complete proposal may deem a proposal non-responsive and may at the discretion of the Evaluation Committee be eliminated from further evaluation.

If the evaluation committee has reasonable grounds to believe that the proposer with the highest ranking score is unable to perform the required services to the satisfaction of HISD, HISD reserves the right to make an award to another proposer who in the opinion of the evaluation committee would offer HISD the best value. Some indicators (but not a complete list) of probable supplier/proposer performance concerns are: past supplier performance; the proposer's financial resources and ability to perform; the proposer's experience or demonstrated capability and responsibility; and the supplier's ability to provide a reliable on-going business relationship and the maintenance of on-going agreements and support.

IV. PRICING SHEETS INCLUDING ELECTRONIC SUBMITTAL REQUIREMENTS.

Procurement E-Commerce Solutions

HISD uses SAP-SRM as its e-Procurement system for the purchase of goods. As an extension of SRM, HISD may implement "Punch-out" capability for selected awarded suppliers and will continue to improve the technology for HISD's internal "hosted" catalogs. All orders would then be sent to the awarded Suppliers electronically, thus significantly reducing the order processing lead-time.

Proposers shall answer the following questions when submitting a proposal and include this information in Tab 5 of their proposal.

1. Do you have e-commerce capability? _____
2. Do you have punch-out catalogs in place today? _____
3. Does your company have any internal electronic catalogs with any customers? _____
4. Can you comply with SAP OCI 4.0 (Open Catalog Interface)? _____
5. Who is the point of contact in your company regarding IT issues? _____

For suppliers, this should reduce the time it takes to receive a purchase order and to ensure that suppliers with a contract(s) are being fully utilized. One option (Punch-out) will enable schools and departments at HISD to purchase goods electronically from a contracted supplier's website, thereby facilitating a shopping cart experience similar to Internet shopping. Awarded Suppliers are encouraged to have a website with online shopping capability and the capability to host HISD specific catalogs.

In the near future this will become the preferred method HISD will utilize to purchase goods for the entire district. The following links contain HISD "Punch-out" or "Hosted" internal catalog specs and information:
[HISD Punch-out Catalog Specs](#) .

The alternative to a "Punch-out" catalog is an internal catalog or "Hosted catalog" system in which the supplier will complete an Excel spreadsheet with bid items and pricing to be loaded onto HISD's SRM Internal Catalog System. The following link contains HISD Internal Catalog specs and information: [HISD Internal Catalog Specs](#) .

Proposer(s) are encouraged to complete either the Punch-Out or Internal Catalog template and submit by electronic form (Excel format); handwritten proposals will not be accepted. Proposers must include a USB flash drive or CD, properly labeled with company's name and project number, that contains the requested electronic catalog (electronic media supplied will not be returned and becomes property of the District).

Contact information: Operations & Strategic IT Support Team at SRM_MDM@houstonisd.org or 713-556-6515. HISD reserves the right to select and determine the appropriate and most advantageous suppliers for the above electronic catalog solutions. HISD requests all suppliers to consider the resources and skills necessary within their company to meet the electronic catalog requirements of HISD. These include, but are not limited to, ongoing catalog maintenance, customization of any current websites, and any new software needing to be purchased and implemented for successful catalog implementation and management. Additionally, HISD reserves the right to invoke corrective action, up to and including termination of the supplier's contract, in the event that suppliers cause technical problems with the catalog system or use the system inappropriately by selling unauthorized items or making price changes without the prior approval of the Procurement Services Department.
