## **De Zavala Elementary School**

Mascot: Eagle

Motto: "One Community, One Mission... Student Excellence"

Colors: Hunter Green and White

Built: 1920

De Zavala Elementary School is located in the heart of the historical Magnolia Park area on the East End of Houston. Magnolia Park was originally designed in 1890 as a 1,374-acre excursion park planted with 3,750 magnolia trees, hence the name Magnolia Park. In 1909, Magnolia Park was redeveloped into a residential community and became a final destination for many hard-working immigrants fleeing the Mexican Revolution. De Zavala Elementary School was established in 1920 when the community was still in its infancy. The school was named after a Texas hero and former Mexican national, Lorenzo De Zavala, the first vice president of the Republic of Texas and an original signer of the Texas Declaration of Independence. De Zavala Elementary School has been proudly serving the Magnolia Park community ever since. Our roots in the community run very deep, and our pride soars as high as eagles fly.

## **Educational Goals**

The goal of our school is to provide a quality education to each and every student. This means developing the academic and social skills of each student to the highest possible degree. To accomplish these goals, we need 100% of our parents to be involved in their child's education and be supportive of teacher's requests as we help your child accomplish success.

Our school goals include the following:

- Increase the number of Gifted and Talented (GT) students
- Increase the number of students reading on grade level
- Increase the number of students completing math competencies on grade level
- Increase attendance percentages
- Increase the number of students meeting promotion standards
- Increase the number of students passing STAAR (State of Texas Assessment of Academic Readiness) Assessments in reading, math, writing and science
- Increase the number of students reaching Masters Levels on STAAR Assessments in reading, math, writing and science
- Decrease discipline incidents percentages

Specific goals and objectives are outlined in our School Improvement Plan (SIP). The De Zavala School Improvement Plan can be accessed on the De Zavala website, and copies are available from main office upon request.

## **Health and Safety Protocols**

De Zavala Elementary will follow and maintain the following health and safety HISD protocols:

- Masks: Masks covering both the nose and mouth are optional for all individuals regardless of vaccination status.
- Sanitization: De Zavala will be cleaned, and disinfected. Hand sanitizer and other cleaning and disinfecting supplies will be provided at school. Any individual, including students, must stay home when sick.
- Visitors: Visitation is limited to essential and pre-scheduled visitors, including individuals who have been pre-approved through the Volunteers in Public Schools (VIPS) program. Non-essential visitors should utilize virtual meetings, when possible. Lunch visits are limited at this time due to spacing and until further guidance from the CDC.
- In-person gatherings: In-person gatherings, meetings, and events are permitted in HISD schools and buildings. The gatherings must be held outdoors or virtually when possible.

## **Attendance**

#### ATTENDANCE IS TAKEN AT 9:30 A.M. DAILY

Students are expected to be in school all day, every day. Regular attendance is essential to students' academic success. Persistent absenteeism and/or tardiness create a genuine hardship for students and is regarded as a very serious problem that may require a student to be put on an attendance contract. Students on a transfer may risk losing their transfer option. Our goal is to not only maintain a 98% attendance rate, but to improve it.

#### **EXCUSED AND UNEXCUSED ABSENCES**

The following circumstances will be the only recognized excuses for a school absence: personal illness, family illness, death in the family, or religious holiday. Parents must send a dated written excuse to their child's teacher explaining each absence. This excuse is due within three days of the student's return to class. Excuses will not be accepted beyond the third day following the student's return to class. If an acceptable excuse is not provided within three days, the absence(s) will be marked as "unexcused." No notes or doctor's excuses will be accepted beyond this timeframe.

Vacations and family events are examples of absences that are not excused. Once a student has accumulated three unexcused absences, a referral will be made to the Attendance Officer. The district attendance policy requires that students enrolled in an elementary school may have no more than eight unexcused absences per year to be considered for promotional standards. Excessive unexcused absences can result in retention of the student.

#### PROLONGED ABSENCE

If the child is absent for two or more consecutive days, we request that the parent/guardian notify the school of the nature of the illness or event leading to the absence and when the child will return to class. If a parent/ guardian has advance knowledge that a child will be absent for an extended period, we request that they contact the office immediately. Arrangements will be made with the classroom teacher to provide the absent child with classroom assignments.

#### DROPPING OFF LATE AND PICKING UP EARLY

When possible, all medical and dental appointments should be made after school hours. Attendance is taken daily at 9:30 a.m. If the student is not on campus at the time attendance is taken, he/she will be marked "absent". However, if the student arrives after attendance is taken and has a doctor's excuse, his/her attendance status will be changed to "present."

For security reasons, **no student will be allowed to be checked out between 2:30 p.m. and 2:50 p.m.** For emergency situations, an administrator's approval will be necessary to check out a student during this timeframe. NOTE: Only a parent or authorized adult with a valid picture ID will be allowed to pick up a student during school hours.

#### **TARDY ARRIVALS**

Students are tardy if they arrive at school after 7:40 a.m. Tardiness has an adverse effect on your child's educational progress and is disruptive to the rest of the class. If your child arrives after 7:40 a.m., parents must sign in their children at the reception desk. All students who are tardy to class must sign in on the teacher's tardy log. Teachers and administrators will monitor students who have multiple tardy arrivals, and a parent conference will be required. If tardiness or absenteeism become a problem, students who attend De Zavala on a transfer of any kind are subject to be withdrawn from the school and required to return to their home school. Tardy arrivals due to late buses or doctor appointments (with a doctor's note) will not be counted against your child.

#### ATTENDANCE REWARDS

Perfect attendance awards will be given to students at the end of each 6-week grading cycle. Awards for year-long perfect attendance will be given at the end of the year. Monthly incentives will be provided for students who are present the entire month.

#### ARRIVAL PROCEDURES

Students are NOT allowed to wait outside unsupervised prior to 7:15 a.m.

#### DISMISSAL PROCEDURES

**Distribution of Security Cards**: Parents will be provided four security (name) cards at the start of each school year (these are given out on the first day of school). Additional security cards may be requested by contacting the office at 713-924-1888. There is a \$5 donation fee for two additional cards. Ownership of a child's security card constitutes the parent or designated adult has permission to pick up a student(s). If the parent gives permission for another adult to pick up their child/ren, but did not give them the security card, the designated adult must come into the office with their photo ID to pick up the child. Students will not be released if a security card is not presented. The adult picking up the child should be listed on the contact released form.

#### Walkers:

Students who have written and signed parental permission to walk home by themselves or with siblings, cousins, etc., will be dismissed by the designated gate.

#### ARRIVAL/DISMISSAL LOCATIONS

#### **Late Pick Ups**

- For the safety of each child, we are asking that students be picked up on time at 3:00 p.m. At this time, we do not have resources to monitor beyond 3:10 p.m. The school has the discretion to communicate with authorities if a child is chronically being picked up late or is not picked by 3:30 p.m.
- Students attending tutorials, clubs, detention, or our After-School Program will be dismissed from their designated location at the appropriate time (4:10 p.m.).

## EDUCATIONAL PROGRAMS AND SERVICES

#### **BILINGUAL**

De Zavala has a bilingual transitional program to serve students in PreK through 5th grade. The purpose of the bilingual program in HISD is to teach the students academics in their native language while developing their oral and written English skills. Once the student has mastered basic skills in Spanish, such as reading, writing, math, science, social studies and health concepts, and meets exit criteria in accordance with HISD guidelines, the student will transition into an English-only classroom. Most bilingual students transition into an all-English classroom at 3<sup>rd</sup> grade. However, each bilingual child's placement is decided on an individual basis by the Language Proficiency Assessment Committee (LPAC).

#### **ENGLISH AS A SECOND LANGUAGE (ESL)**

ESL instruction is provided to all bilingual students as part of their daily curriculum. ESL instruction targets improvement in listening, speaking, reading and writing skills from year to year. In some instances, students may be placed in an ESL certified classroom based on student need or teacher availability. All ancillary classes are provided in English where teachers incorporate ESL strategies in their lessons.

#### SPECIAL EDUCATION SERVICES

De Zavala Elementary offers a variety of support services for students qualifying for Special Education Services. The goal is to support students with disabilities in gaining college/career readiness and independent living skills through active engagement in grade level curriculum. Our campus offers the following:

- Co-Teacher/ Inclusion Services where students receive cooperative interactive instruction from both general and Special Education teachers in the general education classroom and follow an inclusion support model.
- Content Mastery Services where students with disabilities are enrolled in general-education classes and receive additional instructional support and assistive services for their generaleducation classes from a Special Education teacher.
- Resource Services where students attend general-education classes for most of the day and are scheduled to receive instructional and/or support services from a Special Education teacher in one or more academic areas in the Special Education class.
- Skills for Learning and Living (SLL) where classroom instruction is under the direction of a
  specially trained classroom teacher with appropriate paraprofessional support. SLL classes are
  full-day sessions and are organized around functional academic instruction and classroom
  routines that facilitate the development of daily living skills. The daily schedules reflect the overall
  activities of the school as well as the classroom's unique activities and daily routines as specified
  in each student's IEP (Individual Education Plan). Every teacher receives a copy of the student's
  IEP when the student enrolls in their class.
- Structured Learning Center (SLC) where the classroom is comprised of students in 1<sup>st</sup> 5<sup>th</sup> grade who have been diagnosed with Autism. Our program serves students who will receive the standard curriculum for their grade level. Which in turn allows for them to be held accountable by the same standard as their peers for promotion to the next grade. This classroom will serve as a home base for some students that spend all day in general education classes and as a self-contained class for other students who need a smaller setting.

#### **DYSLEXIA SERVICES**

Students with dyslexia often need special services and/or accommodations to learn to read, write, and spell. For these students, De Zavala Elementary School provides multisensory instruction that is explicit, direct, cumulative, intensive, and focused on the structure of language. Multisensory learning involves the simultaneous use of visual, auditory, and kinesthetic-tactile pathways to enhance memory and learning of written language. Dyslexia is under the 504 umbrella, a qualifying student receives his/her appropriate AIP (Academic Individual Plan) and all teachers who teach the student receive and implement the student's AIP.

#### **SECTION 504**

Section 504 protects qualified students with disabilities who do not qualify for services under Special Education. Under this law, students with disabilities are defined as persons with a physical or mental impairment which substantially limits one or more major life activities which adversely affects the student's instructional opportunities. A qualified 504 student receives his/her appropriate AIP (Academic Individual Plan) and all teachers who teach the student receive and implement the student's AIP.

#### SPEECH THERAPY

Students diagnosed with a speech impairment receive speech therapy. Speech Language Pathologists (SLP) and Assistants in Speech-Language Pathology (SLP-Assistant) address speech production, vocal production, fluency and language needs though speech therapy in a variety of different contexts and service delivery models. Each student has their respective Speech IEP (Individual Educational Plan), and the speech therapist serves the student in collaboration with the student's teachers.

#### VANGUARD/GIFTED & TALENTED (GT)

De Zavala's Vanguard Magnet program is designed to meet the needs of G/T students in Kinder through 5<sup>th</sup> grade by providing a learning continuum that is differentiated in depth, complexity, and pacing. The Vanguard program is specifically for G/T students who excel in general intellectual ability in combination with creative/productive thinking and/or leadership ability. A parent or teacher may recommend a student for Vanguard/GT identification. A parent may begin the process by completing a Vanguard/Magnet application. See the Vanguard coordinator or Vanguard clerk for more information.

#### INTERVENTIONS

The goal of the Student Success Initiative (SSI) is to ensure that all students receive the instruction and support they need to be academically successful in mathematics and reading. De Zavala Elementary provides students with additional academic support during the instructional day specifically in the ancillary block.

#### **TUTORIALS**

De Zavala offers after-school and Saturday tutorials for students who need extra help to master content objectives on their grade level. Teachers will recommend tutorials for students who would benefit from these services. Tutorial groups are subject to change as the needs of the students change. **After-school tutorials will take precedence over extra-curricular activities.** Teachers will make tutorial recommendations based on the student's progress on school and/ or district assessments.

#### SUMMER SCHOOL

De Zavala Summer School is provided for all 1<sup>st</sup> - 5<sup>th</sup> grade students who have not met promotion standards. Information is provided in the spring semester. All De Zavala policies will extend from the regular school year through summer school unless otherwise notified.

## ENROLLMENT AND WITHDRAWAL PROCEDURES

## ENROLLMENT OF A STUDENT REQUIREMENTS/VERIFICATION

- The person enrolling a student must be the parent or legal guardian of the student and have an acceptable form of identification (driver's license or ID card issued by any state, official passport, official military ID, resident alien card)
- The student must reside within the school's attendance zone or participate in our Magnet Vanguard Program
- Necessary paperwork to be provided upon enrollment include:
  - -Student's Social Security card (if available)
  - -Proof of Residence (utility bills or a lease agreement; it must have parent's name and address-rent receipts will not be accepted as proof of residence)
  - -Appropriate immunization records

#### **ENROLLMENT CARDS**

An enrollment card must be filled out for each student. At least two phone numbers must be included so that the school can contact a responsible adult immediately in case of an emergency. It is highly recommended that cellphone numbers be included. Your doctor's number should also be included. If a parent/ guardian's contact information changes during the year, it is the responsibility of the parent/ guardian to send updated information to the main office immediately. If a student must leave early due to illness or an emergency, students will only be released to the person or persons who are listed on the enrollment card with the proper identification.

#### WITHDRAWAL OF A STUDENT

A student can only be withdrawn by the person who signed the enrollment card and/or has legal custody of the child. We ask that you notify the main office at least 24 hours before the actual date of withdrawal so that all paperwork can be completed by 3:00 p.m. on the date of your child's withdrawal.

#### CHILD CUSTODY

Usually both parents have equal custody rights under the law. If this is not the case, legal documentation must be kept in the office. Please note that an official Court Judge must have signed the decree documentation, otherwise both parents will be given equal rights. Specific rights on campus should be discussed with a campus administrator when needed.

## **EXTRA-CURRICULAR ACTIVITIES**

#### **CLUBS**

De Zavala offers a variety of opportunities for extra-curricular involvement. Some of the many activities that we have offered in the past include the following:

Name That Book Club	Boys' Soccer Team	Yearbook Club
Spelling Bee	Drama Club	Girls' Soccer Team
Legos Club	AR Club	Cheerleading

Other clubs may be available based on teacher volunteers. Students who participate in any extracurricular activities must maintain passing grades at all times and demonstrate at least satisfactory conduct (according to the homeroom teacher as well as the club sponsor). **De Zavala Elementary will abide by HISD's "No Pass, No Play" policy.** NOTE: After-school tutorials will take precedence over club participation. Special circumstances will be evaluated by the administrators.

#### FIELD TRIPS/LESSONS

Field trips/lessons are an extension of learning in the classroom. Field trips/lessons enhance our students' learning and provides them with experiences that can be limited in the regular classroom. Field lessons are planned by each grade level which is responsible for ensuring that the learning taking place during the field trip/lesson is directly tied to instructional objectives and to pre- and post-lesson activities. For this reason, we request that all students return to their classroom after a field trip/lesson so that students can participate in the classroom follow-up activities immediately upon return. Teachers are also responsible for finding resources for all activities outside of the campus. This may include requesting each child to provide a field trip fee to pay for transportation and admission. On occasion, teachers will engage in fundraisers to help cover the cost of field lessons. As a result, we do depend on parent donations to supplement our efforts. If a child displays a chronic disregard for rules and teacher directives in the structured setting of a classroom, an administrator may prohibit the student from attending a field trip and an alternative assignment must be given in lieu of the lesson the student was unable to participate in.

#### **TRAVEL**

Students who participate in school-sponsored trips are required to use transportation provided by the school to and from the event. Permission slips must have the parent's signature in order to board buses. Permission may not be given by phone.

#### **FUNDRAISING**

Student clubs or classes, outside organizations, and/or parent groups occasionally may be permitted to conduct fundraising drives for approved school purposes. An application for permission must be made to the principal in advance. Fundraising by anyone not associated with the school is not permitted on school property.

#### **PARTIES**

Classroom parties are limited to <u>two</u> per school year: Winter Holiday Party and End of the Year Party. Parties are to be held from 1:00 p.m.- 2:50 p.m. Birthday parties for individual students are **not allowed** in the classrooms or at school. Parents may send a goodie bag with allowable treats, small age-appropriate toys, and store-bought food items that teachers can send home at dismissal. Parents will not be allowed in the classroom during cake/ goodie distribution. Please ensure there are no

peanut products as there may be students with allergic reactions to such products. Birthday balloons, buttons, and head gear are allowed, but must be stored in the classroom during the school day. At no time may birthday items become a classroom disruption. Families may request to have their child's birthday announcement posted on the marquee for a \$5.00 donation to the school.

#### FIELD DAY

Field Day serves as a reward for our students' hard work. Students will participate in a healthy competition during a variety of outdoor games where the biggest reward is spending fun time together.

#### **FAMILY NIGHT**

Family Nights are evening events, in which families will be invited to share learning experiences with their children in a variety of subjects and get some ideas for learning experiences to support learning at home.

## **HEALTH**

#### **GENERAL ADVICE**

Please address your child's needs before sending them to school. The school nurse is not authorized to give cough drops, aspirin, or medication for colds, upset stomachs, or fever. Likewise, children will not be allowed to self-administer medication brought from home. Most importantly, keep the school updated on any changes to your phone number so that the nurse can contact you, if necessary. It is the nurse's professional decision to contact parents, however, the nurse is not expected to contact parents every time their child is sent to the clinic.

#### **IMMUNIZATIONS**

In accordance with regulations published annually by the Texas State Department of Health, all immunizations must be completed by the time the student is enrolled in public school in accordance with regulations published annually by the Texas State Department of Health. Immunizations must be updated on time, or the student will be excluded from school until a written doctor's statement or an updated immunization card from the clinic/doctor is presented to the school.

#### **MEDICATION**

It is not the responsibility of the public-school personnel to administer medical treatment or medication including over the counter drugs. Students on long term medication which cannot under any arrangements be administered other than during the school hours, may take medication in school under the following instruction:

- A physician must state in writing that a student should have a certain medication during school hours.
- An official form obtained from the school nurse must be signed by the physician and the parent before
  any medication may be given. This form must be renewed and on file at the beginning of each school
  year or as the medical needs of the child warrants a change in medication.

#### COMMUNICABLE DISEASES

In order to protect every child and school employee from contagious diseases, HISD complies with state laws on vaccinations. Children that do not have the required immunizations must be excluded by law. In addition, HISD has a list of approximately twenty communicable diseases that require exclusion from school until the school receives a medical release from a doctor. In general, students with fever, vomiting or rashes should not come to school until well or a doctor's note states they are no longer infectious. All sores are to be covered at all times at school. Please note that hair nits and lice are also communicable.

#### **MENINGITIS**

Meningitis is an inflammation of the covering of the brain and spinal cord – also called the meninges. It can be caused by viruses, parasites, fungi, and bacteria. Viral (aseptic) meningitis is common; most people recover fully. Medical management of viral meningitis consists of supportive treatment, and there is usually no indication for the use of antibiotics. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical, surgical, pharmaceutical, and life-support management.

The school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Texas Health Office to ask about meningococcal vaccine. Additional information may also be found at the web sites for the Center for Disease Control and Prevention and the Texas Department of Health.

#### **CHILD PROTECTIVE SERVICES (CPS)**

Texas law requires any person believing that a child has been or is being abused or neglected to report it immediately.

# Lunch and Breakfast FEDERAL GUIDELINES

The School Breakfast and Lunch Program is provided free or at a minimal cost. There are certain regulations set by the federal government that we must follow in order to continue receiving the federal funds that pay for our students' meals. The guidelines we must follow are:

- 1. Students must not share food with any student, sibling or adult.
- 2. Adults may not eat off of a student's plate.
- 3. Students must choose their own serving from the given choices provided by the cafeteria when they go through the cafeteria line.
- 4. Students may go through the cafeteria line only once.
- 5. No food or drinks may be taken out of the cafeteria by anyone.
- 6. Adults must give seating preference to students.
- 7. Food brought from home, which includes snacks, may not be shared with other students.

From time to time, HISD representatives may monitor breakfast and lunch to ensure compliance with guidelines set by the HISD and the federal program. Please help us maintain our funding for the meal program by following the guidelines above.

#### **EATING WITH YOUR CHILD**

Due to safety protocols school visitation is limited to essential personnel. Parents will not be allowed at school during lunch time until further guidance from the CDC. Nutrition Services staff will provide breakfast in the classroom and lunch in the cafeteria. When possible, students will be spaced out, using every other seat.

We encourage all parents to spend time with their child to help them learn how to manage their utensils, practice good conduct skills, engage in friendly conversations, and practice their language skills.

#### LUNCH FROM OUTSIDE THE SCHOOL

Students who choose to NOT get lunch from the school cafeteria are highly encouraged to bring their lunch with them in the morning. This will help students practice their organizational skills and learn responsibility.

#### FOOD/DRINK RESTRICTIONS

Students are not allowed to have sugary products such as Coke, Sprite, or Dr. Pepper as part of their lunch, even if lunch is brought from home.

## MATERIALS, SUPPLIES AND RESOURCES STUDENT SUPPLIES

Materials that are part of the basic educational program are provided with state and local funds. A student, however, is expected to provide his/her own pencils, paper, erasers, notebooks, and any other material that his/her teacher requests. Each grade level will provide a list of the supplies required for your child for the year. Teachers may ask you to replenish your child's supplies as needed during the year.

#### **TEXTBOOKS & LIBRARY BOOKS**

All students are issued the appropriate textbooks for their grade level. Students are held responsible for the books issued to them. The Texas Education Code, Section 12.65 under "Textbooks", Article

C, adopted by the 61st Legislature reads as follows: "Each pupil or his parent or guardian shall be responsible to the teacher for all **books not returned by the pupil**, and any pupil failing to return all books shall forfeit his/her right to free textbooks until books previously issued but not returned are paid for by the parent or the guardian." NOTE: All textbooks must be covered at all times to prevent damage.

#### COMPUTER RESOURCES

De Zavala Elementary School has invested substantial resources in computer technology to broaden instruction and to prepare students for an increasingly computerized society. Students will have access to technology tools such as an iPod and iPad and will log onto computer programs to enhance reading, math, writing and technology skills. Some programs require for each student to have a username and password that can be shared with parents as requested. Students and parents must sign a user agreement regarding the appropriate use of these resources; violations of this agreement will result in the termination of privileges and/or disciplinary actions in accordance with the Student Code of Conduct.

#### DISTRIBUTION OF MATERIALS & PUBLICATIONS

School publications distributed to students include memos, calendars, and information packets in the student's homework folder. All school publications will be approved by the principal or other administrator. School to home communication is vital to the success of our students. Parents, please inspect the homework folder daily as it will include information for upcoming events, report cards, progress report, homework, and teacher notes.

#### **NON-SCHOOL MATERIALS**

Written materials, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials may not be posted, sold, circulated, or distributed on the school campus by a student or a non-student without prior approval of the principal. Materials displayed without prior approval will be removed.

## PARENTAL INVOLVEMENT

There are many opportunities for parent participation at De Zavala Elementary. Parents are encouraged to join the Parent Teacher Organization (PTO), serve on our Shared Decision-Making Committee (SDMC), and become a registered volunteer via Volunteers in Public Schools (VIPS). All parents and guardians who wish to participate on fieldtrips or school activities must first be registered through the VIPS system and must be approved annually.

### PARENT TEACHER ORGANIZATION (P.T.O.)

Our Parent-Teacher Organization (PTO) exists to promote the education and welfare of De Zavala students. The De Zavala PTO sponsors many school events and supports many of the incentives your children receive throughout the year. You are encouraged to join; annual dues are \$5.00 per family. Meetings are usually scheduled the second Friday of every month at 8:30 a.m. in the Multi-Purpose Room (unless otherwise specified). Please make an effort to attend the monthly meetings.

The De Zavala PTO may be contacted by email at <a href="mailto:pto.dezavala@gmail.com">pto.dezavala@gmail.com</a>. Parents in good standing have voting privileges and are eligible to serve on the executive board.

#### **VOLUNTEERS IN PUBLIC SCHOOLS (VIPS)**

Volunteers in Public Schools (VIPS) are HISD volunteers. Each year, thousands of parents, grandparents, students and community partners support HISD students and teachers by volunteering their time. VIPS represent all economic, ethnic and educational backgrounds. They are caring adults or children who tutor students, serve as classroom assistants to teachers, provide enrichment and hands-on experience with computers, work in the library, clinic, office, cafeteria, chaperone field lessons, mentor, and provide other support. Volunteers who wish to chaperone field trips/lessons and volunteer in any capacity on campus must be approved by the VIPS system on a yearly basis.

#### **BECOMING A VIPS**

All volunteers must register online and pass an annual criminal background check before they can participate as a volunteer. Please follow the steps below to become a VIPS:

- Step 1: Register online at <a href="https://www.houstonisd.org/vipslogin">www.houstonisd.org/vipslogin</a>.
- Step 2: Go in person to the school of interest and present proof of identification.
- Step 3: Identification information will be input into our database for processing by the Volunteer Coordinator at each campus.
- Step 4 The criminal history background check can take 2-3 weeks to complete.
- Step 5: Once you are CLEARED to volunteer, you are eligible to volunteer throughout HISD.

All volunteers must be screened at the beginning of each school year, even if the application was approved as a VIPS the previous year. Former VIPS volunteers will begin with Step 3 in the above process. All new volunteers must follow the procedures listed above, beginning with Step 1. The school administration has the right to revoke a volunteer's status even though they have been cleared by the criminal history background check process.

### SHARED DECISION-MAKING COMMITTEE (SDMC)

The De Zavala's Shared Decision-Making Committee (SDMC) is the ruling body of the school. It is composed of the school principal, teachers, non-instructional personnel, community members and parents. Every year, there are two spaces on the SDMC reserved only for parents/ guardians of De Zavala students. All stakeholders, including parents/ guardians, may address the SDMC to resolve concerns pertaining to De Zavala. The SDMC's Agenda Request Forms are available in the main

office. De Zavala's SDMC meets on the first Thursday of each month; therefore, requests must be turned in prior to meeting days.

#### PARENT/TEACHER CONFERENCES

Parents are urged to contact the school whenever a need arises. Teachers may be contacted by either a note, phone call, or by email (which can be accessed through the De Zavala website). Conference appointments may be made during a teacher's non-instructional/conference time. Parents/ guardians may contact the teacher or call the main office for an appointment. Conferences may be rescheduled at the teacher's discretion if the parent/guardian is more than 15 minutes late. The principal and assistant principal are available for conferences as well. If the principal or assistant principal is not available immediately, you may call the main office and schedule an appointment with an administrator. Please fill out a "parent concern" form.

#### **CONCERNS BY STUDENTS/PARENTS**

Concerns can be addressed by a phone call or a scheduled conference with the teacher or an administrator. In most cases, having a discussion with the teacher to clarify your concerns and/or answer your questions and will resolve the problem. For those concerns that cannot be handled so easily, the parent or student should discuss the concern with a campus administrator. If an administrator is not available, you may fill out a Parent Concern Form in the main office, and an administrator will contact you within 48 school hours to address your concern.

They can only be used outside after school or during emergencies when allowed/directed to do so by a teacher or administrator. If a student is found using or playing with a cell phone during school hours, the cell phone will be confiscated, and a parent or legal guardian will need to pick it up from the office and pay a \$15.00 fee. A moment of silence will be taken each morning during announcements for reflection, prayer or meditation (optional).

## STUDENT PROGRESS

#### **GRADING**

Student grades will be determined by the teacher evaluation of growth attained during the significant learning activities conducted by the teacher in a given reporting period. The teacher will take into consideration all available data in judging a student's achievement in relation to the grade or course level objectives. Information, such as success with assignments, test scores, and classroom participation will be documented in teachers' grade books, student work folders, etc. Grades can also be monitored using HISDConnect Parent Portal by you and/or your child. Please see your child's teacher for any specific information on grading or how to set up an account.

#### REPORT CARDS

A report card will be issued at the end of each six-week grading cycle for students in PreK-5<sup>th</sup> grade.

October 7, November 11, January 13, March 3, April 20, and May 31

Students in 1<sup>st</sup> - 5<sup>th</sup> grade receive a letter and number report card. The grading scale is as follows:

Academic subjects		Citizenship Traits
90-100	A = excellent	E = Excellent
80-89	B = good; above average	S = Satisfactory
75-79	C = satisfactory; average	P = Poor
70-74	D = below average	U = Unsatisfactory
Below 70	F = unsatisfactory; failing	

To be promoted to the next grade, students must maintain an overall average of 70 or higher in reading, language arts, math and science or social studies. Students in first and second grade must also pass the High Frequency Word Evaluation. Promotion standards regarding HISD, and state assessments will be determined by the HISD and applied accordingly.

#### **Progress Reports**

If a student is not progressing satisfactorily in any grade level, parents are sent a preliminary progress report at the midpoint of the grading period and at other times as necessary. Parents must sign and return the reports. Conferencing with the teacher is strongly recommended any time a student's progress is affected. Elementary progress reports are sent to parents six times during the year; typically, the third week of the six-week grading cycle. De Zavala is participating in HISD's Primary Progress Report system for students in Pre-K and Kindergarten. This is a different type of progress report that charts a child's growth along a continuum, instead of comparing the child to other children. Please see your child's teacher if you have any questions about the progress reports or your child's achievements. Progress Reports will be sent approximately the 3<sup>rd</sup>/4<sup>th</sup> week of the grading cycle.

#### **HOMEWORK**

Your responsibility as a parent is to show interest and guide if necessary, and to provide an environment conducive to studying. The following pointers may help you to help your child with homework assignments:

- Be a willing listener when your child talks about school activities
- Provide a place to study that is well lighted
- See that your child is NOT distracted while studying
- Turn off the radio or television if it is in the room where the child is studying
- Spend time listening to your child read. Ask the teacher to suggest reading materials
- If possible, provide your child with resource materials, such as a child's dictionary, reference books and a globe - encourage their use
- Utilize the public library for reference, to check out books, and for internet access
- Help your child work out a good study schedule. Two shorter study periods are usually better than one lengthy session
- Go over homework with your child to see that it is carefully done and completed
- If your child is having difficulty with his schoolwork, ask the teacher how you can help
- Watch educational programs with your child and help him to understand what he is learning
- Provide the opportunity to learn from experience outside the classroom
- Most important of all, enjoy helping your child learn

#### **HOMEWORK GUIDELINES**

Certain students, such as students with disabilities or students with limited English proficiency, may be eligible for exemptions as approved by the appropriate committee's recommendations. Additional testing may apply pending future School Board decisions.

#### STUDENT RECORDS

Student records are confidential and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters HISD until the time the student withdraws or graduates. Once the receiving schools request records from De Zavala, this cumulative record moves with the student from school to school within HISD. If the student moves to a campus outside of HISD, the receiving school will request records and pertinent school information will be forwarded to them according to HISD policy. By law, both parents have access to the records of a student who is under 18. A parent whose rights have been legally terminated will be denied access to the records, as long as the De Zavala office has a legal document signed by a Court Judge indicating parental rights have been terminated. The parent's right of access student records does not extend to all records. Materials that are not considered educational records, such as teacher's personal notes; do not have to be made available to the parents. To request copies of student records, parents must make the request in writing 48 hours in advance.

#### **AWARDS**

Awards for Principal's List, Honor Roll, Attendance, and Excellent Conduct are given to students at the end of each 6-week grading period. Awards for Year-Long Perfect Attendance, Honor Roll, Excellent Conduct, Meeting Promotion Standards and teacher created awards are given to students at the end of the year. #### DRILLS: FIRE, TORNADO AND OTHER EMERGENCIES

From time to time, students, teachers, and other school employees will participate in emergency procedure drills. When an alarm is sounded, students should follow the instructions of the teachers or others in charge quickly, quietly, and in an orderly manner. For further details of emergency drills, please refer to the School Safety and Security Intervention Plan, available in the main office in a red binder.
