

McReynolds Middle School

Excellence is Expected for Every Student, Every Day

Our Beliefs

We believe **STUDENTS** are valuable and capable of learning in a safe environment with high expectations that will prepare them to be global learners.

We believe that **PARENTS** expect student growth, safety, academic success and are willing to be involved in the educational process through open lines of communication.

We believe that **TEACHERS** are valued practitioners who are committed professionals driven by student success and the desire to produce globally successful citizens.

We believe that the **COMMUNITY** expects McReynolds to provide the foundation for creating citizens who can contribute to the positive development of the community now and in the future.
