

FINE ARTS VISION STATEMENT

The Lawson Middle School Fine Arts department is dedicated to creating relevant learning opportunities inside and outside the classroom that help our scholars develop the knowledge, critical thinking skills, and character necessary to succeed. We are committed to creating meaningful opportunities for our scholars through real-world challenges, project-based learning (PBL), industry field exposure, and community-engaged learning experiences.

LAWSON MIDDLE SCHOOL

Fine Arts Magnet

Dance. Art. Music. Theatre Arts

BE A LEARNER. BE A LEADER. BE LEGENDARY

THEATRE

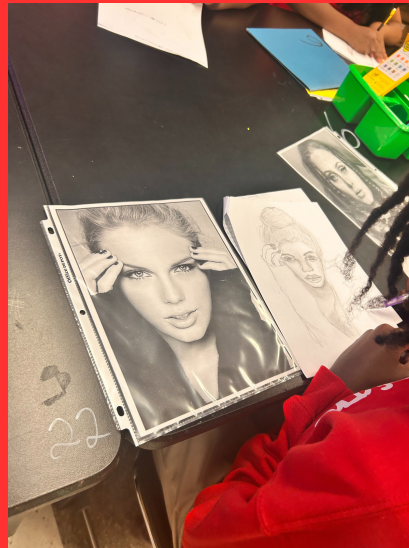

Theatre Arts scholars work in a variety of disciplines, including individual monologues, group scenes, UIL, One Act Play, and writing screenplays.

MAGNET COORDINATOR: LACRESHA WALKER
LACRESHA.WALKER@HOUSTONISD.ORG

DANCE/VISUAL ARTS

The Dance Program exposes scholars to various types of dance from ballet, hip-hop, jazz, modern and contemporary dance genres. LMS dancers have opportunities to perform at a variety of school and community events.

In Visuals Arts, scholars can develop an understanding and an appreciation for the arts as a whole, while exploring their creative process to create visual masterpieces.

MUSIC

The Music Program will prepare scholars to learn, play, perform, and read music. They become well-versed in many aspects of music. Scholars will learn various musical instruments. Band Scholars get many opportunities to perform at various school and community events.
