

School-Parent Compact

Haydee Cavazos, Principal

School Year 2024-2025

We believe that for our School to be effective, all stakeholders must work together to ensure that our scholars are successful contributing members of our learning society. A compact is a voluntary agreement between two parties that firmly unites them. Kennedy Elementary welcomes you, the parents, to be involved in this partnership.

John F. Kennedy Elementary Responsibilities

The faculty and staff accept the responsibility to provide high quality instruction to ensure all scholars meet the academic goals of the Houston ISD and the state of Texas. We are committed to communicate with our parents through conferences, Class Dojo, phone calls, emails, Twitter, and other communication platforms. We want to ensure we provide life-long global and scholars who are digitally literate.

Parent Responsibilities

We commit to all responsibilities that emphasize the importance of a holistic education, ensuring our child's daily attendance and homework completion. We will continue to work with our child to increase their reading comprehension and build their number sense.

Student Responsibilities

Kennedy Elementary students accept the responsibility to listen, speak, feel, reason, read, write with one purpose in mind, to do my best and not waste this day. I will read at least 20 minutes daily and give my guardian all notices and information needed.
