

PCP 1 AND 2  
STUDENTS ARE ABLE TO SHADOW A HEALTH  
CARE PROFESSIONAL IN A HEALTH CARE  
FACILITY

# MICHAEL E. DEBAKEY HSHP MISSION STATEMENT:

*To provide a challenging, well-balanced college preparatory program which focuses on educational experiences in science and the health professions and to further an understanding of our multicultural community*

---

DeBakey HSHP

Health Science Technology

**Patient Care Practicum 1 and 2**

Designed to give students practical application of previously studied knowledge and skills.

Students will be introduced to health care principles and practices utilized in care of hospitalized and outpatient patients.

Career and Technology Education

Work Based Learning Class

---

## DeBakey Juniors and Seniors-Practicum

- ⇒ Professionalism. Dress for success and proudly wear your DeBakey ID with your scrubs on your clinical days
- ⇒ Shadow a HCP in their field of expertise
- ⇒ Practice safety protocols at all times
- ⇒ Be grateful that you studied so hard in 9th and 10th grade because you are expected to use your knowledge and skills in this WBL (work based learning) class
- ⇒ Prepare and discuss clinical reports based on your experiences
- ⇒ Be bound to HIPAA
- ⇒ Adhere to National Patient Safety Goals

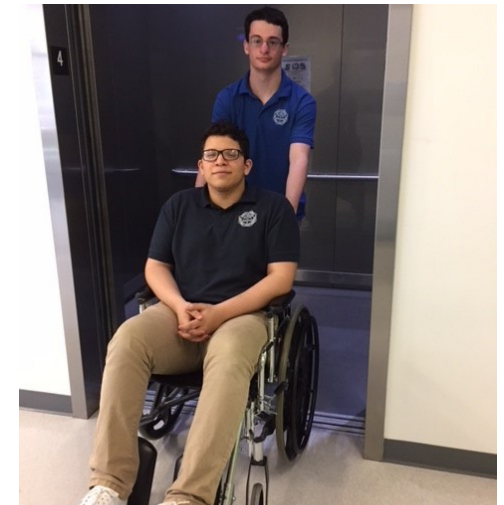

Clinical Rotation Students

## PCP 1 and 2 Students:

- Engage in teamwork /hands on training

- Are prepared for success
- Use critical thinking skills
