Thursday, November 21, 2019
at 6pm

Magnet Tours

Every Thursday Oct. 3rd - Dec. 5th
@ 1:00 pm
Except 10/31 and 11/28

Read about some of the reasons why our students chose DeBakey but come see for yourself why DeBakey HSHP is one of the best high schools in the nation!

Wearing Scrubs to school.

Scrubs are a privilege, rite of passage, for juniors and seniors. You feel important and “official” in scrubs and lab coat, plus they’re comfortable like wearing pajamas to school!

Watching surgery in the Medical Center

Hands-on experience in the Medical Center is invaluable. You see everything from spinal surgery, labor/delivery, life flight, to even a Houston Texans player with a sports medicine doctor.

Opportunities for research and summer internships

DeBakey gives you connections and opportunities at the medical center that other students do not have.

Great scholarship and college opportunities—including UH/Baylor Pre-Medical Academy

There are scholarship and college opportunities for ALL students. Our counselors make sure you apply to multiple colleges and for many scholarships.

Classmates from different cultures/ backgrounds and all parts of the city.

Be a part of a multicultural global learning environment. This is education beyond the classroom.

Caring teachers with PhD’s and professional job/research experience.

Teachers at DeBakey are extremely knowledgeable and experienced—have worked as nurses, engineers, scientists, lawyers, and researchers.

Being a part of a close-knit DeBakey and class family.

The smaller campus size makes you feel like a family. People know your name in the hallways and help each other out. You feel as if you are working towards a goal together.

STUDENT CLUBS AND ORGANIZATIONS

Joining clubs—OVER 50 to choose from!

Cultural clubs, sports club, interest clubs, and if you don’t see something you like, create it! Lots of great leadership opportunities.

Challenging yourself academically—preparing you for the future.

DeBakey makes you accountable for learning and brings everyone up to work harder. The bigger the challenge, the bigger the opportunity.
