

Keeping kids healthy and in school where they can learn.

School-based health care is a unique model of care that offers access to health care in a location where children and teens spend the majority of their time... at school!

AMAZING reasons to use Memorial Hermann school-based clinics:

- No out-of-pocket costs to students or families
- Offer comprehensive medical, dental, behavioral health and nutritional services
- Children are not counted absent if sent directly to clinic during the day
- Minimize parents time off from work
- Walk-ins or appointments available with consistent health provider
- School nurse collaboration with the clinic on vaccines, sports physicals and recommendations
- Open in the summer and on most school holidays

Contact Us
