

CHAMPIONS: WHERE LEARNING *and* FUN COME TOGETHER!

Fun, Safe, and Convenient After-School Programs

Inside your child lives a scientist, an artist, a teacher, a physician, a CEO. That's why we designed our curriculum to bring out the best in your children and help them develop stronger problem-solving, teamwork, leadership, and life skills. Our teachers inspire children to follow their curiosity across a breadth of subjects—creative arts, math and construction, library time, puzzles and games, and science—to foster mental, physical, social, and emotional growth.
