School Name	Program Type	Grade Span	Eligibility Requirements
Milby High School: CTE: Carpentry	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
Milby High School: CTE: Cosmetology	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
Milby High School: CTE: Culinary Arts	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
Milby High School: CTE: Cybersecurity	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary to be eligible for this program
Milby High School: CTE: Engineering	Careers (CTE)	Gr. 11-12	Applicants must have a qualifying application matrix score, already be enrolled in the CTE pathway, and live in HISD's boundary to be eligible. At this school, you must have an application matrix score equal or greater to 70
Milby High School: CTE: Healthcare Diagnostics	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 70
Milby High School: CTE: HVAC & Sheet Metal	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
Milby High School: CTE: Programming & Software Development	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary to be eligible for this program
Milby High School: CTE: Welding	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
Milby High School: STEM Institute	STEM/STEAM Magnet	Gr. 9-12	This school is open enrollment. All applicants are eligible to attend this school.
Mount Carmel Academy (Contract Charter)	General Education	Gr. 9-12	This school is open enrollment. All applicants are eligible to attend this school.
North Forest High School	General Education	Gr. 9-12	Applicants must have a qualifying application matrix score to be eligible. At this school, you must have an application matrix score equal or greater to 60
North Forest High School: CTE: Animal Science	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 70
North Forest High School: CTE: Animal Science	Careers (CTE)	Gr. 11-12	Applicants must have a qualifying application matrix score, already be enrolled in the CTE pathway, and live in HISD's boundary to be eligible. At this school, you must have an application matrix score equal or greater to 70

School Name	Program Type	Grade Span	Eligibility Requirements
North Forest High School: CTE: Automotive	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
North Forest High School: CTE: Automotive	Careers (CTE)	Gr. 11-12	Applicants must have a qualifying application matrix score, already be enrolled in the CTE pathway, and live in HISD's boundary to be eligible. At this school, you must have an application matrix score equal or greater to 60
North Forest High School: CTE: Emergency Services	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
North Forest High School: CTE: Emergency Services	Careers (CTE)	Gr. 11-12	Applicants must have a qualifying application matrix score, already be enrolled in the CTE pathway, and live in HISD's boundary to be eligible. At this school, you must have an application matrix score equal or greater to 60
North Forest High School: CTE: Networking Systems	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 60
North Forest High School: CTE: Networking Systems	Careers (CTE)	Gr. 11-12	Applicants must have a qualifying application matrix score, already be enrolled in the CTE pathway, and live in HISD's boundary to be eligible. At this school, you must have an application matrix score equal or greater to 60
North Houston Early College HS: Early College High School	Academic Early College Magnet	Gr. 9-12	Applicants must have a qualifying application matrix score to be eligible. At this school, you must have an application matrix score equal or greater to 65
Northside High School	General Education	Gr. 9-12	This school is open enrollment. All applicants are eligible to attend this school.
Northside High School: CTE: Cybersecurity	Careers (CTE)	Gr. 9-10	You must live in HISD's boundary to be eligible for this school.
Northside High School: CTE: Digital Communications	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 50
Northside High School: CTE: Lodging & Resort Management	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 50
Northside High School: CTE: Programming & Software Development	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 50
Northside High School: Media Magnet for Culinary Arts and Hotel Management	STEM/STEAM Magnet	Gr. 9-12	Applicants must have a qualifying application matrix score to be eligible. At this school, you must have an application matrix score equal or greater to 65
Northside High School: Web Development	Careers Magnet	Gr. 9-10	Applicants must have a qualifying application matrix score to be eligible. At this school, you must have an application matrix score equal or greater to 65

School Name	Program Type	Grade Span	Eligibility Requirements
Sam Houston Center for Math, Science and Technology	General Education	Gr. 9-12	Applicants must have a qualifying application matrix score to be eligible. At this school, you must have an application matrix score equal or greater to 70
Sam Houston Center for Math, Science and Technology: CTE: Advanced Manufacturing and Machinery Mechanics	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 80
Sam Houston Center for Math, Science and Technology: CTE: Advanced Manufacturing and Machinery Mechanics	Careers (CTE)	Gr. 11-12	Applicants must have a qualifying application matrix score, already be enrolled in the CTE pathway, and live in HISD's boundary to be eligible. At this school, you must have an application matrix score equal or greater to 80
Sam Houston Center for Math, Science and Technology: CTE: Automotive	Careers (CTE)	Gr. 9-10	Applicants must live in HISD's boundary and have a qualifying application matrix score. At this school, you must have an application matrix score equal or greater to 70
