

# *Manuel Bernardo Villatoro*

May 21, 1997- February 12, 2021

**The Challenge Early College High School community mourns the loss of Manuel Villatoro - Class of 2015. Our deepest sympathy goes out to his family, friends and other loved ones.**

**As a member of the Class of 2015, Manuel made everyone around him laugh and enjoy the moments they got to share together - and those memories will be cherished by all of us who had the opportunity to work with Manuel.**

**One of Manuel's most memorable quotes came from a class-wide project where he said: "Something that I know is that I like it when people doubt me because I like proving people wrong." One thing that is beyond doubt is how deeply he will be missed and how many people's lives he touched in a positive way.**
