Dress Code
2023-2024
MPVA DRESS CODE

• The Meyerland Dress Code was created by a Shared Decision-Making Committee that includes parents, teachers, administrators and community representatives.

• Page 4 of the HISD Code of Conduct states, “Each individual school shall adopt specific standards concerning dress and personal grooming. All students have the responsibility to become familiar with the school’s standards and the responsibility to adhere to them.”

• Parents/guardians will be called and asked to bring a change of clothes for students who come to school out of dress code.

• Repeated dress code offenses will result in disciplinary consequences.
Why do we have a dress code?

- It helps to easily spot the trespassers.
- It allows students to concentrate on school activities.
- It makes it simpler to get ready for school every day.
- It limits the need to follow the current fashion trends.
- It creates a sense of belonging and encourages school pride, while still allowing individuality.
