Important Tasks and Updates

1. Sign into Microsoft Teams using your HISD account.
   - **What is it?**
     - A program for communication, video conferencing, posting materials, etc.
   - **How do I access it?**
     - It should already be installed on your HISD computer, but you can also access it online through your browser (google Microsoft teams), or by downloading the app for your phone/iPad/etc.
   - **What do I do with it?**
     - For this class, I will be using teams for communicating with the class. I will post announcements, hold tutorials, etc.
     - Notes will be posted on the HUB, as well as some assignments.
     - **MOST assignments will continue to be posted through Pearson at this time.**
     **Other teachers may have different plans. Please check in with each teacher.**

2. What is expected of me for this class?
   - **Sign into Teams once a day to check announcements.**
   - **Complete your weekly tasks**
     - I will be posting lectures, notes, assignments, etc. on week-by-week basis.
     - This will allow you to complete the tasks when it fits your schedule throughout the week.
   - **Ask questions and advocate for yourself**
     - I am here for you! Ask for clarification, assistance, tutorials, whatever you need. This includes non-class related help like emotional support, food assistance, etc.
   - **Be a kid, relax, take care of yourself and your family. STAY HOME, PLEASE.**
