Dear Piney Point Elementary School Families,

We appreciate your patience and support with the transition to online learning, so students can continue to gain required knowledge and skills. As the 2019-2020 school year ends, we want to inform you about the modified year-end process due to COVID-19. This process will allow you to receive students' personal items and return school items.

Classroom teachers will gather student's belongings to send home. Items that are not picked up by Friday, May 29, will be donated or recycled.

We ask all of our families to try to come by car for everyone's safety. If you do not have access to a car, then you can walk up Friday morning.

Please gather all library books that need to be returned to school. Families also have the option of returning school technology if it is more convenient for you than waiting until July.

Student items will be grouped together according to the oldest sibling, so families only need to come to the school one time. Please see the next page for a description of the procedures we will follow. If you have any questions, you can call the school beginning Thursday morning, May 21. You can also e-mail Ms. Lahana with questions at [nlahana@houstonisd.org](mailto:nlahana@houstonisd.org).
