Burrus Elementary

- Budget
- Projections
- Fall Staff Review
- Snapshots
- Student Discipline
- Independent Heights Festival
- HFW
- TIER I, II, & III
  *instruction

Have a wonderful Thanksgiving!

The meeting was called to order at 12:00 noon. The following members were present; Rev. Ray Mackey, Tonya Debose, and Mr. Woods opened the meeting with budgeting; he informed all committee members that a date for holding a budget meeting would be coming from the North Region Elementary. Once he was notified that he would let all members know a
time and date to move forward on this issue. Rev. Mackey asked how were we doing our number and Mr. Woods stated that we were still below our normal projection and he reminded us that the projection was not made from the Burrus Administration. He also reminded us that we had to be very frugal with our spending as the year goes by. Mr. Woods also addressed the Fall Staff Review and the rationale behind the review. Mr. Kyle Mackey was invited to the meeting to give the committee a quick overview of how this system works.

Ms. Rachel Tavera and Mr. Mackey was invited to speak to the committee about the importance of the HISD Snapshots assessment and how they could determine our top stops which was much need for determining our meet and master students for the STAAR. Ms. Tavera has been working with Burrus Elementary Data for years here at Burrus. Ms. Tavera gave the committee a quick review of the Domains as well as what was needed to become very successful in all three Domains. Mr. Mackey ended their presentation as to how we could address many of our approaching students in the IAT.

The other items discussed by the Mr. Woods were items that we have been addressing since the start of school and over the last few years such as discipline. The major concerns for the administration are to add another component in our discipline system such a conflict resolution timeout center especially for students who tend to be major challenged for themselves and the administration. Mr. Mackey was asked to give a refresher course on TIER I II and TIER III and how we would focus on our low TIERII and TIER III students the closer we get to STAAR.

Final comments from Ms. Erin Green Magnet Coordinator was invited to the meeting to let us know about the magnet students performing at the Independent Heights festival. Mr. Woods thanked Ms. Green for the great job that she has done this year as the magnet coordinator. The meeting was adjourned at 1:30 PM. Next meeting was announced for December 2018 time to be announced.
