## General Information

### After-School and Evening Events

Students are encouraged to attend after-school and evening events if permitted to do so by a parent. A student may not attend an after-school/evening event unless the student was in attendance for the full school day on the day of the event. Exceptions may be made to this practice on a case-by-case basis with the approval of the building administrator.

### Arrival and Dismissal of Students

Students may arrive at school at 6:30 AM and must wait in a secured area designated by the administrator/personnel on duty. Students will report to their designated areas at 7:00 AM.

8 <sup>th</sup> Grade	CAFETERIA
7 <sup>th</sup> Grade	GYMNASIUM
6 <sup>th</sup> Grade	AUDITORIUM

All students are to be in class by 8:30 AM. School is dismissed at 4:30 PM. Your child should be picked up no later than 5:00 PM. If you are unable to pick up your child/children on time, please make after-school childcare arrangements and contact the school as soon as possible. The proper authorities will be contacted on behalf of those students who are not picked up by 6:00 PM. If you are late picking up your child, you will be required to come into the building and sign the sign-out log.

**PLEASE NOTE: IN THE INTEREST OF STUDENT AND STAFF MEMBER SAFETY AND BUILDING SECURITY, PARENTS WILL NO LONGER BE ALLOWED TO WALK STUDENTS INTO THE BUILDING FOR DROPOFF DURING MORNING ARRIVAL TIMES.**

**PLEASE NOTE:** After 8:30 AM, parents or guests must check in at the front desk and have a visitor badge to proceed into the classroom areas – no exceptions. **Parents must have an appointment to meet with any administrator or other staff member. If parents do not have an appointment they may leave a statement and request an appointment.**

Walkers are dismissed at 4:30 PM. A student is a “walker” only if he/she is walking home on his/her own.

**DRIVING, PARKING, AND PEDESTRIAN SAFETY:** Please obey posted signs and driving laws and exercise good safety practices when dropping off and picking up students in the mornings and afternoons. Please follow these rules:

- Do NOT park in the teachers parking lot or small parking lot to pick up your student during dismissal.
- Do not use a cell phone while driving in the school area. Distracted driving presents a danger to car riders and pedestrians alike.
- Adhere to the school speed zone limit of 20 mph.
- Cars parking or standing within 30 feet of crosswalks is prohibited by law.
- Cars should not block intersections at any time.
- No child will be allowed to cross the street in the middle of the block.
- Do not make U-turns on streets around the school.

## FONDREN MIDDLE SCHOOL

- Do stop while school buses are stopped to load and unload students.
- When dropping off or picking up students, stop your car on the right-hand side of the street and have your children get in and out of the car on the curbside.
- When crossing the street, students should cross with the crossing guard at the crosswalk.
- Do not park your car in areas marked "No Parking". It poses a safety risk to students and police give tickets in these areas.

**PARENTAL CHANGE OF STUDENT DISMISSAL PLAN:** As an extra safety precaution, any changes requested to a student's afternoon dismissal plan must be communicated directly to the teacher of record and/or the Fondren Middle School office. An email or written letter to your child's teacher is encouraged. The office will require that a parent communicating a dismissal change over the phone must provide the driver's license number that is written on the student's enrollment form on file with the school and/or confirm any other enrollment information. To inform your child of a change in his/her dismissal plans, please notify the office by 2:30 PM., and the message will be relayed to your child's teacher.

### Appointments / Early Departures

We encourage you to schedule your child's doctor and dental appointments around school hours and advise you to keep early departure requests to a minimum. The last minutes of a class day are as important as the first minutes of the day. Teachers use this time to summarize and recap what was learned during the day. They also use the time to organize information for homework. It is very important that children complete the day with their classes.

If scheduling an appointment before or after school is not possible, you must: Come to the main office to sign out your child in order for your child to be released. Your name must appear on the enrollment card. Present a picture I.D. If your child is cleared by the doctor/dentist to return the same day to school, present the doctor/dental note upon return. Early releases will be monitored by the attendance office. A pattern of regularly leaving the school early is also grounds for automatic retention, non-renewal of transfer and/or court action for you and your child. We request a 24 hour notice of doctor appointments so we may prepare any work the student may miss and send home with them to complete.

**In order to help us ensure the safety and security of our children, students will not be released after 3:00 PM..** Students will only be checked out to adults who are listed on the enrollment form. Students who leave campus before dismissal will not be called to wait in the front office before parent/guardian arrives. If an emergency requires that your child be released to someone else, you must provide written notice. Students will not be released to anyone under the age of 18.

### Attendance and Tardies

Fondren Middle is committed to the philosophy that every student should attend every class, every period, every day. Daily attendance and promptness are expected in all classes and are essential for success in school. Since attendance represents a critical part in the overall success of each student, when a student's absenteeism is excessive, the school will send a letter to the student's parents/guardians. The letter states the total number of student absences and the importance of school attendance. If the student's attendance does not improve, the school will take additional steps to ensure the parent/guardian is aware of your child's attendance.

The official attendance for the day is taken at 10:00 AM. A student who is not physically on campus at 10:00 AM. is absent unless they present official documentation of a visit made that same day to a doctor, dentist, or other medical/clinical professional.

**Attendance Guidelines:**

**1. Daily Absence Reporting:**

- a. Parents/guardians should notify the school by phone/letter each day a student is absent. If the parent/guardian fails to notify the school, the school will attempt to contact the parent/guardian.
- b. All absences except those for school-sponsored activities, will count against a student's attendance.
- c. The school encourages parents to schedule doctor and dental appointments after school hours.
- d. Excessive absences can result in an automatic retention, non-renewal of transfer and/or court action for you and your child.
- e. Notes received after 3 days will automatically be considered unexcused.
- f. Parents/guardians may be required to submit supporting documentation in order to excuse the absence of their student if student absenteeism is excessive. For example, for the absence to be excused, parents/guardians may be asked to submit written notification from a licensed physician stating the reasons why a student is unable to attend school.

**2. Tardiness:** A student is tardy if she or he is not present at the start of class. A student arriving to class after 8:40 AM. without proper authorization is considered truant. A student arriving late to school must report to the office for a tardy pass **with their parent.** Students who are frequently tardy may be subject to disciplinary measures. A pattern of regular tardiness is also grounds for automatic retention and/or court action for you and your child.

**3. Excused Absences:** The only acceptable excuses for an absence to be excused are:

- Personal illness (fever, vomiting or diarrhea)
- Dental or doctor appointments (note required from physician)
- Death in the family
- Quarantine
- Weather or road conditions making travel dangerous
- Emergencies or any unusual circumstances recognized by the principal
- Observance of religious holidays
- Health services provided to Medicare-eligible students
- School sponsored or school sanctioned activities away from the campus (no parent note required)
- Court appearance of the students-documentation required

When we receive notes from parents with acceptable reasons for absence or notes from a doctor on their stationery, these absences are considered excused absences. Excused absences will cause a student not to have perfect attendance but will not be considered truancy unless there is an extreme number. **Written excuses from parents will only be accepted for 3 absences to be counted as an excused absence. Written excuses from your child's doctor will only be accepted for 5 absences to be counted as an excused absence.** If you need any additional absences to be counted as excused absences, the parent will need to meet with the

Principal or School Nurse to have them excused; otherwise they will count as unexcused absences.

4. **Unexcused Absences:** Family vacations and midyear trips are unexcused. Please plan your family vacations/trips around the 2024-2025 school calendar. Research shows that loss of more than five days of school could greatly impact social and academic achievement. All other reasons will be considered an unexcused absence if not approved by the Principal.

Every moment is a learning moment when your child is at school. We work to make the most of your child's educational experience when they are here.

### ***Compulsory School Attendance Laws***

#### TO PARENTS OR TO PERSONS STANDING IN PARENTAL RELATION TO CHILDREN

This section is to inform you of Senate Bill 1432 as passed by the Texas Legislature effective September 1, 2001. The law states that if a student is absent from school three (3) days or parts of days in a four week-period without parental consent or is absent without an excuse for ten (10) or more days or parts of a day in a six-month period:

- The student's parent or legal guardian is subject to prosecution under Texas Education Code 25.093
- The student is subject to prosecution under Texas Code 25.094

It is your duty to monitor your child's attendance, require your child to attend school and request a conference with a school official to discuss absences. Parents or legal guardians are subject to prosecution under Texas Education Code 25.093 (b) for failure to require their child to attend school.

Once enrolled in a Texas public school, all children beginning at age 4 (PK) are subject to the Compulsory School Attendance laws.

### ***Perfect Attendance***

Perfect Attendance will be awarded at the end of the school year to students without any absences and tardies.

## **Breakfast, Lunch and Snacks**

Fondren offers a state - and federally approved breakfast and lunch program. Menus can be found on the district website.

Food service maintains an account for each student. An account balance, a listing of student purchases on the student's account as well as other account options are available for parents at [www.schoolcafe.com](http://www.schoolcafe.com). Students are encouraged to purchase meals in advance in lieu of carrying cash daily. We recommend all breakfast and lunch payments be made online at [www.schoolcafe.com](http://www.schoolcafe.com). If there are any outstanding balances for lunch, your child will not receive a regular lunch but will receive a sandwich and milk until the outstanding balance is taken care of. New students will incur the daily charge until the application has been approved.

## FONDREN MIDDLE SCHOOL

Students may also bring lunch. Please label lunch boxes with your child's name. Soda and fast-food lunches are discouraged.

### **Free and Reduced Lunch:**

Breakfast is currently free for all Fondren students and is provided between 7:30- 8:15 AM. during morning arrival.

Students may be eligible for free or reduced-price lunch based on federal income guidelines. Forms are available in the school office and on the district website. Surveys must be submitted for each household annually, and they may be submitted at any time during the school year should the need arise. Disclosure of free and reduced-price meal application and eligibility information will be limited in accordance with applicable law.

**Breakfast:** Monday through Friday 7:30 AM. to 8:15 AM.  
(*Students who arrive after 8:15 AM. may not be served breakfast*) \*

### **FEDERAL CAFETERIA GUIDELINES**

- Food cannot be shared (siblings, parents and classmates may not eat off each other's plates).
- Food may not be taken out of the cafeteria.
- Under no circumstances is a parent or guardian to eat off a child's plate.
- See section Deliveries to School

## Calendar

Please refer to the 2024-2025 Academic Calendar for important dates such as holidays and report card dates. A school calendar can be found on the Fondren MS website with upcoming events along with call outs completed to inform parents.

## Cancellations and Emergency Closings

Make a plan for rainy or "bad" days. Be sure that your child is familiar with your plan and can follow it. **Please do not call the school office with instructions and messages. This should be handled in advance.**

If it is necessary to close school for the day because of weather conditions, this information will be carried by all local radio and television stations. **Please do not telephone the school**, the Police Department or local stations. This will tie up needed communication lines. Whenever possible, the decision will be made before 6:30 AM.

Occasionally it is necessary to dismiss school during the school day. Please have a plan for your child to follow in such a case. HISD buses will run in these instances and information is carried on all local radio and television stations. Please do not plan to call the school with last minute instructions; this will be impossible with the number of students we have enrolled. If school is closed during the day, parents should come as quickly as possible to pick up their students.

**If Houston has severe weather conditions, watch the TV or listen to the radio; HISD will inform the media when schools are closed.**

## Cellphone/Electronics

## FONDREN MIDDLE SCHOOL

Students are allowed to have a cell phone in their backpack to use only to communicate with parents after school starting at 4:25 PM. **Cell phones and other electronics are not allowed to be on or used during the school day.** Cell phones and electronic devices that are visible (seen or heard) during the school day will be confiscated and turned in to the office. The parent will be contacted by either the teacher or an administrator. The student's parent will have to come to the office to retrieve the phone by paying a \$15.00 fee as stated in the Code of Student Conduct to pick up the phone. **The school will not be responsible for the lost cell phones and other electronic devices.**

The possession of laser pointers and other unsafe electronic items is prohibited in the school buildings. All other electronic devices, such as, but not limited to, cell phones, tablets, e-readers, headphones may be in the student's possession as long as the device remains off and is not visible during the school day. The school district will not be responsible for lost or stolen items.

Any cell phone usage, picture-taking or text messaging is prohibited during school hours.

After 30 days, the principal or other administrator will notify the parent of intent to dispose of the device. Any electronic device not claimed will be sent to HISD Property Management for disposal.

**Note: Fondren Middle is not responsible for lost, stolen, or damaged electronic communication devices or any charges incurred as a result.**

### Cell Phone During Testing

Teachers will collect all student cell phones, label, and secure them in a large ziplock bag until the end of testing. Any student who violates the Cell Phone Policy during testing will be subject to having his/her test invalidated and will be removed from the testing environment. Parents will be notified of this decision. Students will not be allowed to make up any portion of his/her assessment missed due to this infraction.

### Change of Address/Telephone Number

In order for the school to handle emergencies, maintain communication, and keep records current, please notify the school office immediately of address or telephone number changes.

### Civility Policy

Fondren Middle has adopted a civility policy (Board Policy GKA). The policy relates to the use of respect and courtesy in relationships and communication among school officials, students, parents and members of the public. A copy of Board Policy GKA is available for review in every school building and on the district's website. The purpose of the policy is to maintain, to the extent possible and reasonable, a safe, harassment-free workplace for students and staff.

Uncivil behavior is defined as any behavior that is

- 1) physically or verbally threatening, either overtly or implicitly, as well as behavior that is coercive, intimidating, violent or harassing, and
- 2) directed toward employees, students, parents, patrons, visitors or anyone having business with the district.

Examples of uncivil behavior include, but are not limited to:

- 1) use of profanity;

## FONDREN MIDDLE SCHOOL

- 2) personally, insulting remarks;
- 3) attacks regarding a person's race, gender, nationality, religion, disabling condition or any other personal characteristic,
- 4) use of vape pens, marijuana, or other illegal drugs/substances,
- 5) behavior that is out of control.

Students who violate this policy may be disciplined. **Parents who violate the civility policy may be restricted from being present on school district property or have restrictions placed on their communications with district personnel.**

### Communication

Teachers will communicate with parents via telephone, e-mail, school agenda/notes, or personal contact. You are always invited to schedule a conference with your child's teacher during their conference period. Remember not to interrupt your child's teacher during their instructional time as they are responsible for all children's learning.

### Counseling Services

TBD

### Criminal Code Notifications

Pursuant to Chapter 62, Article 62.03 and 62.04 of the Code of Criminal Procedure, effective September 1, 1997, notification is hereby made of our procedures for school notification of registered sex offenders.

The official notification is received by the Superintendent of Schools who then forwards copies to each school. A file is maintained in the main hall way for public inspection of all offender notices received.

The notice may include any information deemed necessary to protect the public including, name, gender, race, date of birth, street name and zip code of offender's residence, offense, age of the victim, and date of registration. Information is available during regular business hours.

### Curriculum and Online Resources

TBD

### Custody

If you and your spouse are separated/divorced and you have legal/primary residential custody of your child(ren), we need to have a copy of your custody papers on file. If at any time you feel that a problem may occur, we need to have knowledge of this in the school office. This is the only way we can be of any help in preventing additional problems from happening at school.

### Deliveries to School / Forgotten Items

Occasionally, as students exit their cars in the morning, they realize that they have forgotten a backpack, instrument, etc. You may leave those items with the front office, and we will ensure your child receives it. Any items dropped off must be left by a parent/guardian, or a person authorized by the parent/guardian. Do not make a habit of dropping off items every day for your

child. Because this is a secure lobby, **do not text your student to meet you in the lobby or come up to this area to pick up anything that has been dropped off.**

Note: Students are allowed to carry in their own lunch from home in the morning. However, **we will not accept food and beverage drop-offs/deliveries for students**, including from outside vendors, even if a parent orders the lunch. Examples are DoorDash, Uber Eats, or any other delivery service. Remember that money can also be added to student lunch accounts electronically via our district website.

Items (homework, lunch kits, etc.) forgotten in the classroom after dismissal may not be retrieved until the following day due to safety concerns and encouraging student responsibility for items.

## Dress Code

The faculty and staff of Fondren Middle School expect students to come to school each day dressed appropriately to ensure focus on learning, and safety for everyone on campus. Each student's appearance should always reflect a positive image of the school at all times on campus and while representing Fondren Middle School at school related activities. Our campus values and needs the support of parents in upholding our dress code. The following guidelines outline appropriate dress for all students.

### New students:

Students who fail to comply with the standards may be warned, parents will be contacted to provide an alternate article of clothing if available, or disciplined as determined appropriate by the principal.

### Emergency Drills

Our school has developed an emergency plan for any crisis which might occur. This emergency plan is devoted to the welfare and safety of your child during school hours. We have a crisis management team that reviews, updates, and trains the staff to care for your child at school.

Students will be informed of the appropriate action to take in an emergency. Drills for fire, weather and other emergencies shall be conducted each school year in accordance with the requirements of the district and Fire Marshall. Evacuation routes are posted in each room.

**You will be notified of crisis situations.** For this reason, do not contact the school or attempt to call your child about an emergency. Telephone lines may be needed for emergency communication. Therefore, it is critical that you provide the school with correct contact numbers, work numbers, cell phone numbers, etc. **By providing as many telephone numbers as possible the chances of our being able to contact you in the event of an emergency increases.**

### Enrollment Information Sheet

An enrollment information sheet for each student must be on file in the office. If there is a need to contact you during the day, school personnel will use the contact numbers listed. **If there is a change of address or contact number during the school year, please notify the school immediately to make the necessary updates.** It is very important for the safety of our students that the parent's contact and emergency numbers are kept current during the school year.

### Excused Participation from Physical Education Classes/Dance

If your child is to be excused from participation in activities in physical education/dance classes for health reasons, a written doctor's recommendation is required. Students will be required to attend the classes for the instructional components and complete an alternative assignment or to complete missed activities when physically able to participate.

### Grading System

**PowerTeacher Pro:** HISD uses a web-based grading system called PowerTeacher Pro. Parents can use this tool to monitor their child's academic progress throughout the school year. To register for these services, go to [www.houstonisd.org](http://www.houstonisd.org) and click on the Parents tab. There is a banner at the top of the page titled Parent Student Connect. From here you can register as a first-time user, log-in, or seek help. To register, you will need to have the following information: parent first and last name, student ID number, student address, student date of birth, and the last five digits of the student social security number. If the child does not have a social security number, or if this information has not been provided to HISD, use the last five digits of the "S-Number" provided to your child. Please call the school if you do not know this number.

**Reports Cards:**

Report cards will be issued at the end of each six weeks. A progress report will be issued every three weeks

**Progress Reports:**

Progress reports are issued to students six times during the year. Please contact your child's teacher if you have any questions about the progress reports or your child's grades. The grading is as follows:

**Grades**

90-100    A = excellent  
 80-89     B = good; above average  
 75-79     C = satisfactory; average  
 70-74     D = below average  
 below 70 F = unsatisfactory; failing

**Conduct**

E = Excellent  
 S = Satisfactory  
 P = Poor  
 U = Unsatisfactory

If a student is not progressing satisfactorily in any grade level, parents are sent preliminary progress report at the midpoint of the grading period and at other times as necessary. Parents must sign and return the reports. **Conferencing with the teacher is strongly recommended anytime a student's progress is unsatisfactory.**

Standardized tests, and meeting standards on a norm-referenced test. Your child's teacher can explain these requirements to you. In addition, the standards can be viewed online at [www.houstonisd.org](http://www.houstonisd.org) information will also be sent home with students.

### Hall Passes/Cones

### 15/15 Policy

**If your child has a medical condition which requires frequent restroom breaks, it is highly recommended that you provide medical documentation to the school nurse.**

### Homework

Generally, no homework is assigned during the week; however, exceptions may include special projects and/or extensive make-up work. Students are encouraged to read daily and may be asked to log such reading on the weekend.

### Lost and Found

Many items are carelessly left in the building. All unclaimed articles are placed in the lost/found area in the building. These things may be reclaimed upon proper identification. **All unclaimed items are given to charity in December and in May.**

### Medical Information

For the safety and protection of all students, medication (prescription or over the counter) may not be brought and kept by students to be taken during the school day. School nurses may administer medication during the school day if medication has been prescribed for a chronic or ongoing condition.

### Special Education

#### 504 Services

Section 504 protects qualified individuals with disabilities who do not qualify for services under

**Special Education.** Under this law, individuals with disabilities are defined as persons with a physical or mental impairment which substantially limits one or more major life activities which adversely affects the student's instructional opportunities. A qualified 504 student receives his/her appropriate AIP (Academic Individual Plan) and all teachers who teach the student receive and implement the student's AIP.

### **RTI/IAT**

Process for delivering scientifically based instruction and interventions to facilitate student learning of academics and behavior.

- All children are taught using high-quality instruction in the general education setting.
- Intervention occurs early when learning and behavior problems are small using universal strategies.
- To meet student academic and behavioral needs we apply graduated levels of interventions (tiers).
- Progress is monitored, and all decisions are data-base.

### **Special Education Requests**

As a parent, guardian or advocate, you have a legal right to request that your public school evaluate your child for special education. Federal law, the Individuals with Disabilities Education Act as amended in 2004 (IDEA), gives you that legal right. States, through local school districts, must “identify, locate, and evaluate every child who may have a disability requiring special education services.” This is called “Child Find.” When there is suspicion that a child has a disability, parents and educators have a responsibility and a right to request a full, individual, comprehensive, multi-disciplinary evaluation.

Parents may request an evaluation in writing. These requests should be sent to your child’s principal or the school special education department chair. Parents should retain copies of all correspondence relating to their child and follow up with the school principal on the status of the request.

## **Student Media Consent and Release**

Throughout the school year, the district or school might print, photograph, or video students for use in efforts to promote HISD’s activities and achievements. Examples might include but are not limited to:

- Materials to train teachers and/or increase public awareness of HISD schools through digital and print media
- A special event or program at a school might be covered by a newspaper or radio/television station, resulting in student interviews and pictures.
- Award-winning students might have their names and photos published in a local newspaper, a school newsletter, or the districts newsletter
- The district or school might post pictures of school activities on webpages and social media.

If a parent or guardian does not want their child’s image or information shared for this purpose, please contact your child’s school to complete the Student Media Consent and Release Form.

### Student Use of Technology Resources

Students will have access to web-based tools, digital resources and applications that support curricular objectives, and these online services may collect, use and disclose personal information (such as student names and email addresses). These online services are used only as an extension of the student's learning and classroom activities. In accordance with Board policies and regulations, students will be strongly discouraged from providing any other personal information. Parents and guardians should contact their child's teacher if additional information is needed about websites and online services being used for learning in their child's classes.

**Students are held responsible for technology that is broken and parents will be responsible for paying the cost of replacing the broken equipment.**

### Students on Premises After School

All students must be under the direct supervision of a staff member. **Students should have transportation available within 15 minutes after all student activities and are to wait in the designated area.**

### Telephone Usage

Messages for students may be taken by the office when there is an emergency or when it is essential for a student to receive information. Since office telephones are constantly in use for school business, students may not use an office telephone to call home unless there is an emergency.

This includes, but is not limited to, all district buildings, on or about district grounds, on school buses, in district vehicles and at all school activities.

### Visitors to the Building

We encourage parents and the community to visit our school. When planning to visit, please contact the office at least one day in advance so the building principal can set a schedule. The principal has the discretion to set reasonable parameters on school visits (length of stay, number of visitors, etc.). No visitors are allowed on campus during secure testing such as STAAR administrations.

Visitors should limit their visit to the area(s) of the building they have indicated upon check-in with the office. Unauthorized persons found on school property may be subject to arrest or other legal action. Unruly or disruptive conduct by visitors that interferes with the educational

## FONDREN MIDDLE SCHOOL

environment or with extracurricular activities may result in limited access or revocation of visitor privileges to school property or functions.

Please note that the exterior doors are locked during the school day. Visitors must enter the building using the front doors and report to the office. If a visitor needs to enter the building other than the school office or check out a student, **the visitor, including parents, must register by presenting a valid, state-issued ID to the school's office staff.** Visitors entering the school beyond the office must receive a printed ID sticker that must be worn and visible during the entire stay. ### Volunteering at Fondren

Fondren's volunteers make valuable contributions to our school. Parents, guardians, grandparents, and community friends are encouraged to be volunteers at our school. All interested persons must complete HISD Volunteers in Public Schools (VIPS) registration and background check prior to serving as a volunteer according to district policies. You must go online and register. Additionally, you must present a copy of your ID to the front office where a copy will be made and placed on file. Allow 4 – 6 weeks for the approval process. It is recommended you complete the VIPS registration at the beginning of the school year. **Parents are responsible for updating their status yearly.** There is no rollover from year to year. You must go through the volunteer enrollment process each school year.

Volunteers are used in reading programs, in the offices or cafeteria, in the teacher's workroom to prepare materials for teachers, for field trips, and with Fondren projects as well as other areas of need. Once cleared through VIPS, sign in at the office upon your arrival and get a Volunteer badge to wear. Always record the amount of time you volunteer. Our goal is to have every parent and family involved in our school!

NOTE: Volunteers may not discuss any confidential information such as student progress or discipline issues of students who are not their own children. Volunteers must follow all district policies and regulations when on campus. Violations of policy can result in the loss of the ability to volunteer.

### Walking, Riding Bikes and Riding Skateboards

Due to safety concerns, skateboards, skates (including shoes with rolling wheels such as "wheelies") are not allowed on school property before, during or after school. However, should it become necessary for a student to ride a bike to school, the student must obey the same rules as a motorist, and it is recommended a safety helmet be worn. Students should dismount and walk their bicycles to the approved school site for bicycle parking. It is recommended students use bike locks during school hours. The district and the school are not responsible for the theft of or damage to a bicycle parked on school property.
