COLLEGE HS**

WHY CHOOSE A MENTOR?

New students may be overwhelmed at the academic expectation the school upholds compared to other non-Early College schools. However do not fear, joining our program guarantees guidance and provides a back-bone for any unexpected events your son/daughter may face as freshmen.

WE CAN DELIVER WELL!

All mentors applied of their own accord for this opportunity to aid their underclassmen. All mentor have been screened twice in order to ensure their capabilities. All mentors have the skills and grades to sufficiently secure success within their next four years..
