<p>What's going well? Support needed?</p> <p>Let's Partner on: 4:45-5:10pm</p>	<p>4th Grade Reading</p> <p>-----</p> <p>Teacher Share Out:</p> <p>Ms. Rodriguez (Science) – Talked to the committee about Edu Smart a possible program for Science school-wide and the gaps she is seeing in 3rd,4th, and 5th grade. Rodriguez communicated to the group how easy it is to use and that it is very interactive is for students. It teaches them vocabulary and it has planned lessons for teachers to execute.</p> <p>Garden Project – Rodriguez will purchase items for students with money gifted from West University Methodist Church. Rodriguez will buy plants for the garden and is working on planning a schedule for all classes to plant in the Shearn garden.</p> <p>Science for the new year – possible unit planning for every grade level. (materials and lesson prepared ahead of time – possible in the summer)</p> <p>Ms. Rodriguez (Kindergarten) – Communicated she is very interested Head Sprouts by Raz kids – interactive Literacy. She will send out an email to Pre-K-2nd grade if they are interested in using. Suggested a sign out sheet for ancillary teachers to keep track of kids during the fire drill. Ms. Sara Rodriguez committed to talking to ancillary about a bathroom log. Romero committed to emailing staff about all teachers adding ancillary to DOJO. Ms. Sara Rodriguez will send an email to staff about notifying teachers about who is absent.</p> <p>Romero – find out where are the IPADS are at and who is using them the most.</p>
