

PUSHING PAST ORDINARY... MOVING TOWARDS EXTRAORDINARY!!!

Principal's Corner

Dear Colts Family,

I would like to thank everyone who came out to support us during the dedication of the new Evan E. Worthing High School. Our campus was filled to capacity with alumni, community leaders, and local elected officials. There was a performance by alumni Kathy Taylor, speeches commemorating the moment, student reflections and most importantly the ribbon cutting. The completion of our school allows our students unlimited exposure to possibilities they once thought were unattainable. We look forward to hosting a fitness program, community health fair, and so much more in our new facilities.

I would like to invite parents and guardians to Parent University. HISD has been hosting Parent University throughout the district and we are the host school on Thursday, February 21st. There will be dinner served beginning at 5:30 P.M., a resource fair of community vendors, and informative sessions for parents covering a variety of topics. There will also be free childcare. Come out and join us to learn how you can help your student excel in the classroom.

Lastly, I want to congratulate Mrs. Jolivet-Gronski and the Worthing Colts on Fire Robotics Team for hosting the First Annual FIRST Lego League (FLL) and FIRST Lego League Jr (FLLJ) Robotics Competition on our campus. There was participation from over 300 elementary and middle school students. We look forward to the continued success of this program.

As you have heard me say so many times, "you miss a day, you miss a lot." Continue to review upcoming events on our various social media platforms as well as the newsletter. I'm sure to see you all at many of our upcoming events.

THE FILLY GAZETTE

Black History
Month Edition

February 2019

MESSAGE FROM THE PRINCIPAL

Khalilah Campbell-Rhone, Principal

On behalf of the faculty and staff, I would like to welcome you to the website for Worthing High School. Worthing has a history of academic accomplishments coupled with a unique campus atmosphere, in a community surrounded by Sunny Side pride.

We, the faculty and staff of Worthing, commit to advance our students academically, intellectually, and socially to prepare them for leadership in an ever-changing global society. We encourage our students to take full advantage of every opportunity to look at the world through informed eyes and broaden their horizons, by actively embracing our school culture.

College Readiness

Worthing's College Center is committed to providing higher education access to 9th–12th grade students and works closely with campuses and district departments to create and maintain a college-bound culture throughout the school year. Starting the 1st Semester, students and parents are highly encouraged to take charge of their learning, connect with others about post-secondary education, and dive into preparing for college early. The College Center's staff aim is to help more students graduate from high school with the skills they need to enroll, succeed, and complete college.

Update 1/28/19

We are excited to have Discover U back on campus. Discover U FLO advisors are on campus in the college access room weekly to assist students in applying for Fantastic Learning Opportunities (FLO) out-of-school (i.e. during the summer) programs. Students can choose a FLO based on their interest and abilities. Some FLOs are free and others may require tuition and/or travel fees that range from \$50 to \$3000. Scholarships to participate in FLOs are available based on student needs. See the attached flyer or log onto www.discoverus.org for more information.

Research and Engineering Apprenticeship Program (REAP)

Career: Math
Science

College
Immersion

Research & Engineering Apprenticeship Program (REAP) is a summer STEM program that places talented high school students, from groups historically under-represented and underserved in STEM, in research apprenticeships at area colleges and universities. REAP apprentices work under the direct supervision of a mentor on a hands-on research project. REAP apprentices are exposed to the real world of research, they gain valuable mentorship, and they learn about education and career opportunities in STEM. REAP apprenticeships are 5-8 weeks in length (minimum of 200 hours) and apprentices receive a stipend.

High School Apprenticeship Program

Career: Math
Science

College
Immersion

The High School Apprenticeship Program (HSAP) provides high school students with an authentic science and engineering research experience alongside university researchers sponsored by the Army Research Office. Through these commuter programs students will develop skills in Army critical science and engineering research areas in a university lab setting to prepare them for the next steps of their educational and professional career. A primary objective of the HSAP program is to provide a mechanism to expose new students to research opportunities in the sponsored laboratory. Thus persons with recent prior affiliation with a specific laboratory may not be eligible to receive an apprenticeship through this program.

Will we run out of oil and what will replace it? Natural gas, nuclear, solar, or wind? How do we run our cars, businesses, and homes and still have a clean environment and avoid dramatic climate changes? These are just a few of the questions you will explore with the University of Houston Bauer College faculty and industry experts. In this program, students will be given a sustainable product they must build that will shape the future.

Parental Engagement

The Parent Center at Worthing High School is open to the parents/guardians of our students as well as Sunnyside community members. The Center is open during regular school hours. Some of the services offered include a computer lab, internet access, online classroom, translation services, and a community meeting room. If you have questions regarding the use of the Parent Center, please contact Mrs. Cobb at 713-733-3433.

FOR MORE INFORMATION

Parent meetings are held monthly and announced via social media, call outs, and flyers.

TRIVIA COBB, PARENT LIAISON Office: 713-733-3433

Parent Teacher Association

Parent Message

The Evan E. Worthing High School Parent Teacher Association (PTA) is in need of officers for the school year. There are so many benefits to becoming a member of the PTA. Parents, teachers, and members of the Sunnyside community are welcome to join. As a member of the PTA, members can connect with other parents, caregivers, and community members to advocate on behalf of the school. Last year, there were many challenges facing our students. The success of being removed from improvement required status and continued operation of our campus was a priority to our PTA. The members worked diligently with faculty and staff to ensure Worthing High School would remain the "Pride of Sunnyside." Take some time to attend the next meeting on Thursday, February 14, 2019 at 6PM.

Calling All Watch D.O.G.S. (Dads of Great Students)

The effects of fatherlessness can be felt in homes, schools, hospitals, and prisons. We want to have a positive impact in the lives of all our students. We are calling on the mighty men of Evan E. Worthing High School to touch every student. If you are a dad, uncle, brother, cousin, or concerned member of the community we need you on our campus.

#VolunteerTheWorthingWay

VOLUNTEERS/COMMUNITY PARTNERS

We have all heard the adage, "It takes a village to raise a child." We would like to thank all our volunteers and community partners who were called upon for various reasons to ensure the 2017-2018 school year was a success. Volunteerism over the past year has significantly increased. To ensure we exceed our goals for the upcoming academic year renew your VIPS status by going to www.houstonisd.org/VIPS. Contact Mrs. Cobb or Mrs. Jimenez if you have any questions or concerns.

**The number one reason
why parents don't get
involved with their
children's school is because
they're not asked!**

Please consider yourself asked!!!

Campus News

Spanish Club

The Spanish Club created a mural in honor of Black History Month. The mural can be found outside room 123.

English/Language Arts Department

English Retest is offering tutorials Monday thru Thursday after school and Saturdays 9:00 am until noon.

Senior Dues

Senior dues have been established to offset the cost of senior year fees. The fees are available as bundles and include 4 different packages. The packages are \$550, \$435, \$350, \$175, and \$100. Payment can be made by cash, credit/debit, or money order. If you are interested in viewing the content of each package or have questions, please contact our Senior Sponsors Ms. Charles or Mrs. Stewart at 713-733-3433.

Red Cross Club

The Red Cross Club will host a blood drive on Tuesday February 12th from 9 a.m. – 3 p.m. See Majorie Valal to sign up or if you have questions.

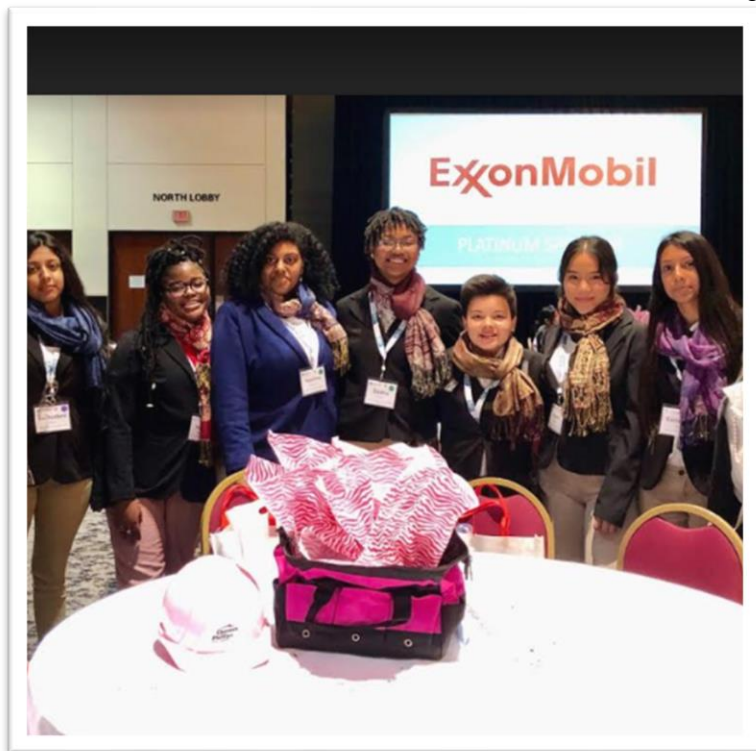

Women in Industry

Sponsors: Nina Jolivet-Gronski and Christi Stewart

Seven Worthing High Ladies attended the Women in Industry Conference on Wednesday January 30th at Moody Gardens in Galveston, TX. Students were greeted with an elegant and lavishing breakfast.

The young ladies attended workshops and breakout sessions where they learned about high-paying careers in the petrochemical industry! They listened to motivational speakers, success stories, career strategies, and how to network.

The ladies visited many vendors with information about petrochemical and industrial trade career fields.

Vendors shared information with our young ladies about industry careers and what it takes to obtain a position in that field.

The ladies enjoyed a powerhouse table cloth and line lunch while listening to a panel of HR representatives about how to get hired, as well as obtain college information regarding classes, financial aid, degrees, and certificates. Our young ladies enjoyed the opportunity visiting with the many industry representatives who were able to share and showcase careers and opportunities in their field.

Business Professionals of America

Sponsor: Nina Jolivet-Gronski

BPA members attended the Regional Leadership Conference Competition January 19, 2019 at Kempner High School in Sugarland,

Texas and competed against many high schools throughout the district. They placed in the following events:

Advanced Word Processing 3rd – Evelyn Barron
Presentation Management Team 2nd – David Carter, Darius Hines, Hazel Gerry
Presentation Management Individual 5th – Hazel Gerry
Global Marketing Team 1st – Success Digne, Dasha Green, Julian Kelly

Small Business Management Team 5th – Jaylon Marion,
Cynthia Garza, Joshua Washington
Extemporaneous Speech 3rd – Khameron Latson
Intermediate Word Processing 5th – Jared Merchant
PC and Troubleshooting 4th – John Serrato

Entrepreneurship 1st –
Jaylon Marion (perfect
score on his
presentation)
The members and teams
will be advancing to
Business Professionals of
America's State
Leadership Conference
Competition in Dallas, TX
on March 6, 2019.

Worthing High School's First Annual FIRST Lego
League (FLL) and FIRST Lego League Jr (FLLJ)
Robotics Competition (January 26, 2019) was
hosted by Worthing Colts on Fire Robotics Team
Over 300 elementary and middle school students parted
the front door of Worthing High School's new building

Saturday morning on January 26, 2019 to compete in
WHS's First Lego competition. The first half of the day was
spent judging the elementary teams' fantastic and
interactive Lego projects with interviews with the team
members.

The second half of the day was the EV3 obstacle course
competitions.

Our robotics team: Evelyn Barron-Captain, Success
Diginee, Roman Mendez, and Lizbeth Roman were
dedicated hosts along with their sponsor, Nina Jolivet-
Gronski and many other students whom they recruited to
assist with this event. A special Thank you to First Tech
Challenge for partnering with us!

Worthing High School received news media coverage
from Channel 2, Channel 26, Channel 39, and The
Houston Chronicle! We are looking forward to hosting our
2nd Annual FLL and FLLJ Robotics Competition in January
2020!

Evan E. Worthing Colts on Fire Robotics Team 2018-2019

Sponsor Nina Jolivet-Gronski

Colts on Fire is the school's first robotics team at Evan E.
Worthing High School. Evelyn Barron, Captain; Success
Diginee, robot driver; Roman Mendez, robot driver:
Lizbeth Roman, Programmer, Nina Jolivet-Gronski, coach
and sponsor. The team spent several months building the
"Tetrix" made of steel bars, nuts, bolts, wheels, and gears
just to name a few. After "Colt the Destructor" was built
the students used a hub, cables, sensors, and cell phones
to bring it to life. Many days and weeks were spent
programming the robot to maneuver and perform specific
obstacles. On December 1, 2019 the team came in 5th
place! On December 15, 2019 another 5th place! Great
beginning for the team's first time.

The February 2, 2019 competition eliminated our
advancement. Nevertheless, the team is ready to win big
in 2019-2020!

HOUSTON AREA URBAN LEAGUE WORTHING FEEDER NATIONAL ACHIEVERS SOCIETY

Applications Deadline: **February 8, 2019** - Student's the school or Houston Area Urban League (5260 Griggs Road, Houston, TX 77021). Call (281) 220-6019 or (281) 220-6027 for questions.

PURPOSE:

The National Achievers Society will primarily seek to encourage, recognize and reinforce achievement among African American youth and other youth of color. The purpose of the National Achievers Society is to create a national group achievement presence in which young people can aspire and participate. The Society is designed to reduce drastically the negative peer pressure associated with academic achievement. Through identifying, nurturing and creating an environment in which motivation soars for young African Americans, it is suggested that high academic achievement can grow and develop.

CRITERIA:

The National Achievers Society is open to students who are:

- In grades 3-12;
 - Making all A's or all B's, no C's, unless they are in advanced or honors courses, or GPA determined by the Houston Area Urban League no lower than 2.75;
 - Sponsored by an adult who will serve as a mentor or role model in the achievers life;
 - Recognized for artistic talents and winning competitions at regional, state, or national levels;
- Students may be inducted based upon semester by semester grades.

INDUCTION CEREMONY

Tuesday, February 26, 2019

Colts Connection

Ms. Truesdale, Math

Hello, my name is Portia Truesdale, and I am presently a first-year math teaching at Evan E. Worthing High School. I teach Algebra 2, which a required subject for high school graduation, and a prerequisite

for college exam preparation. I hope to encourage more African American students to pursue the collegiate level of mathematics and related fields.

Mr. Marshall, Biology

I was born in Memphis TN, raised in Dallas TX. While I was in Montessori I played in the orchestra and was part of the chess club. I later became a track and football athlete in which I received scholarships to Texas Southern University for hurdles, academics and the cello. After completing my B.S in Biology (pre-pharm) Chemistry. I went further ahead to complete my Masters in Environmental Toxicology. On campus here at Worthing I teach Biology and work with re-testers for the biology STAAR exam. I am the head track coach for the girls JV and

Varsity teams, and hope to be teaching a dual credit science course to Worthing elite sooner than later. I like watching the history channel, political and historical news along with anime. At home I am a big kid, that just like to hang with my 2 dogs Dutchess and KoJo.

Mrs. Legington, SPED – Life Skills

My name is Mrs. Legington and I am excited to be a part of Worthing Team since 2012. We have such an amazing Principal and staff. I am an SLL, Special Education Teacher, who truly enjoy working with students to meet their educational needs.

I was born and raised in Missouri City, Texas where I attended Willowridge High School. After graduation from high school, I pursued my career in Law received my Master Degree at the University of Houston.

I attended Thurgood Marshall for a year and later decided to make a career change in Real Estate.

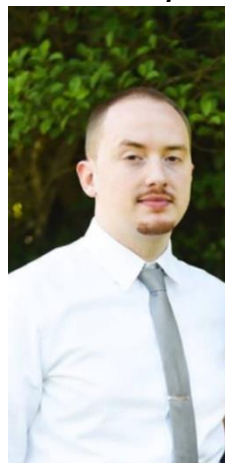

As a Mortgage Broker, I became one of the top producers in Mortgages. When the Real Estate market crashed, I decided to start a new career in teaching. Teaching have been so rewarding.

I am a mother of one son who is currently a senior. He is graduating top 10% of his class. My son has been excepted to Baylor, University of Texas, Vanderbilt and the University of Houston. He was offered several academic scholarships. He currently interns at Methodist Hospital in the Research and ER Department since he was 15 years old. He has been excepted in Pre-Med as he pursues his career as a Medical Doctor. (MD). I am extremely proud of him and will continue to support him through Medical School.

I am happily married to a wonderful supporting husband. March 25, 2019 marks our 1-year Anniversary. We share so many beautiful memories from our wedding in 2018.

My goal this 2018-2019 at Worthing High School is to ensure that my students acquire skills that are vital to achieve in order to empower them to become confident, productive members of their community, high-level thinkers, and provide a career pathway.

Mr. Walton, History

I am Charles Walton and I am the United States history teacher at Worthing High School. I graduated from the University of Tennessee with a Bachelor's in History and a Master's in Sociology. I moved to Houston in 2017 and in my free time, I enjoy reading, watching movies, and playing basketball.

Future Colts

It is our mission to build a strong relationship with the school aged children in Sunnyside who attend the Worthing Feeder Pattern Schools. We will meet the emotional, social, and academic needs of these Future Colts through strong partnerships with parents and community members.
