

PUSHING PAST ORDINARY... MOVING TOWARDS EXTRAORDINARY!!!

Principal's Corner

Dear Colts Family,

As I reflect on the many things for which I am thankful, I want to take this opportunity to share just a few of them with you: I am thankful for our students who come to school every day ready to learn – they give us all a daily reminder of what is important and why we are here. I am thankful for the support of the parents in creating an outstanding partnership for our students. I am thankful for the teachers, assistants, health aides, bus drivers, secretaries, nurses, cafeteria workers, support staff, therapists and administrators who really care about student achievement and have the best interests of our students at heart. I am also thankful for our volunteers and community partners who enthusiastically contribute so much to our school. Thanksgiving is a national holiday that is celebrated by nearly all Americans. Our campus will be closed November 19th thru November 23rd in observance of the holiday. I hope this season is filled with lots of happiness, joy, wealth, and prosperity. May your home be filled with love on this wonderful occasion. Happy Thanksgiving.

Colts Connection

Ms. Edna - Ilea Green

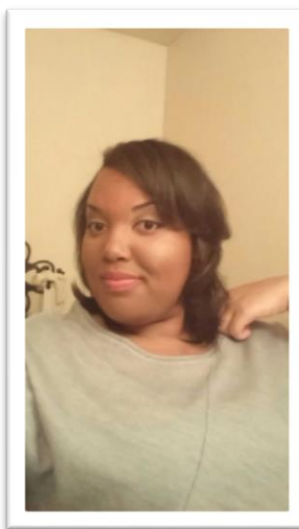

I am currently the IB Coordinator and Literacy Specialist here at Worthing. I graduated from Worthing in 2002. As a product of this community, it is important for me to make it clear to every student I come in contact with that they are capable, they are necessary, and I am rooting for their

success in all areas of their life.

Ms. Chloe Cook

My name is Chloe Cook. I am a 9th grade reading teacher. I am also an event planner and designer on the weekends when I'm not teaching. I enjoy traveling and I am addicted to shopping on Amazon. I have three children. A son, Neiko, who attends Morehouse College in Atlanta and two little girls, Nolan and Noa. I am a Worthing High Graduate, Class of 1998.

Ms. Marian Gray – Science

My name is Marian Gray, I am a science teacher at Worthing, starting out my second-year teaching at the high school level. I love our school and am very proud of the progress we have made along with the positive changes in school culture. I am a huge cheerleader for all students, and can be heard daily making sure that all students start their journey to success by being on time to class. I can't wait to see what the 2018-2019 school year has to offer.

Mr. Gerald Bryant, Jr. – Band Director

I am your new Worthing High School Band Director! I am rebuilding the program with the help of alumni, teachers, administrators, and colleagues. I am a native of Beaumont, Texas. I graduated from Beaumont Central Senior High School in 2004. Throughout this time, I spent my middle and high school years finding my true passion, but it was pretty evident that music was my calling. I started playing piano at age 7, and developed perfect musical pitch, which is a musically inclined way of saying "I can play anything I hear." Most of my musical roots came from playing organ and piano each Sunday, perfecting my skills. I enrolled in Texas Southern University to pursue a Bachelor of Arts in Music with a minor in fine arts, which was achieved in 2010. Throughout my tenure at Texas Southern I marched in the Ocean of Soul marching band where I played sousaphone, lead the section for several years, and began arranging/vocal coaching for the band. I served in the Houston community giving back to all band students as an assistant director for Greater Houston All-Star band, and Houston United Mass Band. I love what I do within the music field, and most people who know me say that I am a musical genius in the form of a living legend. I keep God first, family, friends/colleagues, and then make sure I treat myself right! Like David, it's not about the size, but the moderation, balancing, maintaining, and improving of that size. I keep this thought for my life and others.

-You look like you live, so stress less and be willing to give as you fulfill-

Ms. Melissa Baldwin –

Hello, my name is Melissa Baldwin and I am new to the Worthing family this school year. I came to Worthing after teaching middle school for 2 years, because I wanted to have more of an impact on children who look like me. I look forward to growing as an educator at Worthing High School as we work to prepare our students to be leaders in the global community. With Love, Ms. Baldwin

Mrs. Ivette Colvin

Greetings Colt Nation! My name is Ivette Morris Colvin and I am overjoyed to join the E.E. Worthing High School staff as the 9th and 10th grade Counselor. I am a native Houstonian and graduated from M.B. Lamar High School here in HISD. I received my Undergraduate degree from Sam Houston State University and my

Master's degree from Prairie View A&M University. This year is my 24th year in education and look forward to assisting the students here at Worthing along their educational journey.

Girl Tea/Ladies of Elegance (LOE)

Every year schools across our nation participate in Red Ribbon Week in an effort to raise awareness of drug use and the problems related to drugs facing our communities. Also, to encourage parents, educators, business owners, and other community organizations to promote drug-free lifestyles. This year, Communities in Schools coordinated the "Take the Pledge" event for students during lunch on October 23rd. At the event, students were given the opportunity to take the pledge to remain drug free by signing their designated grade level's poster.

After taking the pledge, students, faculty, and staff were given red ribbons and/or red beaded necklaces to further spread awareness for drug prevention. Communities in Schools was thrilled by the number of students who committed to being drug free and we look forward to continuing the tradition of Red Ribbon Week festivities at Worthing High School in the future.

Review the following guidelines for prescription drug abuse prevention and discuss them with family & friends.

LOCK YOUR MEDS
National Family Partnership

LOCK YOUR MEDS

Every day, more children begin experimenting with prescription drugs.¹ Sixty-six percent of those who have abused pain medication say they get the medication from friends and family.² Prevent your children from abusing your own medication by securing your meds in places your child cannot access.

TAKE INVENTORY

Download your Home Medicine Inventory Card at www.lockyourmeds.org, write down the name and amount of medications you currently have and regularly check to see that nothing is missing.

EDUCATE YOURSELF & YOUR CHILD

Learn about the most commonly abused types of prescription medications (pain relievers, sedatives, stimulants and tranquilizers). Then, communicate the dangers to your child regularly, once is not enough.

SET CLEAR RULES & MONITOR BEHAVIOR

Express your disapproval of using prescription drugs without a prescription. Monitor your child's behavior to ensure that the rules are being followed.

PASS IT ON

Share your knowledge, experience and support with the parents of your child's friends. Together, you can create a tipping point for change and raise safe, healthy and drug-free children.

PROPERLY DISPOSE OF OLD AND UNUSED MEDICATIONS

For guidelines on safe and proper disposal of medications, visit www.lockyourmeds.org.
