

## STUDENT LIFE

Our teams include: cheer, basketball, dance, soccer, and volleyball. Our health classes teach healthy eating habits, stress-relieving yoga, and endurance training. We have a deluxe weight-lifting room equipped with quality machines and dumbbells.

We're a tight-knit bunch, with only 480 students.

Juniors and seniors can have off-campus lunch. We also have an array of clubs and organizations such as: Choir, Debate, GENTS, Honor Society, BPA, Cheerleading, Dance, Yearbook, and ZIA.

## SKILLED STAFF

Our educators come from various parts of the world- U.S., Russia, Nigeria, Philippines, Vietnam, and Canada. The Washington Post declared us one of the top 30 most challenging high schools in Texas and the Houston Chronicle declared us the second most well-behaved high school in Houston.

## ENGAGING CLASSES

Students can choose from 14 AP courses. We strive for all students to graduate with their Associates Degree from our partner college, HCC. Our students are prepped for college life. While we are academically-driven, we have a wide array of extracurricular activities.

Through the partnership of Houston Community College and Houston ISD, North Houston Early College (NHECHS) was established to combine high school and college in a supportive, yet rigorous environment.

We provide low-income youth, first-generation college students, English language learners, students of color, and other young people underrepresented in higher education with the opportunity to earn a high school diploma and an Associate degree--TUITION FREE.
