

Lovett Elementary Extended Day Program Parent Handbook 2024-2025

The Lovett Elementary Extended Day Program offers homework support, physical activity and after-school care for those parents who are not able to greet their child at the 3:00 end of the school day. The mission of the Extended Day Program is to foster the development of children's social, emotional, and academic skills. Our priority is to provide a safe and enriching environment for the whole child. Lovett's extended day program supports our school mission to provide an educational program that offers children the opportunity to develop his/her diverse abilities.

Discipline Guidelines and rules for Extended Day are the same as Lovett's regular school day and the HISD Code of Student Conduct. However, after three discipline notices have been written and discussed with the parent/guardian, your child may be suspended from the program. Repeated acts of aggression, disruption, and disrespect towards self and/or others creating unsafe situations will not be tolerated. Please stress the importance of appropriate behavior with your child(ren).

Dismissal Procedures To ensure the highest level of safety, accountability, and supervision, we ask that all families comply with the policies and procedures listed below.

- Students will be dismissed from the main office. Authorized persons will sign the student out with school personnel. Please have ID or the school

issued car tag ready. Any other person not listed on your student's enrollment card must have been given written permission by the parent/guardian and present photo ID before the child will be released.

- If a Lovett employee suspects that the parent, guardian, or person responsible for picking up a child is under the influence of any substance, or otherwise unable to provide adequate supervision, we will notify the next contact person and/or proper authorities. The student will not be released until it is deemed safe.
- Pick up after 6:05pm is considered late. A late fee of \$1 per minute will be assessed. Late fees must be paid by the Monday following the late pick up. Three late pickups or failure to pay any outstanding fees will result in removal from the program. **(Note: Administrative discretion will be used for severe weather cases or other extenuating circumstances.)**

Eligibility Any child enrolled and attending in grades Pre-Kindergarten-5th at Lovett Elementary School is eligible for the Extended Day Program. Families with special needs children must meet with Ms. Sims and Mrs. Gaines directly. Staffing is extremely limited to handle some cases. Tuition must be current and accounts clear or the student will be withdrawn from the program. Outstanding balances may also hinder registration for the following school year.

Enrichment Classes Enrichment classes are offered through individual companies. These vendors charge fees that are separate from Lovett's Extended Day program. A schedule is provided for parents to choose.

Homework Extended Day is an extra opportunity for students to be successful. All students in 1st-5th grade are expected to do homework assigned by their daytime teachers. A quiet time is built into the afterschool schedule to begin assignments, work on projects, or visit the library/computer lab computers if necessary. By parent request, homework can be saved to complete at home. Any student not required to do homework at school is still expected to respect the quiet time for all. They may engage in a quiet activity provided by either the parent or extended day teacher.

Hours of Operation Extended Day is provided Monday-Friday from 3:00-6:00 on school days when students are in attendance from August 13, 2024-June 4, 2025. The program does not operate on holidays as specified by the Houston Independent School District's 2024-2025 calendar.

Illnesses/Accidents Students who are absent from school due to illness may not attend any afterschool programs. If your child becomes ill or is injured during Extended Day, you will be notified immediately. If a parent is unavailable, the emergency contacts listed will be called.
