# Storybook Art

We all just love stories and especially the pictures that help stories come to life. Author and educator, MaryAnn Kohl has created a wonderful collection of great story book illustrators in her book, "Storybook Art." Together with Mary Ann Kohl, we have chosen great storybook artists and stories to share that will make us smile and inspire our own storybook art. We'll meet fascinating characters such as David McKee's Elmer, the patchwork elephant, and Don Freeman's Corduroy, the lovable bear. We'll create noodle assemblages, collages, faraway planets and more as we explore the wonderful world of picture books and illustrators.

Storybook Art is for children ages 3-12.

KIDS CHOICE KARATE PROGRAM

### **Kids Choice after school Karate Spring 2025**

This semester in the Kids Choice Karate program, we are going to focus on school self-defense with an emphasis on striking as the last option. We will strike so our students will need a mouthpiece for the class. The goal is to teach (2) self-defense moves and how to execute proper kicks and use them in a combination. We hope to increase the student's awareness to avoid conflict within the walls of the school but not to become a punching bag in the process.

**Registration Deadline:** January 17th (please call if you have to register after the deadline)

**Cost of program:** \$225 for the semester (cash preferred) (Zelle is available 8323395064)

**Please turn in cash to the front desk**

Uniforms are **optional** and available for purchase upon request. The usage of the uniform is restricted to belt promotion days due to the challenges of dressing out before class

**When is Class:** Lovett Elementary- Wednesdays, Jan. 22<sup>nd</sup> to April 23<sup>rd</sup>
