Board Goals
  Board Goal 1: ELAR The percentage of 3rd grade students performing at students reading and writing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 42% in spring 2019 to 50% in spring 2024.
  Board Goal 2: MATH The percentage of 3rd grade students performing at or above grade level in math as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 46% in spring 2019 to 54% in spring 2024.
  Board Goal 3: SCHOOL PROGRESS The percentage of graduates that meet the criteria for CCMR as measured in Domain 1 of the state accountability system will increase 8 percentage points from 63% for 2017-18 graduates to 71% for 2022-2023 graduates reported in 2024.
  Board Goal 4: CLOSING THE GAPS The percentage of students receiving special education services reading at or above grade level as measured by the Meets Grade Level Standard on the STAAR 3-8 Reading and STAAR EOC English I and II assessments will increase 8 percentage points from 21% in spring 2019 to 29% in spring 2024.
  Board Goal 5: N/A - Additional Campus Goals

State Compensatory
  Budget for 043 Burbank Middle School
  Personnel for 043 Burbank Middle School

Title I Schoolwide Elements
  ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)
    1.1: Comprehensive Needs Assessment
  ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)
    2.1: Campus Improvement Plan developed with appropriate stakeholders
    2.2: Regular monitoring and revision
    2.3: Available to parents and community in an understandable format and language
    2.4: Opportunities for all children to meet State standards
    2.5: Increased learning time and well-rounded education
    2.6: Address needs of all students, particularly at-risk
  ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)
    3.1: Develop and distribute Parent and Family Engagement Policy
    3.2: Offer flexible number of parent involvement meetings

Title I Personnel
Comprehensive Needs Assessment

Demographics

Demographics Summary

Burbank Middle School was established originally in 1927 as a high school with an educational emphasis on agriculture. The school was named for the famous horticulturalist, Luther Burbank (1849–1926), who developed more than 800 strains and varieties of plants during his lifetime. In the 2018-19 school year, Luther Burbank Middle School was rated an "A" campus by the Texas Educational Agency and earned seven distinctions. BMS is located approximately one mile outside of 610 North and one mile east of I-45 North and serves students north of 610 and attracts students from neighboring communities through its dual language and vanguard programs. Burbank Middle School has Vanguard, Excel and Dual Language programs.

The professional staff consists of 80 teachers, 3 educational aides, 4 counselors, a vanguard/magnet coordinator, 2 teacher specialists, 4 assistant principals/deans, and a school principal. Approximately 70% of the teachers are female and 30% are male. Approximately 50% of the staff has more than 10 years of experience.

The current enrollment is approximately 1420 students. The demographics of the student population are: 93.5% Hispanic, 5.3% African American, 0.9% White, 0.1% Asian, 0.2% American Indian, and 0.1% Two-or-More Races. BMS is classified as Title I with approximately 40% English Language Learners, 34.1% Gifted & Talented, 8.4% Special Education, and 94% Economically Disadvantaged students.

Burbank is the premier middle school for all college-bound students because we offer rigorous core courses, targeted intervention classes, and a variety of electives and sports. Burbank is the premier middle school for Dual Language because of the rigorous academic instruction in both English and Spanish, AP Spanish and a unique culturally sensitive environment.

Demographics Strengths

BMS is able to serve the majority of our demographic population through our dual language program. In regards to staff, the demographics of our staff include many Latino, dual-lingo and Spanish speaking people, to assist our community.

Problems of Practice Identifying Demographics Needs

Problem of Practice 1: Economically Disadvantaged students achieved less than 50% Meets Grade Level Performance on STAAR Reading and Math. Root Cause: The ability to help students overcome non-academic needs that interfere with student learning.

Problem of Practice 2: An increase in Limited English Proficiency (LEP) students who have not successfully exited the program has increased our long-term LEP population. Root Cause: Due to disruption by COVID-19, learning environments were limited in a virtual setting to provide adequate ESL programming.
Student Learning

Student Learning Summary

Data for Domains 1-3 for the 2020-21 school year is below. Burbank MS earned a 41 in the STAAR performance indicator under Domain I: Student Achievement and a 41 in the relative performance indicator under Domain II: Student Progress. Of the indicators measured in Domain III: Closing the Gaps, BMS achieved 31% of the academic achievement status indicators, 100% of the English language proficiency indicators, and 33% of the student success indicators.

Of the ELA/Reading Targets, the following were missed: all students (by 3%), African American (by 2%), special education (by 2%), continuously enrolled (by 2%), and non-continuously enrolled (by 16%).

Of the Mathematics Targets, the following were missed: "all students" by 9%, "African American" by 10%, "Hispanic" by 2%, "current special education" by 5% "continuously enrolled" by 7% and "non-continuously enrolled" by 28%.

Of the Student Success Targets, the following were missed: "all students" by 6%, "African American" by 4%, "white" by 19%, "current special education" by 5%, "continuously enrolled" by 6% and "non-continuously enrolled" by 21%.

![Accountability Data Summary](image)

2020-2021 STAAR Results (compared to 2019)

**Reading** 72% Approaches (-6%) / 41% Meets (-8%) / 21% Masters (-5%)
Math 67% Approaches (-22%) / 37% Meets (-27%) / 17% Masters (-18%)

Writing 65% Approaches (-6%) / 31% Meets (-12%) / 7% Masters (-10%)

Science 71% Approaches (-18%) / 43% Meets (-18%) / 22% Masters (-15%)

Social Studies 53% Approaches (-17%) / 19% Meets (-26%) / 8% Masters (-20%)

For the 2020-21 school year, our STAAR data for approaches meets and master is below:

### Reading Department

<table>
<thead>
<tr>
<th>School Year</th>
<th>Grade 6</th>
<th>Grade 7</th>
<th>Grade 8</th>
<th>Dept. Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>2017-18</td>
<td>72%/40%/17%</td>
<td>74%/46%/25%</td>

<td>53%/19%/8%</td>
</tr>
</tbody>
</table>
Analyzing the STAAR Writing data, student achievement for "Meets" and "Masters" increased and "Approaches" decreased comparing 2018 to 2019 results. Comparing 2019 and 2021, the learning loss due to the pandemic was between 6% and 10% for all performance levels.

Analyzing the STAAR Science data, student achievement for "Approaches", "Meets" and "Masters" decreased comparing 2018 to 2019 results. Comparing 2019 and 2021, the learning loss due to the pandemic was between 15% and 18% for all performance levels.

Analyzing the STAAR Social Studies data, student achievement for "Approaches", "Meets" and "Masters" decreased comparing 2018 to 2019 results. Comparing 2019 and 2021, the learning loss due to the pandemic was between 17% and 20% for all performance levels.

Based on the data, it is evident that the pandemic created significant room for improvement. Overall, the ethnic and special programs subpopulations performed about the same. We believe the root cause for the decrease in performance was due to the challenges that the pandemic presented: loss of face-to-face instructional time with students, engagement in the online setting, managing the ever flowing changes of how a traditional school transforms into a virtual school, and ensuring time on task with the curriculum. Approximately 40% of our campus was on campus during the 2020-21 school year with an increase of students with inconsistent attendance. Virtual learning did not meet the needs of most of our students. Switching the standard mode of learning to face-to-face this school year will greatly support closing the gaps the pandemic created.

Below is a comparison summary of all STAAR subjects and grade levels comparing our campus to Houston ISD and Texas. As you can see, STAAR results on all performance levels decreased for BMS, Houston ISD, and Texas. Burbank Middle School's decreases on STAAR Reading and Writing performance was minimized and closer in line with Texas' drop. The campus' decreases for STAAR Math, Science and Social Studies overall were greater than Texas.

Given the nature of the pandemic and policy changes, not all students participated in the STAAR testing program. Burbank Middle School made a strong effort to get students to test and had a 95% participation rate, much higher than both HISD and Texas. Comparing results will leads to obvious validity questions.
Based on the data, virtual instruction was not as effective as in-person instruction in previous years. Opportunities for students to receive on-campus interventions were limited.

**Student Learning Strengths**

Burbank Middle School's strengths in student learning include better than Texas results for all performance levels for grades 6 and 7 mathematics, Algebra 1, and 7th & 8th grade reading. BMS did better than Texas in "Approaches" for grade 7 writing, grade 8 science, and grade 6 math. The data also showed that the campus minimized the learning loss for student achievement on STAAR Reading and STAAR Writing when compared statewide results. BMS had a smaller loss in "approaches" performance for grade 7 assessments for reading and writing, when comparing to Texas. BMS had a smaller loss in "Meets" and "Masters" performance for grade 8 reading when compared to the state.

**Problems of Practice Identifying Student Learning Needs**

**Problem of Practice 1:** Student achievement performance on STAAR assessments decreased significantly in tested areas. **Root Cause:** The disruption of instruction caused by the COVID-19 pandemic.
School Processes & Programs

School Processes & Programs Summary

Burbank is the premier middle school for all college-bound students because we offer rigorous core courses, targeted intervention classes, and a variety of electives and sports. Burbank is the premier middle school for Dual Language because of the rigorous academic instruction in both English and Spanish, AP Spanish and a unique culturally sensitive environment. Burbank Middle School also offers a variety of in-school extracurricular programs and after school clubs such as cheer-leading, UIL academic tournaments, karate demo team, Las Aguilas Ballet Folklórico, concert band, twirlers club, art club, musical theater club and UIL sports: football, basketball, volleyball, track and field, baseball, softball, soccer, and swimming.

School Processes & Programs Strengths

Despite the disruptions that came along with the COVID-19 pandemic, Burbank Middle School continues to do it's best to ensure all students receive equitable opportunities for learning. We are continuing to implement school-wide programs that have been successful in past and improving them along the way.

- **Vanguard Magnet Program:** The program supports our GT students to expand on their intellectual, creative, and leadership qualities. The programs provide a curriculum that is structured, sequenced, and challenging by incorporating higher-level thinking skills and developing independent research skills in students. The program also maximizes the general ed program increasing depth and complexity.

- **Dual Language Program:** The main objective of Burbank’s Dual Language Program is to develop students who are fully bilingual and bi-literate. Students who have had instruction at the elementary level in either Developmental/ Maintenance (D/M) or Two-Way Dual-Language Programs are given the opportunity to maintain and further develop their formal academic Spanish while continuing their English instruction. In the program, teachers promote high academic standards for students with curriculum that centers on the state standards for both academics and languages, preparing them to achieve oral and written competence in both languages for academic, career, and personal purposes. During each year students will demonstrate that they are aware of the importance of understanding the difference between cultures by completing interdisciplinary group projects that illustrate the impact of multiculturalism in their own community, the workplace, and/or in the world.

- **EXCEL Program:** The program provides our neighborhood-zoned students access and support to maximize learning opportunities. Our EXCEL students have the opportunity to have math and language arts every day as well as intervention courses to give them the extra support they may need to be successful. In addition, students have at least two electives which they may choose from technology and performance and visual arts.

- **School Athletics:** UIL Sports- Football, Basketball, Volleyball, Track and Field, Baseball, Softball, Soccer, and Swimming
- **School Clubs:** Cheer-leading, UIL Academic Tournaments, Karate Demo Team, Las Aguilas Ballet Folklórico, Concert Band, Twirlers Club, Art Club, Musical Theater Club

Problems of Practice Identifying School Processes & Programs Needs

**Problem of Practice 1:** Burbank MS had below 50% of students achieving "Meets" on STAAR Reading and Mathematics **Root Cause:** Due to the disruption of COVID-19 on attendance and instructional consistency, school-wide programs where less effective.
Perceptions

Perceptions Summary
At Burbank Middle School, the dropout rate is less than 1%. Due to the COVID-19 pandemic, our attendance rate dropped to ___ from ___. This year our goal is ___.

Our staff turnover rate is relatively low. Our Campus Induction Coach provides first year teachers with a mentor that is a campus teacher in their grade level or content area. New teachers to campus with experience get a "buddy" teacher to provide support. Teachers at Burbank are aware of the Burbank Way and are provided with multiple layers of support from their mentor/buddy, grade level lead, cluster leader, department chair, grade level administrator, and department administrator.

Problems of Practice Identifying Perceptions Needs

Problem of Practice 1: Attendance rate decreased from 97.7% in 2019 to 93.3% in 2020. Root Cause: The ability and systems to engage students, particularly virtual students, was not successful in comparison to a traditional school year.
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- State and federal planning requirements
- Covid-19 Factors and/or waivers

**Accountability Data**
- Student Achievement Domain
  - Domain 1 - Student Achievement
  - Student Progress Domain
  - Domain 2 - Student Progress
  - Closing the Gaps Domain
- Domain 3 - Closing the Gaps
- Targeted support Identification data
- Accountability Distinction Designations

**Student Data: Assessments**
- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- (STAAR) current and longitudinal results, including all versions
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- STAAR EL progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results

**Student Data: Student Groups**
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and progress
- Special programs data, including number of students, academic achievement, discipline, attendance, and progress
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Special education/non-special education population including discipline, progress and participation data
- Section 504 data

**Student Data: Behavior and Other Indicators**
- Attendance data
- Enrollment trends
Employee Data

- Campus department and/or faculty meeting discussions and data

Parent/Community Data

- Community surveys and/or other feedback

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
Board Goals

**Board Goal 1:** ELAR  The percentage of 3rd grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase 8 percentage points from 42% in spring 2019 to 50% in spring 2024.

**Goal 1:** By May 2022, increase STAAR Reading "approaches grade level" from 72% to 80%, "met grade level" performance from 41% to 52%, and "masters grade level" performance from 21% to 30%, in order to achieve an "A" rating, academic distinction, and meet accountability measures for special education and EL students.

**Strategic Priorities:** Expanding Educational Opportunities

</tbody>
</table>

**Strategy 1:** Plan master schedule so students have the same teacher for reading and English.

*Strategy's Expected Result/Impact:* Increase instructional time with the same teacher to increase student achievement.

*Staff Responsible for Monitoring:* Principal Knittle, Ms. Rosa, Dean Valentino, Counselors

*Action Steps:* Revise master schedule

*Title I Schoolwide Elements:* 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math

**Strategy 2:** Increase the number of ELA teachers with ESL and/or Bilingual certification.

*Strategy's Expected Result/Impact:* Build flexibility to schedule English language learners strategically.

*Staff Responsible for Monitoring:* Principal Knittle, Dean Valentino

*Action Steps:* 1. Support teachers to pass ESL and/or Bilingual certification exams.
2. Check in with teachers

*Title I Schoolwide Elements:* 2.5, 2.6

Strategy 1: Math teachers will use the student-data profile to target students

**Strategy's Expected Result/Impact:** Increase in masters-level performance on STAAR Math

**Staff Responsible for Monitoring:** Dean Valentino, AP Jennings, Math Teachers

**Action Steps:**
1. Capture the list of students on the TEA Snapshot date.
2. Identify students who have the potential to achieve masters level performance
3. Monitor progress on benchmarks
4. Schedule students in tutorials if needed.

**Title I Schoolwide Elements:** 2.4, 2.5, 2.6 - **TEA Priorities:** Build a foundation of reading and math, Connect high school to career and college

**Strategy 2:** Students will track their performance data throughout the year.

**Strategy's Expected Result/Impact:** Increase student's awareness of their achievement and monitor progress

**Staff Responsible for Monitoring:** AP Jennings, Math teachers

**Action Steps:**
1. Create student-data tracker
2. Collaborative make goals with students
3. Track data

**Title I Schoolwide Elements:** 2.4, 2.5, 2.6 - **TEA Priorities:** Build a foundation of reading and math, Connect high school to career and college
Board Goal 4: CLOSING THE GAPS The percentage of students receiving special education services reading at or above grade level as measured by the Meets Grade Level Standard on the STAAR 3-8 Reading and STAAR EOC English I and II assessments will increase 8 percentage points from 21% in spring 2019 to 29% in spring 2024.

Goal 1: CLOSING THE GAPS The percentage of students receiving special education services reading at or above grade level as measured by the Meets Grade Level Standard on the STAAR Reading assessment will increase 3% from 17% in spring of 2021 to 20% in spring of 2022.

Strategic Priorities: Expanding Educational Opportunities

</tbody>
</table>

Strategy 1: Special education teachers and general education teachers will collaborate to meet the needs of special education students in the general education setting.

**Strategy's Expected Result/Impact:** Students will receive differentiated instruction at grade-level rigor.

**Staff Responsible for Monitoring:** Specialist Sandoval, Special Education Department Chair Mendez

**Action Steps:**
1. Create a plan that includes PLC with both general education and special education teachers to ensure SPED requirements are met.
2. Ensure implementation of IEP accommodations in general education classrooms by monthly PLC check-ins.
3. Ensure IEP accommodations are monitored by general and special education teachers and turned in every six weeks.
4. Classroom observation documents that the teachers are using and implementing student IEP accommodations.

**Title I Schoolwide Elements:** 2.6 - TEA Priorities: Build a foundation of reading and math

Strategy 2: Teachers will ensure compliance with state and federal regulations regarding student IEP review, re-evaluation procedures, and periodic program updates.

**Strategy's Expected Result/Impact:** Ensure all students have up-to-date ARDs and monitor state folders on a year around basis.

**Staff Responsible for Monitoring:** Specialist Sandoval, Special Education Department Head Mendez

**Action Steps:**
1. Conduct progress monitoring at grading periods and annual review dates, as needed.
2. Provide updates during monthly faculty and staff meetings.
3. Review documentation for student IEP accommodations twice every six weeks.

**Title I Schoolwide Elements:** 2.6 - TEA Priorities: Build a foundation of reading and math
Measurable Objective 2 Details

Measurable Objective 2: By June 2022, 100% of students that did not pass or meet the "approaches" performance level on STAAR Reading in the 2021-22 school year will receive a minimum of 30 hours of intervention.

**Strategy 1:** The Health Committee Team will perform individual student parent call outs, prepare delinquency letters for mail out, review for completion and data input of submitted vaccine records by school nurse.

**Strategy's Expected Result/Impact:** Improvement of implementation of mandated health services

**Staff Responsible for Monitoring:** 1. TBA - Contracted Nurse  
2. Principal Knittle  
3. Clerks  
4. Campus Registrar

**Action Steps:** 1. Nurse will select team members.  
2. Health Committee will meet initially to create a plan of action for the year.  
3. Health Committee will meet monthly throughout the school year to discuss updates, concerns, and action plans.  
4. Health Committee team will ensure all staff members, parents, and students are aware of any changes made.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. The comprehensive needs assessment (CNA) at this campus was developed by

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways: analysis of student data in PLCs to identify areas of need, creating strategies collaboratively with teachers and parents, and administrators fleshing out strategies to support the goals.

2.2: Regular monitoring and revision

Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes: conferencing with department administrators during data conferences and reviewing student achievement data after administration of the MOY and EOY assessments in December and March,

2.3: Available to parents and community in an understandable format and language

The SIP is available to parents in the following locations:

- Main Office
- School Website

The SIP was made available to parents by:

Main Office
School Website

We provide the SIP to parents in the following languages:
2.4: Opportunities for all children to meet State standards

Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

1. A systematic tutorials program that includes after school, morning, and Saturday tutorials.
2. Differentiated instruction.
3. Backwards planning with a focus on the TEKS/SEs.
4. Increased instructional time in the accountability areas (double block ELA, Math, Science, Social Studies).

2.5: Increased learning time and well-rounded education

Ways that we increase learning time and a well-rounded education for our students include:

1. A systematic tutorials program that includes after school, morning, and Saturday tutorials.
2. Differentiated instruction
3. Backwards planning with a focus on the TEKS/SEs in order for students to obtain grade level mastery on objectives.
4. Increased instructional time in the accountability areas.

2.6: Address needs of all students, particularly at-risk

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas.
- Proficient Tier 1 explicit instruction taking place in all content areas.
- Bi-weekly AT BATs.
- Small Group Instruction based on student data needs.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The following individuals, including roles (parents, teachers, admin, etc.) assisted with the development of the Parent and Family Engagement Policy:

- Parent - Fabiola Torres
- David Knittle, Principal
- Amanda Vasquez, Vanguard Coordinator

The PFE was distributed.
On the campus website

The languages in which the PFE was distributed include:

- English
- Spanish

Four strategies to increase Parent and Family Engagement include:

- Conduct "Coffee with the Principal" meetings every month
- Family Literacy and Math & Science Night
- Electives, Fine Arts, & International Night
- Vanguard and Program Parent Meetings

3.2: Offer flexible number of parent involvement meetings

The campus provided four Title I Parent Meetings and each meeting had an alternate time/date to accommodate parents' schedules. The meeting dates are listed below:

- September 15, 2021 - Meeting 1A @ 5PM (Annual Fall Meeting)
- September 22, 2021 - Meeting 1B @ 9AM
- October 6, 2021 - Meeting 2A @ 5PM
- October 7, 2021 - Meeting 2B @ 9AM
- January 12, 2022 - Meeting 3A @ 5PM (Annual Spring Meeting)
- January 13, 2022 - Meeting 3B @ 9AM
- March 2, 2022 - Meeting 4A @ 5PM
- March 3, 2022 - Meeting 4B @ 9AM
