April 19, 2023

Dear Parents and Student Athletes of The Rice School/La Escuela Rice,

To tryout next year for Cross Country, Volleyball (girls only), Basketball, Soccer or Track you must create an account in Aktivate (QR code is below) and all forms must be completed online. The physical form must be completed and cleared by a physician. Again, these forms must be completed on Aktivate before students can even tryout or participate in any sport! So please get this done over the summer.

If you have any further questions, please email Jserpa@houstonisd.org.

We look forward to another great year of success, in the classroom and the athletics department!

Sincerely,
Coach J. Serpa
Athletic Coordinator
RICE FALCON ATHLETICS
