MLCPA Parents and Students,

We are excited to start school virtually, **Tuesday, September 8, 2020**. Please note that this is a **A-day**, so students will be attending their 1st, 2nd, 3rd, and 4th periods.

This does not follow our normal schedule. Normally, Tuesday will be a B-day, but for the first week, the days should be followed as:

Tuesday/Thursday: A day

Wednesday: B day

Friday: A&B day

The school day will run from **8:30am-4:10pm** with Synchronous and Asynchronous learning. The bell schedule breakdown can be found at the end of this letter.

Please be aware that the system is not displaying the correct schedule when looking in the **bell schedule view**. If you convert to **list view**, you will see your son's courses listed in order as if he received a paper schedule. You would take that list and follow the school schedule.

Accessing Schedules

The district has a new Student Information System (SIS) for the 2020-2021 school year. **HISD Connect by PowerSchool** includes student contact, enrollment, and demographic information, as well as class schedule, grades, and online resources.

Parents/guardians should have received an email with login credentials and how-to setup your account earlier this week. Once you login, you should be able to see your students schedule.

Due to the overwhelming requests, **Student Access to HISD Connect** has been turned on 3 days early!

Students can login now using their HISD credentials at the same portal as their parents:

<https://hisdconnect.houstonisd.org/public/>

Student **Login credentials**: Network username (your S####) and password (**Do not** use email address or place student\ in front of username).

**You may also access the HISD Parent Connect Portal by downloading the PowerSchool app on your mobile device.

For further support, you may contact the HISD Technology Service Desk.

Phone: 713-892-7378

Email: servicedesk@houstonisd.org

What to do the first day of school?

For the first two days of school, please make sure that your son is logging into the **HUB** first. Once your student logs into the HUB, they will then click on the class for which they should be in during that designated time.

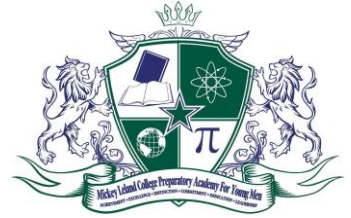

<https://www.houstonisd.org/hubinfo>

Once in the class Hub page, students should see a message from their teacher with the next steps to proceed with synchronous learning for the day. These may include linking to Teams or another website. You will need to do this for each class period.
