VIPS Happenings

♥ VIPS has successfully launched the Read Houston Read virtual program in partnership with Barbara Bush Houston Literacy Foundation (BBHLF). Read Houston Read volunteers will be sharing their prerecorded read alouds with HISD students and teachers. The BBHLF Ladies for Literacy Guild and the Top Ladies of Distinction/Top Teens are also participating in virtual read alouds for students and teachers.

♥ DID YOU KNOW? At the beginning of each new school year, the principal at each HISD school designates a VIPS Coordinator and Back Up to assist with coordinating volunteer efforts at their campus. Be sure to inquire about who has been assigned to these roles at your child's school for the 2020-2021 school year. VIPS Coordinators and Back Ups can help with all of your volunteering needs and also inform you about the best ways that you can help on the campus.

♥ Stay tuned for updates regarding COVID-19 and how volunteers will be impacted for the upcoming 2020-2021 school year.

Calling ALL Volunteers!!!! Ready, Set, Go...

We have exciting news to share! Volunteers in Public Schools (VIPS) will be implementing an **Online Volunteer Orientation** along with a new version of the RAPTOR Volunteer Management System. These changes are designed to inform volunteers of important rules and guidelines for working with students and improve the volunteer application process.

Beginning on August 17, 2020, all new and returning volunteers will be able to access the VIPS Online Orientation and Application to volunteer for the 2020-2021 school year.

STEP 1 Log on to the **VIPS website**. Once at the website you will be prompted to take our new online volunteer orientation. [Click HERE to access.](#)

STEP 2 Volunteers will complete the training, review and sign all forms (VIPS Code of Ethics, Code of Civility, and Confidentiality Statement).

STEP 3 After the orientation, you then need to complete the VIPS Online volunteer application. [Click HERE to access the VIPS Application](#) and agree to the Annual Background Check. The Background Check will take 3-5 business days to be processed.

STEP 4 Once your application is APPROVED you will receive an email from Raptor notifying you of your status. You will be given the option to create a volunteer portal account. Now you are set to volunteer at any HISD school for the 2020/2021 year!!

STEP 5 Sign up for your volunteer shift.

What this new process means for you:

- Faster background check processing times (contingent upon if all required information is on the application).
- Automatic responses from Raptor will be sent via email to you once the registration is complete with your updated status.
- You will have the ability to sign up for opportunities and track your volunteer hours!

Volunteers must complete all the required steps in order to become a VIPS.

It is our hope that the new enhancements in VIPS will ultimately make the overall volunteer experience more engaging and fulfilling for everyone.

Due to implications from COVID-19, volunteer opportunities will be limited. There will not be field trips or lunch visits per the HISD reopening plan.

For more information about how to volunteer virtually please visit the **VIPS website**. For information about the Districts Reopening guidelines visit HoustonISD.org/Reopening.
