Oak Forest Elementary

Student Laptop Information

This laptop has the **Generic Student User Account** loaded. Please use this account to log on to the laptop.

Username: ad\oakfesst

Password: PASSWORD

Please note, the password is case sensitive and needs to be inputted in ALL CAPS.

Once the student is logged in to the laptop, the student will need to use their credentials to log in to the HUB, Office365, and TEAMS.

HUB: http://houstonisd.org/hub

Office365: http://office365.houstonisd.org

TEAMS: This is an app located in Office365.

When the student loads the website, the student will be redirected to HISD Single Sign On Service which looks like this:

The top field is where the student will type their domain and username. Domain for students is **STUDENT** and their username is S and ID#. (ex. STUDENT\S1234567)

The bottom field is for the student password. Their password is their date of birth in numeric format MMDDYYYY.
