Go to [https://myeagle.hccs.edu/](https://myeagle.hccs.edu/)

**Click “Student Sign-In”**

![MyEagle Dashboard](image)

**Click “First Time or Forgot My User ID”**

![Student System Sign In](image)

**Enter your SS# and Birthdate**

![Retrieve ID/PWD](image)

The screen below will display. **Please write this password down** because you will need it to change it to something easier that you can remember. Then click “Go to Sign On Page”.

![Listed below is the retrieved User ID and Initial Password.](image)

If you have changed your password, your initial password will not be displayed.

If you do not remember your password, go to Sign on page, use “Reset Password” link for password reset.

![Go To Sign On Page](image)
Ok, so once you click on “Go To Sign On Page”, it will take you back to this screen. Enter your W# as your Username and put your password in.

This screen will display once you enter your credentials.

You may update your contact info in the CHECKLISTS “To Do’s”. **Don’t worry about anything else in that box.**

Next, click on the PROFILE box
Then click on “My System Profile”. Here is where you get to change your password to something that you can actually remember. You also can set up your verification questions if you ever forget your password. PLEASE NOTE: You need the Initial Password HERE

Password requirements:

Click SAVE

Don’t worry about anything else on this screen. Once you do that, you can click the three dots in the top right-hand corner and SIGN OUT.

If you have any issues, please reach out to HCC.
