

Wraparound Services Department Announces

COMMUNITY COUNCIL MEMBERS WANTED

The primary goal of the Feeder Pattern Community Council is to assess community needs, identify existing resources, advocate for new resources, and review progress collectively. The council meets as a group at least once every other month as is coordinated by a District Wraparound Manager. It is the belief that all high-quality instruction plus non-academic student supports equals maximized student academic outcomes. According to Board Policy, the underlying assumption is that successful wraparound service delivery comes from community residents who invest themselves, their ideas, assets, capabilities, and resources in the process.

Parent/Guardian, Community, and Staff representatives must commit for one school year term. A parent must have a student enrolled in the school for at least one of the years and may not be employed by the school. We invite you to become involved in your school's Community Council by declaring your member intent. Please return the bottom portion of this form to your school's Wraparound Resource Specialist by 3 p.m. on _____.
