

## **EXTRACURRICULARS**

Being involved in at least one extracurricular activity is the Westside Way! Westside students are faced with the challenge of deciding how to choose from all the options available to them.

Visual and Performing Arts programming is as extensive as it is award-winning and includes multiple options for music, dance, theatre and visual arts! Likewise, Westside boasts a large variety of competitive athletic programs and over 50 different clubs and organizations, including academic honor societies, community service clubs, UIL academics teams, plus hobby and gaming clubs.
