Wheatley's P-TECH Academy of Culinary Arts

Wheatley High School P-TECH (Pathways in Technology Early College High Schools) Academy of Culinary Arts program prepares students for successful careers by teaching the professional skills and techniques needed to excel in today's diverse food industry. Students develop the expertise to advance in local and regional culinary roles.

Ready to cook up your future? Join our tuition-free program and turn your culinary dreams into reality by completing HISD's 2025-2026 School Choice Application.

● About the Program

Take your passion for cooking to the next level at Wheatley's P-TECH Academy of Culinary Arts. Through our groundbreaking partnership with Houston Community College (HCC), students can earn both a high school diploma and kickstart their college education – **at no cost!**

While working toward their high school diploma, students can:

- Have the opportunity to complete program of study grade 9 through 12
- Earn up to 60 college credits
- Graduate with an Associate of Arts degree
- Earn Level 1 or Level 2 certificate, or industry-based certification
- Master professional culinary skills
- Connect with industry employers
- Access paid internship opportunities
